Mr. Gerardo Rios
U. S. EPA, Region IX
Mail Stop A-5-2
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Rios:

Proposed Minor Revision to Title V Permit for Quemetco, Inc., City of Industry (ID# 8547)

The South Coast Air Quality Management District (AQMD) has proposed to issue a revised, Title V Permit for Quemetco, Inc. located at 720 South 7th Avenue, City of Industry, CA 91746-3124. This revision is considered to be a minor revision. A public notice is not required.

Quemetco (ID 8547) has proposed to revise their Title V permit by modifying:

Section D (Permits to Construct and Operate) –Revision #21

Appl. No.	Description	Device(s)	Process	System
542750	Replacement of scrubber (device C2) and cyclone separator (device C109), with a 15-H.P. exhaust blower with a new, larger scrubber and cyclone separator, with a 50-H.P. exhaust blower. This air pollution control system vents the battery crusher (device D1) and provides additional ventilation air to the total enclosure building (device C169) serving the battery crushing system. This is an end of life equipment replacement.	C2 C109	1	1

This Title V permit revision is covered under Application No. 542751. Attached for your 45-day review is a draft of the proposed revisions to Facility Permit Section D and the engineering evaluation.

This package is being submitted electronically to the e-mail address R9AirPermits_SC@epa.gov in order to facilitate your review. Questions regarding the Quemetco TV final permit may be directed to Marco A. Polo of my staff at (909) 396-2633.

Sincerely,

Jay Chen, P.E.
