Dear Mr. Rios:

Los Angeles County, Sheriff Dept. has proposed to revise their Title V permit by modifying two boilers and adding Selective Catalytic Reductions Systems. This is a prison facility (NAICS 92214) located at 29300 The Old Road, Saugus, CA 91384. This proposed permit revision is considered as a "de minimis significant revision" to their Title V permit. Attached for your review are the evaluation and section D of the Facility permit for the proposed revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on October 25, 2013.

If you have any questions concerning these changes, please call the permit processing engineer Mr. Roy Olivares at (909) 396-2208.

Very truly yours,
