NOTICE OF PROPOSED TITLE V RENEWAL PERMIT

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permit that was previously issued to the following facility:

TIN, Inc., Temple-Inland, dba
5100 Jurupa Street
Ontario, CA 91761-3618
Facility ID# 800240

Contact Person:

Ontario, CA 91761

This is an existing facility that is engaged in the manufacturing of linerboard and medium that is used for corrugated packaging. The facility operates starch receiving and storage systems, conveying and mixing system, paper forming system, flexographic printing presses, a gas turbine, boilers, baghouses for controlling particulate matter emissions, a selective catalytic reduction system for controlling nitrogen oxides emissions, and other supporting equipment.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permit is available for public review at the AQMD, 21865 Copley Dr., Diamond Bar,

CA 91765 and at the Ontario City Library, 215 East C Street, Ontario, CA 91764-4111. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

Attention: Hamed Mandilawi

Comments must be received by October 7, 2010. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request the AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD website at <http://www.aqmd.gov/titlev>. Requests for a public hearing are due by September 22, 2010. A copy of the hearing request must also be sent by first class mail to the facility contact person listed above.
