Re: Proposed Title V Permit Renewal for Los Angeles County Sanitation Districts - Palos Verdes, (Palos Verdes Landfill)

Dear Mr. Rios:

The South Coast Air Quality Management District (AQMD) has completed its engineering review for the Los Angeles County Sanitation Districts (LACSD) - Palos Verdes landfill, facility ID 24520. Enclosed is the proposed Title V permit, the Statement of Basis, the permit application, CAM evaluation and public notice for your 45-day review and commenting period.

Facility	ID. No.	Application Number	Location Address
LACSD, Palos Verdes	24520	526210	26301 Crenshaw Blvd., Rolling Hills Estates, CA

The proposed renewal permit is also updated to reflect changes at this facility, including removal of Permits to Operate two boilers from Section D and removal of Permits to Construct a fuel cell and microturbines from Section H. AQMD intends to publish the public notice and make the proposed renewal permit available for public reviewing in accordance with Rule 3006, for 30 days beginning January 6, 2012.

If you have any questions or comments regarding this permit, please call the processing engineer, Mr. Gaurang Rawal, at (909) 396 - 2543 prior to the closing date of the review period.

Very truly yours,

Jay Chen, P.E.
Senior Manager
Refinery and Waste Management Permitting
