Dear Mr. Rios:

Subject: GS Roofing Products Co. (I.D. 057094) Title V Permit Revision

GS Roofing Products Co. (I.D. 057094) has proposed to revise their Title V under A/N 542854 by adding two asphalt storage tanks (A/N's 542849 and 542850), modifying two existing fume abatement systems (A/N's 542851 and 542852) and changing condition on an existing asphalt storage tank (A/N 542853). This is an asphalt roofing shingles manufacturing facility located at 1431 West E. Street, CA 90744. This proposed permit revision is considered as a "minor permit revision" to their Title V permit. Enclosed for your review are the permit evaluation and the proposed permit. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period begins on January 8, 2013.

If you have any questions or need additional information regarding the proposed permit revision, please call Manuel Quizon at (909) 396-2639.

Sincerely,
