Dear Mr. Gentsch:

Please find attached the revised Title Page, Table of Contents, and Section D of your RECLAIM/Title V Facility Permit. The revised sections reflect the administrative permit revision to your RECLAIM/Title V permit based on our determination that each dual-web printing systems should be divided into two separate permit units. As a result, this permit revision includes the addition or modification of the following equipment:

Equipment	Appl. No.	Device No.	Process	Permit Type
Lithographic Printing System	475157	D65, D57	1	PO
Lithographic Printing System	475160	D66, D62	1	PO

Please review the attached sections carefully. Insert the enclosed sections into your Facility Permit and discard the earlier versions. Questions concerning changes to your permit should be directed to Mr. Jason Aspell at (909) 396-2491.

Sincerely,
