**SUBJECT:** Title V Facility Permit Revision (Facility ID: 059237)

Dear Mr. Staton:

Please find attached the revised Title Page, Table of Contents, and Section D of your Title V Facility Permit. Since the removal of the natural gas-fired heater from each of the two spray booths referenced below did not result in an increase in emissions, pursuant to Rule 3000(b)(1)(F), your request for an Administrative Title V Permit Revision under Application Number 555490 is approved.

Equipment	Application No.	Permit No.	Permit Type
Spray Booth No.1	555288	G26627	PO
Spray Booth No.2	555289	G26628	PO

Please review the attached sections carefully. Insert the attached sections into your Facility Permit and discard the earlier versions. Questions concerning changes to your permit should be directed to Mr. Shailesh Patel at (909) 396-2681.

Sincerely,

Amir Dejbakhsh
