Mr. David B. Howekamp  
Director of Air Management Division  
**United States Environmental Protection Agency**  
75 Hawthorne Street  
San Francisco, CA 94105

Re: **East Bay Municipal Utility District– Facility #A0591**  
Administrative Permit Amendment

Dear Mr. Howekamp:

This is to advise you that the Bay Area Air Quality Management District has made an administrative permit amendment to the Major Facility Review Permit for East Bay Municipal Utility District (EBMUD) - Facility Number A0591 - for the purpose of amending Paragraph F of Section I, Standard Conditions to change the due date of the monitoring report to one month after the end of the monitoring report period. This amendment is in response to EBMUD's letter of June 28, 1999, and the changes made to the Manual of Procedures, Volume II, Part 3 on October 20, 1999.

The District is also taking this opportunity to standardize the wording of Section I, Standard Conditions; Section III, Generally Applicable Requirements; Section IV, Source-Specific Applicable Requirements; make changes to the dates of District and SIP rules; and delete out-dated SIP rules.

Strikeout/underline and clean copies of the modified Major Facility Review Permit are enclosed for your records. If you have any questions on this matter, please call **Randy Frazier, Air Quality Engineer II at (415) 749-4672**.

Very truly yours,

---

Ellen Garvey  
Executive Officer/Air Pollution Control Officer
