San Francisco, CA 94105

Dear Mr. Rios:

Proposed Minor Revision to Title V Permit for Eastern Municipal Water District (EMWD), Temecula Valley Regional Water Reclamation Plant (ID# 001703)

Enclosed for your review is the proposed minor revision to the Title V Permit for EMWD, municipal waste water treatment plant located at 42565 Avenida Alvarado, Temecula, CA in Riverside County. This revision is considered to be a minor permit revision and public notification is not required. We are enclosing appropriate pages of section H, which includes the permits as shown below, and the engineering evaluation. This project, upon approval, will allow EMWD to optimize the beneficial use of digester gas, therefore, we are requesting expedited review by EPA.

SECTION H, PERMIT TO CONSTRUCT

Appl. No.	Description
480859 & 480864	Two 520 HP Digester/Natural Gas fueled ICE's changed to allow a higher percent of natural gas on a monthly basis with no change in emissions.

The initial Title V permit for this facility was issued on October 13, 2008 and permit revision (02) was issued on March 9, 2010. The proposed Title V permit includes two internal combustion engines that drive aeration blowers under A/Ns 480859 and 480864. The facility has requested the changes listed above, and filed application No. 485297 for a minor revision to the Title V facility permit.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Ms. Angela Shibata, Air Quality Engineer, at (909) 396-2737 or by email at ashibata@aqmd.gov.

Sincerely,

Jay Chen, P.E.
