Dear Mr. Rios:

Proposed Significant Revision to Title V Permit for Riverside County Waste Management Department, Badlands Landfill, Facility (ID#6979)

Enclosed for your 45-day review is the proposed revisions to the Title V Permit for Riverside County Waste Management Department, Badlands Landfill, located at 31125 Ironwood Avenue, Moreno Valley, CA. This revision is considered to be a significant permit revision, and a public notice is required because a permit condition was removed. We are enclosing proposed section D, which includes the revised permit as shown below, and the engineering evaluation.

#### SECTION D PERMIT TO OPERATE

Appl. No.	Description
472572	Change of Permit Condition to allow full time operation of an enclosed landfill/digester gas flare which was previously used a backup control device.

The initial Title V permit for this facility was issued on September 9, 2008. Since then, the facility has requested a change of conditions for an existing flare, and then filed application No.502606.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Ken Matsuda at (909) 396-2656 or by email at kmatsuda@aqmd.gov.

Sincerely,

Jay Chen, P.E.
