Dear Mr. Rios:

Sierracin Sylmar Corp. (I.D. 149814) has proposed to revise their Title V permit by adding two flow coaters, a UV curing room, and modifying and or changing the permit condition on four flow coaters. This is an aircraft canopy and window manufacturing facility (SIC 3728) located at 12780 San Fernando Road, Sylmar, CA 91342. This proposed permit revision is considered as a “de minimis significant permit revision” to their Title V permit. Attached for your review are the permit evaluations and draft permit for the proposed permit revision.

If you have any questions or need additional information regarding the proposed permit revision, please call Brian Yeh at (909) 396-2584 or Hamed Mandilawi at (909) 396-3275.

Very truly yours,

Fred Lettice
