UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C.

In re:
MPLX LP
Permit No. V-UO-000005-2018.00
CAA Appeal No. 20-01

ORDER EXTENDING TIME TO FILE REPLY

On May 13, 2020, MPLX LP (formerly Andeavor Field Services, LLC) filed with the Environmental Appeals Board ("Board") a petition challenging certain conditions of a permit issued by Region 8 of the U.S. Environmental Protection Agency ("Region 8") to MPLX, Wonsits Valley Compressor Station ("MPLX") under subchapter V of the Clean Air Act, 42 U.S.C. §§ 7661-7661f, and part 71 of title 40 of the Code of Federal Regulations.

Because section 71.11(l) does not expressly provide for a response to a petition or for any reply, the Board issued a scheduling order requiring that Region 8 file a response along with a certified index to the administrative record no later than June 15, 2020. See Order Establishing Briefing Scheduling ("Order") at 1. The Order also established a June 30, 2020 deadline for MPLX to file a reply. Id. at 2. Region 8 timely filed its responsive materials.

By unopposed motion filed with the Board on June 24, 2020, MPLX requests a 14-day extension of time, until July 14, 2020, to file its reply. See Unopposed Motion for a 14-Day Extension of Time to Reply to EPA Region 8 Response to Petition for Review ("Unopposed

Motion”). In support of the Unopposed Motion, MPLX states that working remotely due to COVID-19 has presented “challenges to coordinating with appropriate persons necessary to prepare the Reply” and that the additional time is needed to address the relevant legal and regulatory issues. *Id.* at 1-2. MPLX states further that the parties have “conferred via telephone and EPA Region 8 does not oppose” the 14-day extension. *Id.* at 2.

For good cause shown, the Unopposed Motion is granted. The deadline for MPLX to file its reply brief is hereby extended to and including July 14, 2020.

All documents filed in this matter must reference the appeal number and the name, street address, telephone number, and email address of the filer(s).

So ordered.
