ORDER SCHEDULING STATUS CONFERENCE CALL

The Environmental Appeals Board ("Board") recently learned via media reports that the future of FutureGen Industrial Alliance Inc. is in doubt, which raises the question of whether the permit appeals currently pending before the Board have or will become moot. The Board is better able to allocate its limited resources when it has timely information regarding the status of a case. Accordingly, the Board will hold a status conference call beginning at **2:00pm Eastern Standard Time, on Tuesday, February 10, 2015**. All parties are ordered to participate. Please provide the Clerk of the Board with the names and telephone numbers of counsel who will be participating no later than Monday, February 9, 2015. Additional conference call information will be provided.

So ordered.
