ORDER GRANTING MOTION FOR EX	XTENSION OF TIME TO FILE RESPONSE
On August 21, 2018, the U.S. Environi	mental Protection Agency, Region 5 ("Region")
filed an unopposed motion for extension of tin	ne to file its response brief in this matter
("Motion"). The Motion requests an extension	n of the deadline for the Region to file its response
brief and certified index of the administrative	record to October 15, 2018. In support of the
Motion, the Region cites a need to coordinate	with multiple offices at EPA headquarters and
known absences of relevant staff from those of	ffices in late August and early September. The
Region represents that Petitioner does not obje	ect to the Motion and the requested due date for the
Region's responsive filings.	
For good cause shown, the Environment	ntal Appeals Board GRANTS the Motion. The
Region's responsive materials, see 40 C.F.R. §	§ 124.19(b)(2), are now due on or before
October 15, 2018.	
So ordered.
