ORDER AMENDING PENALTY AMOUNTS AND
CORRECTING NAMES AND ADDRESSES

I. BACKGROUND

On December 6, 2006, the Environmental Appeals Board ("Board") received a memorandum from the EPA's Office of Enforcement and Compliance Assurance ("OECA", also referred to as "Complainant") requesting, inter alia,¹ to approve changes to one hundred and seventy-one of the two thousand five hundred and sixty-eight Consent Agreements ("Agreements") the Board has ratified in the above-captioned matter.²

¹ The same submittal requested that the Board ratify fifty-two other Agreements, transfer responsibility in six of the previously ratified Agreements, and vacate nine of the ratified Agreements. Memorandum from Granta Y. Nakayama on Consent Agreements and Proposed Final Orders for Animal Feeding Operations to Environmental Appeals Board (December 6, 2006). The Board ratified the fifty-two Agreements in an order dated December 12, 2006, vacated the nine Agreements in an order dated January 17, 2007, and will rule on the remaining six Agreements in a separate order.

² As of December 6, 2006, the Board had ratified six groups of Agreements consisting of two thousand five hundred and sixty-eight Agreements. See Consent Agreements and Proposed Final Orders for Animal Feeding Operations (EAB, Jan. 27, 2006) (ratifying 20

(continued...)

These Agreements are part of a large group of proposed agreements EPA has received in response to a nationwide offer EPA made to animal feeding operations ("AFOs") in the egg, broiler, chicken, turkey, dairy, and swine industries that meet the definition of an AFO under the Clean Water Act. See Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 4958, 4959 (Jan. 31, 2005). EPA offered AFOs the opportunity to sign consent agreements to resolve potential liabilities under the Clean Air Act ("CAA"), CAA §§ 101-618, 42 U.S.C §§ 7401-7671q, the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), CERCLA §§ 101-405, 42 U.S.C. §§ 9601-967, and the Emergency Planning and Community Right-To-Know Act ("EPCRA"), EPCRA §§ 301-330, 42 U.S.C. §§ 1101-11050. See Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 4958 (Jan. 31, 2005); see also Animal Feeding Operations Consent Agreement and Final Order, 70 Fed. Reg. 40016 (July 12, 2005).

agreements); Consent Agreements and Proposed Final Orders for Animal Feeding Operations (EAB, Apr. 17, 2006) (ratifying 702 agreements); See Consent Agreements and Proposed Final Orders for Animal Feeding Operations (EAB, May 5, 2006) (ratifying 286 agreements); Consent Agreements and Proposed Final Orders for Animal Feeding Operations (EAB, July 19, 2006) (ratifying 1,205 agreements); Consent Agreements and Proposed Final Orders for Animal Feeding Operations (EAB, Aug. 7, 2006) (ratifying 353 agreements); see Consent Agreement and Proposed Final Order for Animal Feeding Operations - Foster Brothers Farm, Inc. (EAB, Aug. 17, 2006) (ratifying 1 agreement); Consent Agreement and Proposed Final Order for Animal Feeding Operations - Seaboard Farms LP (EAB, Aug. 21, 2006) (ratifying 1 agreement).

Under the model agreement published in the January 31, 2005 Federal Register notice, participating AFOs will pay a civil penalty based on the number and size of the farms and the number of animals at each AFO covered by the Agreement, in accordance with a table set forth therein. The Final Orders ratifying the two thousand five hundred and sixty-eight Agreements set forth the penalty amounts assessed against each of these Respondents.

In its memorandum, OECA represents that the penalty amounts assessed against seventy-nine Respondents were miscalculated.³ OECA explains that the miscalculated penalty amounts were largely caused by incorrect and ambiguous information submitted by Respondents. OECA also explains that Respondents providing incorrect or ambiguous information also led OECA to incorrectly caption ninety-two Agreements with respect to the Respondents' names and/or addresses.⁴ OECA requests that the Board amend the

³ OECA provided a table identifying the seventy-nine Respondents, setting forth the new penalty amounts, and explaining the reasons for the penalty change. See Attachment E (Penalty Correction Table) to Memorandum from Granta Y. Nakayama on Consent Agreements and Proposed Final Orders for Animal Feeding Operations to Environmental Appeals Board (December 6, 2006). This attachment has been incorporated into this Order as Attachment 1.

⁴ OECA also provided a table identifying the ninety-two Agreements with incorrect captions. See Attachment F (Respondent Name and Address Corrections Table) to Memorandum from Granta Y. Nakayama on Consent Agreements and Proposed Final Orders for Animal Feeding Operations to Environmental Appeals Board (December 6, 2006). This attachment has been incorporated into this Order as

Agreements and Final Orders for these Respondents as provided in Attachments 1 and 2 of this Order.

II. ORDER

Upon consideration of the foregoing, the Board hereby **AMENDS** the penalty amounts of the seventy-two Agreements listed in Attachment 1 of this Order, in the manner indicated in that attachment. The Board also **CORRECTS** the Name and Addresses in the Agreements listed in Attachment 2 of this Order, in the manner this attachment prescribes. The corresponding Final Orders are hereby amended and corrected accordingly.

In addition, the Board orders Complainant to serve, and certify service of this Order to, all the Respondents listed in Attachments 1 and 2.

So ordered.
