ORDER GRANTING MOTIONS TO WITHDRAW APPEALS

On April 17, 1998, Respondent Michigan Waste Systems, Inc. ("Respondent") filed a motion requesting leave to withdraw its appeal, RCRA (3008) Appeal No. 97-2, on the grounds that the case has settled. Then on April 21, 1998, U.S. EPA Region V ("the Region") filed a substantially similar motion requesting leave to withdraw its appeal, RCRA Appeal (3008) No. 97-1. The Region's motion is also made on the grounds that the matter has settled.

For good cause shown, the Board hereby grants both parties' motions. Accordingly, RCRA (3008) Appeal No. 97-1 and RCRA (3008) Appeal No. 97-2 are each hereby dismissed with prejudice.

So ordered.
