ORDER CONSOLIDATING PETITIONS FOR REVIEW

On October 1, 2014, the Leinberger Family (Andrew H. Leinberger Family Trust and DJL Farm LLC) and William and Sharon Critchelov (collectively Petitioners) filed four petitions for review challenging four separate Class VI Underground Injection Control (“UIC”) permits that the U.S. Environmental Protection Agency (“EPA”) Region 5 (“Region”) issued to FutureGen Industrial Alliance, Inc (“permittee”). Each petition raises identical challenges to each of the four permits and the petitions differ only with respect to the specific permit challenged. By this order, and pursuant to 40 C.F.R. § 124.19(n), the Board is administratively consolidating these permit appeals. The Region and the permittee may each file one consolidated response to the petitions for review in this matter. Consistent with 40 C.F.R. § 124.19(b)(2), the Region and the permittee’s deadline for filing a consolidated response is Monday, November 3, 2014.

So ordered.
