

BEFORE THE ENVIRONMENTAL APPEALS BOARD
UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C.

In re:)
Wyman Gordon Co.) NPDES Appeal No. 06-14
NPDES Permit No. MA0004341)

ORDER DISMISSING PETITION FOR REVIEW

In a joint status report filed March 3, 2008, U.S. Environmental Protection Agency Region 1 ("Region") and petitioner Wyman Gordon Company ("WGC") advised the Environmental Appeals Board ("Board") that the Region and Massachusetts Department of Environmental Protection ("MDEP") have jointly issued a final permit modification addressing the concerns that WGC expressed in its Petition for Review of NPDES Permit No. MA0004341.¹ As a result of the permit modification, the parties request that the Board dismiss WGC's Petition for Review.

¹ NPDES Permit No. MA0004341 was originally issued by the Region and MDEP to WGC on September 28, 2006. WGC filed its Petition for Review with the Board on October 31, 2006. The petition has been stayed since December 22, 2006, so that the parties may attempt to resolve the case.

Accordingly, WGC's Petition for Review of NPDES Permit No. MA0004341 is hereby dismissed with prejudice.

So ordered.
