Docket No. RCRA-HQ-2009-0001

**ORDER CLARIFYING EFFECTIVE DATE
OF FINAL ORDER**

On February 16, 2016, the Environmental Appeals Board issued a Final Order pursuant to 40 C.F.R. § 22.18(b)-(c) ratifying the Consent Agreement reached between the parties in the above-captioned case. The Board subsequently learned that the mailing address provided for service of the Consent Agreement and Final Order on Respondent was erroneous and thus that the U.S. Postal Service will likely return the service copy to the Board as “undeliverable.”

The Consent Agreement specifies that Respondent’s civil penalty becomes due and payable beginning a certain number of days after the “Effective Date” of the Board’s Final Order. Consent Agreement ¶¶ 18, 21, 23, at 5-6. Under normal circumstances, that date would have been February 16, 2016, which is the date the Board issued the Final Order ratifying the Consent Agreement. In these circumstances, however, the Board clarifies that the “Effective Date” of its Final Order ratifying the Consent Agreement is now altered to today’s date, March 4,

2016. A copy of the Consent Agreement resolving this matter is attached to this Order, as is a copy of the Final Order dated February 16, 2016.

The Respondent is ORDERED to comply with all terms of the Consent Agreement, effective immediately (meaning that the "Effective Date" referenced in the Consent Agreement is now March 4, 2016).

So ordered.

CONSENT AGREEMENT
AND FINAL ORDER

EPA Docket No. RCRA-HQ-2009-0001

CONSENT AGREEMENT

To avoid the disruption of orderly business activities and the expense of litigation, Complainant and Respondent hereby consent to the terms of this Consent Agreement and attached Final Order.

I. PRELIMINARY STATEMENT

In accordance with the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits, 40 C.F.R. Part 22 (2012), the parties to this proceeding enter into this Consent Agreement and Final Order ("CAFO") pursuant to 40 C.F.R. § 22.18(b)(2) and (3) to resolve, without further proceedings, the claims asserted by Complainant in the Third Amended Administrative Complaint, Compliance Order and Notice of Opportunity for Hearing filed in this matter on July 1, 2015. Upon execution by the U.S. EPA Environmental Appeals Board, this CAFO concludes the above-captioned matter pursuant to 40 C.F.R. §§ 22.18 and 22.31.

II. STATUTORY AND REGULATORY AUTHORITY

This administrative proceeding was instituted pursuant to Section 3008(a) of the Solid Waste Disposal Act, as amended by various statutes including the Resource Conservation and Recovery Act and the Hazardous and Solid Waste Amendments of 1984 ("HSWA"), 42 U.S.C. § 6928 (such statutes hereinafter referred to collectively as the "Act" or "RCRA"). The EPA has promulgated regulations to implement Subtitle C of RCRA, Sections 3001-3023e, 42 U.S.C. §§ 6921-6939e, set forth at Title 40 of the Code of Federal Regulations ("C.F.R.") Parts 260-270, 273 and 279.

Pursuant to Section 3006 of RCRA, 42 U.S.C. § 6926, EPA may authorize a state to administer its hazardous waste program in lieu of the federal program when the Administrator deems the state program to be equivalent to the federal program. On January 30, 1986, EPA granted final authorization to the Commonwealth of Pennsylvania to administer its hazardous waste program in lieu of the federal program. 51 Fed. Reg. 1791 (Jan. 15, 1986). EPA granted authorization for revisions to the Commonwealth of Pennsylvania's regulatory program on September 26, 2000, effective November 27, 2000 (65 Fed. Reg. 57,734); on January 20, 2004, effective March 22, 2004 (69 Fed. Reg. 2674); and on April 29, 2009, to be effective June 29, 2009 (74 Fed. Reg. 19,453).

Pursuant to Sections 3006 and 3008(a) of RCRA, 42 U.S.C. §§ 6926, 6928(a), a violation of any requirement of law under an authorized state hazardous waste program is a violation of a requirement of Subtitle C, and EPA may enforce federally-authorized hazardous waste programs by issuing orders requiring compliance immediately or within a specified time for such violations. Therefore, the Commonwealth's authorized hazardous waste provisions set forth at 25 Pa. Code Sections 260a-266a, 266b and 268a-270a, are requirements of RCRA and are enforceable by EPA.

Notice of commencement of this action was given to the Commonwealth of Pennsylvania pursuant to Section 3008(a)(2) of RCRA, 42 U.S.C. § 6928(a)(2).

III. FINDINGS OF FACT AND JURISDICTIONAL ALLEGATIONS

1. Complainant is the Acting Director of the Waste and Chemical Enforcement Division, Office of Civil Enforcement, Office of Enforcement and Compliance Assurance, U.S. EPA. Complainant has been duly delegated with the authority to commence this proceeding.

3. Complainant filed a Third Amended Administrative Complaint, Compliance Order and Notice of Opportunity for Hearing on July 1, 2015 ("Complaint"), which asserted that Respondent violated Sections 3002 and 3017 of RCRA, 42 U.S.C. §§ 6922 and 6938, the hazardous waste regulations at 40 C.F.R. Parts 261 and 262, and certain EPA authorized Pennsylvania hazardous waste management regulations set forth at 25 Pa. Code § 260a *et seq.* by failing to properly manage hazardous wastes.
4. This CAFO incorporates by reference the findings of fact and jurisdictional allegations contained in paragraphs 1 through 79 of the Complaint, and adopts them as Complainant's findings of fact and jurisdictional allegations herein.

IV. CONCLUSIONS OF LAW

5. This CAFO incorporates by reference the conclusions of law contained in paragraphs 1 through 79 of the Complaint, and adopts them as Complainant's conclusions of law herein.
6. Complainant concludes that Respondent violated Sections 3002 and 3017 of RCRA, 42 U.S.C. §§ 6922 and 6938, and is liable to the United States for a civil penalty in accordance with Section 3008 of RCRA, 42 U.S.C. § 6928.

In the event that this CAFO or one or more of its terms and conditions is held invalid, is not executed by all of the signatories in identical form, or is not approved in such identical form by the Environmental Appeals Board, then the entire CAFO shall be null and void.

In addition, Respondent shall be liable for and shall pay administrative handling charges and late payment penalty charges as described in paragraph 27 below, in the event of any such failure or default.
27. In the event that Respondent fails to pay any portion of the civil penalty as directed, the following interest and late charges will accrue:
- a. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment as required herein or to comply with the conditions in this CAFO shall result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.
 - b. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a copy of this CAFO is mailed or hand-delivered to Respondent. However, Complainant will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which it is due.
 - c. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's Resources Management Directives- Cash Management, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each such subsequent thirty (30) calendar days the penalty remains unpaid.
 - d. A penalty charge, not to exceed six percent per year, will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).
28. Failure of Respondent to remit the civil penalties provided herein will result in this matter being forwarded to the United States Department of Justice for collection of the amount

due plus interest at the statutory judgment rate provided in 28 U.S.C. § 1961. This Settlement shall constitute an enforceable judgement for purposes of post-judgment collection in accordance with Rule 69 of the Federal Rules of Civil Procedure, the Federal Debt Collection Procedure Act, 28 U.S.C. 3001 – 3308, and other applicable authority. The United States shall be deemed a judgment creditor for purposes of collection of unpaid amounts of the civil penalties and interest. Respondent shall be liable for attorney's fees and costs incurred by the United States to collect any amounts due under, or enforce and provision(s) of this Settlement.

VIII. RESERVATION OF RIGHTS AND COVENANT NOT TO SUE

29. Entry of this CAFO is a final settlement of all violations alleged in the Complaint. Complainant reserves the right to commence an action against any person, including Respondent, in response to any condition that Complainant determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice, 40 C.F.R. § 22.18(c).
30. Complainant reserves the right to institute a new and/or separate action should Respondent fail to comply with the terms of this CAFO. That right shall be in addition to all other rights and causes of action, civil or criminal, Complainant may have under law or equity in such event.
31. By his signature below, Respondent certifies that the information submitted to EPA regarding Respondent's ability to pay civil penalties and regarding any other matter at issue in this proceeding is accurate. Respondent is aware that the submission of false or misleading information to the United States government may subject a person to separate civil and/or criminal liability. Complainant reserves the right to seek and obtain appropriate relief, including but not limited to the right to institute a new and separate action to recover additional civil penalties for the claims made in the Complaint, if Complainant obtains evidence that the information provided and/or representations made by Respondent to Complainant regarding Respondent's claim of inability to pay, or regarding any other matter herein at issue, are false or, in any material respect, inaccurate. This right shall be in addition to all other rights and causes of action, civil or criminal, that Complainant may have under law or equity in such event.
32. Respondent releases, forever discharges, and holds harmless (i) the United States of America, (ii) its agencies and departments, and (iii) its current and former representatives, officers, agents, attorneys, contractors, and employees, from any and all actions, causes of action, suits, proceedings, debts, judgments, damages, claims or demands whatsoever in law or equity which Respondent, its heirs, successors or

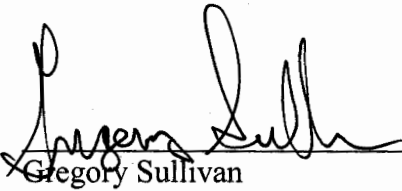

assignees ever had, now have or may have, whether known or unknown, relating to or arising from all violations alleged in the Complaint.
