ORDER GRANTING STAY

On May 19, 2016, the parties in the above-captioned matter filed a Joint Status Report informing the Environmental Appeals Board (“Board”) that they had engaged in settlement discussions and have reached a settlement in principle. The parties request that the Board stay any review of this matter until June 8, 2016. The parties explain that they need the time to execute a settlement agreement.

In the interest of judicial economy and for good cause shown, the Board grants the parties’ request to stay this matter. This case is now stayed until June 8, 2016. Should the parties need additional time to finalize a settlement, a joint request for an extension of the stay, with a justification, must be filed no later than Friday June 3, 2016.

So ordered.
