UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C.

In re:

Town of Northbridge, Wastewater  
Treatment Plant

NPDES Permit No. MA-0100722

NPDES Appeal No. 06-11

**FIFTH STAY ORDER**

By submission filed on March 18, 2008, U.S. EPA Region 1 (the "Region") seeks an addition seven-day extension of the stay in the above-captioned matter until March 25, 2008. See Motion to Extend Stay of Proceedings (Mar. 18, 2008) ("Motion"). The Motion states that the Town of Northbridge, the petitioner in this matter, consents to the extension request. In support of this Motion, the Region states that this matter has been resolved to the parties' satisfaction and that "the Town intends to file with the Board, within seven (7) days, a notice withdrawing its petition for review."

For good cause shown, the Motion is granted. The Region's response to the petition for review must now be filed with the Board no later than March 25, 2008,<sup>1</sup> unless the petition is withdrawn on or before this date.

So ordered.
