ⁱ EPA's SW-846 Compendium consists of three main parts—chapters, methods and supporting documents. Most methods are intended as guidance, with the exception of method defined parameters (MDPs) that are mandated by the RCRA regulations. See <https://www.epa.gov/hw-sw846/final-rule-methods-innovation-rule-mir#MDP>.

ⁱⁱ Published by the Office of the Federal Register, National Archives and Records Administration (NARA), the Federal Register is the official daily publication for rules, proposed rules, and notices of Federal agencies and organizations, as well as executive orders and other presidential documents. Copies of the federal register notices going back to 1994 are available online at <https://www.gpo.gov/fdsys/browse/collection.action?collectionCode=FR>. For copies of earlier notices cited in this Addendum, please contact the Project Officer identified with the public notice associated with this EPA action for assistance. A table, with a short description, and additional information about most of the federal register notices cited in this Addendum, can be found in EPA's December 2014 Hazardous Waste Treatment, Storage, and Disposal Facilities (TSDF) Regulations, A User-Friendly Reference Document for RCRA Subtitle C Permit Writers and Permittees, EPA 530-R-11-006, at <https://www.epa.gov/sites/production/files/2015-08/documents/tsdf-ref-doc.pdf>.
