Amy,

I have been able to figure out what happened to the mailed document. It was "returned to sender".

The admin person in 460 CES did not know any Col Crosier in 460 CES (actually the highest rank in CES is Lt Col), so she returned it to the installation Mail Center; the Mail Center returned to USPS on 26 Jul 13 (see attached, Item #11); so it might be in your mail room.

Please call to discuss the way forward, i.e., do over with new name, address, mail date, etc.

Thanks, Cory

Cory - When I looked at USPS.com it says it was delivered on 7/22. We don't know if that means it was just delivered or delivered and signed. I will talk to my legal folks and see what our options are for re-sending (assuming you can't find it by Monday). Thanks.

Amy,
EPA's understanding and flexibility is really appreciated.
The letter should be address to:
Colonel Daniel D. Wright III
Commander, 460th Space Wing
510 S. Aspen St, MS 88
Buckley AFB CO 80011-9572

I would also ask that a cc w/ enclosures be added as follows:
Lt Col Allen L. Thibeaux
Commander, 460th Civil Engineer Squadron
660 S. Aspen St, MS 86
Buckley AFB, CO 80011-9564

The cc isn't so much of a concern if you do decide to hand-deliver but
Any time this week I plan on being around and next week, as mentioned, I
have training Mon-Wed, but it is on base so I will step out to meet you.
Let me know if plans change.
Thanks again, Cory
