**United States Environmental Protection Agency  
Administrative Record Index to Final Decisions On Six Tribal MNSR Permits**

Archie Bench Compressor Station, Permit No. SMNSR-UO-000817-2016.001, Docket ID EPA-R08-OAR-2018-0310

Bitter Creek Compressor Station, Permit No. SMNSR-UO-000818-2016.001, Docket ID EPA-R08-OAR-2018-0311

East Bench Compressor Station, Permit No. SMNSR-UO-000824-2016.001, Docket ID EPA-R08-OAR-2018-0324

North Compressor Station, Permit No. SMNSR-UO-000071-2016.001, Docket ID EPA-R08-OAR-2018-0328

North East Compressor Station, Permit No. SMNSR-UO-001874-2016.001, Docket ID EPA-R08-OAR-2018-0329

Sage Grouse Compressor Station, Permit No. SMNSR-UO-001875-2016.001, Docket ID EPA-R08-OAR-2018-0331

Each of the permits listed above constitutes a separate action taken by EPA Region 8, but they were issued on the same date and rely on some documents in common. Because of that commonality and because the Petition for Review challenges the issuance of all six permits as one action, this Index covers all six permits. The materials for each permit are listed separately below. Documents that are unique to a permit are numbered with the initials of the facility’s name (e.g., 1.11 AB); documents that are common across permits do not include initials (e.g., 1.1).
