Dear Mr. Hutcheson:

Please find enclosed the revised RCRA Part A Permit Application for Westates Carbon - Arizona, Inc. (ID# AZD982441263) which you submitted to the United States Environmental Protection Agency ("EPA") on September 4, 1992. EPA is returning the Part A so that Westates may correct/add the following items:

- 2) Section XVII Photographs: Submit updated photographs of the existing facilities and/or the units under construction.
- 3) Section XVIII Certification(s): Obtain the signature of the property owner on the first line and the facility owner/operator on the third line pursuant to the signature requirements for permit applications (40 CFR §270.10).

EPA will continue processing the revised Part A application once Westates resubmits the application with the above corrections. If you have any questions, please contact Chris Heppe at (415) 744-2027. Thank you for your cooperation.
