Dear Ms. DeMeo,

Please see the attached letter on behalf of Sierra Club and Conservation Law Foundation regarding the NPDES permit for the Merrimack Station in Bow, NH, Permit No. NH0001465.

Also attached is the declaration referenced in this letter. Due to their size, I will send the Excel files containing monitoring data in separate emails. There will be four additional emails following this one.

When convenient, could you please acknowledge receipt and let me know if you received all five emails?

Thank you,
Reed Super
