The Closing Purchase Price shall be payable in cash by wire transfer to Seller in accordance with written instructions of Seller given to Buyer at least three (3) Business Days prior to the Closing. Following the Closing, the Closing Purchase Price shall be subject to adjustment pursuant to Section 2.6(c) and Section 2.7(b), and the Closing Purchase Price, as so adjusted pursuant to such Sections, shall be herein referred to as the “**Purchase Price.**”

Section 2.6 Certain Adjustments to Base Purchase Price. At the Closing, the Base Purchase Price shall be adjusted as set forth in Section 2.6(a) and Section 2.6(b), and the Closing Purchase Price shall be subject to adjustment following the Closing as set forth in Section 2.6(c).

(a) Determination of Adjustment. The Base Purchase Price shall be increased or decreased to account for the following items:

(i) Increased or decreased, as the case may be, by an amount equal to the working capital adjustment, which adjustment will be calculated in accordance with Schedule 2.6(a)(i);

(ii) Increased by any non-ordinary course operations and maintenance expenses incurred and paid for by Seller during the Interim Period that Seller is not otherwise obligated to perform and incur under this Agreement and that Seller would not have actually incurred and paid for but for Buyer’s written request;

(iii) If prior to Closing, any event occurs which has or may have the effect of increasing or decreasing the Qualified Capacity of any Facility during the Interim Period or following Closing, then the following provisions shall apply:

(A) (1) If Seller receives notice from ISO-NE that has or may have the effect of reducing the Qualified Capacity of any Facility individually or any number of Facilities such that in the aggregate the Qualified Capacity of all Facilities is less than the ISO-Recognized Capacity of all of the Facilities (a “**Qualified Capacity Reduction**”) and such Qualified Capacity Reduction (i) results in an aggregate decrease in Qualified Capacity that is equal to or greater than 20 megawatts but is less than 100 megawatts with respect to all Facilities, or (ii) is greater than zero with respect to Lost Nation, then in each case the Base

EXECUTION VERSION

Purchase Price shall be reduced by an amount equal to the product of the aggregate Qualified Capacity Reduction (in megawatts) and (x) Three Hundred Twenty-Five Thousand Dollars (\$325,000) per megawatt for Qualified Capacity Reduction relating to Newington Station as identified on Schedule 1 or (y) Two Hundred Fifty Thousand Dollars (\$250,000) per megawatt for Qualified Capacity Reduction relating to each other Facility. (2) To the extent Seller receives notice of a Qualified Capacity Reduction and such Qualified Capacity Reduction, together with any other Qualified Capacity Reduction with respect to any Facility, results in an aggregate decrease in Qualified Capacity that is equal to or greater than 100 megawatts, then Buyer in its sole discretion may elect to terminate this Agreement pursuant to Section 8.1(f) of this Agreement.

(B) If Seller receives notice from ISO-NE prior to the Closing Date that has or may have the effect of a Qualified Capacity Reduction for any Facility and (i) Seller pursues a formal dispute or correction of the event that would result in such Qualified Capacity Reduction and resolution is not achieved prior to Closing or (ii) Seller does not pursue a resolution of the event which gave rise to such notice (in which case, as soon as practicable, the Buyer shall pursue in good faith and with commercially reasonable efforts and in cooperation with Seller a remediation plan or other similar efforts to avoid such Qualified Capacity Reduction) and resolution is not achieved prior to Closing (a “**Potential Qualified Capacity Reduction**”), then the amount by which the Base Purchase Price would be reduced using the formula in Section 2.6(a)(iii)(A)(1) shall be paid by Buyer into an escrow account subject to an escrow agreement mutually acceptable to the Parties (the “**Escrow Agreement**”) and the amount placed in the escrow account under the Escrow Agreement shall be released to (x) Seller, to the extent there is no Qualified Capacity Reduction and (y) Buyer, to the extent there is a Qualified Capacity Reduction.

(C) To the extent Seller receives notice from ISO-NE that has or may have the effect of increasing the Qualified Capacity of any Facility such that it is greater than the ISO-Recognized Capacity (a “**Qualified Capacity Increase**”) and such Qualified Capacity Increase, together with any other Qualified Capacity Increases with respect to any Facility, results in an aggregate increase of Qualified Capacity equal to or greater than 20 megawatts but is less than 100 megawatts, then the Base Purchase Price shall be increased by an amount equal to the product of the aggregate Qualified Capacity Increase (in megawatts) and (i) Three Hundred Twenty-Five Thousand Dollars (\$325,000) per megawatt for Qualified Capacity Increase relating to Newington Station as identified on Schedule 1 or (ii) Two Hundred Fifty Thousand Dollars (\$250,000) per megawatt for Qualified Capacity Increase relating to each other Facility.

(iv) Decreased by the delayed closing adjustment, calculated in accordance with Schedule 2.6(a)(iv), if any.

(b) Estimated Purchase Price Adjustment. At least five (5) Business Days prior to the Closing Date, Seller shall prepare and deliver to Buyer a statement (the “**Estimated**”

Closing Statement”) setting forth in reasonable detail Seller’s good faith estimate of the net amount of all adjustments to the Base Purchase Price required by Section 2.6(a) (the “**Estimated Purchase Price Adjustment**”), together with reasonable supporting material regarding the computation thereof. In calculating the Closing Purchase Price pursuant to Section 2.5, the Base Purchase Price will be increased to reflect the Estimated Proration Adjustment Amount.

(c) Post-Closing Adjustment.

(i) Within sixty (60) days following the Closing Date, Seller shall prepare and deliver to Buyer a statement (the “**Closing Statement**”) that shall set forth in reasonable detail Seller’s calculation of the net amount of all adjustments to the Base Purchase Price required by Section 2.6(a) taking into account actual data (the “**Purchase Price Adjustment**”), together with reasonable supporting material regarding the computation thereof. Buyer shall have thirty (30) days to review the Closing Statement following receipt thereof. On or before the end of such 30-day review period, Buyer may object to the Closing Statement by written notice to Seller (the “**Objection Notice**”), setting forth Buyer’s specific objections to the calculation of the Purchase Price Adjustment. Such Objection Notice shall specify those items or amounts with which Buyer disagrees, together with a detailed written explanation of the reasons for disagreement with each such item or amount (and reasonable supporting material therefor), and shall set forth Buyer’s calculation of the Purchase Price Adjustment based on such objections. To the extent not set forth in a timely-delivered Objection Notice, Buyer shall be deemed to have agreed with Seller’s calculation of all other items and amounts contained in the Closing Statement and neither party may thereafter dispute any item or amount not set forth in such Objection Notice. If Buyer does not timely deliver any Objection Notice, Buyer shall be deemed to have agreed with and accepted Seller’s calculation of the Purchase Price Adjustment, and the Closing Statement shall be final and binding on the Parties as of the end of Buyer’s 30-day review period.

(ii) If Buyer timely delivers an Objection Notice to Seller, Buyer and Seller shall, during the thirty (30) day period following such delivery (or any mutually agreed extension thereof), use their commercially reasonable efforts to negotiate and reach agreement on the disputed items and amounts in order to determine the amount of the Purchase Price Adjustment. If, at the end of such period (or any mutually agreed extension thereof), the Parties are unable to resolve their disagreements, they shall jointly retain and refer their disagreements to the Independent Accountant. The Parties shall instruct the Independent Accountant to promptly review this Section 2.6 and to determine solely with respect to the disputed items and amounts so submitted whether and to what extent, if any, the Purchase Price Adjustment set forth in the Closing Statement requires adjustment. The Independent Accountant shall base its determination solely on written submissions by the Parties. As promptly as practicable, but in no event later than thirty (30) days after its retention, the Independent Accountant shall deliver to Buyer and Seller a report which sets forth its resolution of the disputed items and amounts and its calculation of the Purchase Price Adjustment; *provided* that the Independent Accountant may not assign a value to any item greater than the greatest value for such item claimed by either Party or less than the smallest value for such item claimed by either Party. The decision of the Independent Accountant shall be final and binding on the Parties. The costs and expenses of the

Independent Accountant shall be allocated between the Parties based upon the percentage which the portion of the contested amount not awarded to each party bears to the amount actually contested by such party, as determined by the Independent Accountant. The Parties agree to execute, if requested by the Independent Accountant, a reasonable engagement letter, including customary indemnities in favor of the Independent Accountant. The Parties shall cooperate and shall furnish each other and, if applicable, the Independent Accountant, with such documents and other records that may be reasonably requested in connection with the preparation, review and final determination of the Closing Statement and Purchase Price Adjustment and the other matters addressed in this Section 2.6.

(iii) For purposes of this Section 2.6(c), “**Final Purchase Price Adjustment**” means the Purchase Price Adjustment:

(A) As shown in the Closing Statement delivered by Seller to Buyer pursuant to Section 2.6(c)(i), if no Objection Notice with respect thereto is timely delivered by Buyer to Seller pursuant to Section 2.6(c)(i); or

(B) If an Objection Notice is so delivered, (x) as agreed by the Parties pursuant to Section 2.6(c)(ii) or (y) in the absence of such agreement, as shown in the Independent Accountant’s report delivered pursuant to Section 2.6(c)(ii).

(iv) Within three (3) Business Days after the Final Purchase Price Adjustment has been finally determined pursuant to this Section 2.6(c):

(A) If the Final Purchase Price Adjustment is less than the Estimated Purchase Price Adjustment, Seller shall pay to Buyer an amount equal to (x) the Estimated Purchase Price Adjustment minus (y) the Final Purchase Price Adjustment; and

(B) If the Final Purchase Price Adjustment is greater than the Estimated Purchase Price Adjustment, Buyer shall pay to Seller an amount equal to (x) the Final Purchase Price Adjustment minus (y) the Estimated Purchase Price Adjustment.

Any payment required to be made by a Party pursuant to this Section 2.6(c)(iv) shall be made to the other Party by wire transfer of immediately available funds to the account designated in writing by such other Party.

Section 2.7 Proration.

(a) Buyer and Seller agree that all of the items (including any Prepayments with respect to such items) normally prorated in a sale of assets of the type contemplated by this Agreement, including those listed below, relating to the ownership and operation of the Acquired Assets (collectively, the “**Prorated Items**”), shall be prorated on a daily basis as of the Closing Date in accordance with this Section 2.7, with Seller liable to the extent such items relate to any

period prior to the Closing Date, and Buyer liable to the extent such items relate to periods on and after the Closing Date:

- (i) Personal property, real property, occupancy and water Taxes, assessments and other charges, if any, on or associated with the Acquired Assets;
- (ii) Rent, Taxes and other items payable by or to Seller under any of the Assigned Contracts or Assigned Leases;
- (iii) Any Permit, license, registration or other fees with respect to any Transferable Permit associated with the Acquired Assets;
- (iv) Sewer rents and charges for water, telephone, electricity and other utilities; and
- (v) Revenues associated with the Environmental Attributes set forth in Schedule 2.1(i).

(b) At least five (5) Business Days prior to the Closing Date, Seller will deliver to Buyer a worksheet setting forth in reasonable detail (i) Seller's good faith reasonable estimate of the Prorated Amount for each Prorated Item (with respect to each Prorated Item, the "**Estimated Prorated Amount**"), together with reasonable supporting material regarding such estimate, and (ii) the calculation of the net amount of the Estimated Prorated Amounts (the "**Estimated Proration Adjustment Amount**"). In the event that, with respect to any Prorated Item, actual figures are not available as of the time of the calculation of the Estimated Prorated Amount, the Estimated Prorated Amount for such Prorated Item shall be a good faith reasonable estimate based upon the actual fee, cost or amount of the Prorated Item for the most recent preceding year (or appropriate period) for which an actual fee, cost or amount paid is available. In calculating the Closing Purchase Price pursuant to Section 2.5, the Base Purchase Price will be adjusted appropriately to reflect the Estimated Proration Adjustment Amount.

(c) When the actual Prorated Amount with respect to any Prorated Item (the "**Actual Prorated Amount**") becomes available to either Party, it shall promptly (and in any event within ninety (90) days following Closing) notify the other Party of such Prorated Item and Actual Prorated Amount, together with reasonable detail and supporting material regarding the computation thereof. For any Prorated Item with respect to which the Estimated Prorated Amount is not equal to the Actual Prorated Amount, upon the request of either Seller or Buyer, made within thirty (30) days of the date when such Actual Prorated Amount became available to such Party (or such Party received notice of such Actual Prorated Amount from the other Party, as applicable), the Parties shall agree on an adjustment to account for the difference between the Estimated Prorated Amount and the Actual Prorated Amount for such Prorated Item. All disputes between Seller and Buyer respecting any such requested adjustments that are not resolved by mutual agreement within sixty (60) days following the end of the foregoing ninety (90) day notice period shall be referred by the Parties to the Independent Accountant, who shall resolve such disputes and determine such final adjustment substantially in accordance with the procedures set forth in Section 2.6(c)(ii), applied *mutatis mutandis*. Any adjustment payment to be made by Buyer or Seller, as applicable, to the other Party pursuant to this Section 2.7(c) shall

be paid within ten (10) days following the Parties' agreement (or the Independent Accountant's determination) with respect thereto by wire transfer of immediately available funds to the account designated in writing by such other Party. The Parties agree to cooperate and furnish each other with such documents and other records that may be reasonably requested in order to confirm all adjustment and proration calculations made pursuant to this Section 2.7.

Section 2.8 Allocation of Purchase Price.

(a) Buyer and Seller shall use their good faith commercially reasonable efforts to agree upon an allocation among the Acquired Assets of the sum of the Purchase Price and the Assumed Liabilities consistent with Section 1060 of the Code and the Treasury Regulations thereunder prior to or within a reasonable time after the Closing Date (or any mutually agreed extension thereof). Each of Buyer and Seller agrees to file Internal Revenue Service Form 8594 and all federal, state, local and foreign Tax Returns, and to report the transactions contemplated by this Agreement and the Related Agreements for federal income Tax and all other Tax purposes, in a manner consistent with the allocation determined pursuant to this Section 2.8 (as revised to take into account subsequent adjustments to the Purchase Price, including adjustments to the Purchase Price pursuant to Section 2.6 and Section 2.7 and any indemnification payment treated as an adjustment to the Purchase Price pursuant to Section 7.6, as mutually agreed upon by the Parties and in accordance with the provisions of the Code and the Treasury Regulations thereunder). Notwithstanding the foregoing, in the event Buyer and Seller cannot agree as to the allocation, each party shall be entitled to take its own position in any Tax Return, Tax proceeding or audit, provided that such position is reasonable and consistent with the general principles of Section 1060 of the Code and the Treasury Regulations thereunder. Each of Buyer and Seller agrees to provide the other promptly with any other information required to complete Form 8594. Each of Buyer and Seller shall notify and provide the other with reasonable assistance in the event of an examination, audit or other proceeding regarding the agreed upon allocation of the Purchase Price.

(b) In compliance with the Settlement Agreement's requirement to fairly allocate among individual assets the sale price of any assets that are sold as a group, the Parties acknowledge and agree that the portion of the Purchase Price allocable to each Facility is as set forth on Schedule 2.8(b).

Section 2.9 Closing. Subject to the terms and conditions of this Agreement, the closing of the transactions contemplated by this Agreement (the "**Closing**") shall take place at the offices of Seller, 780 N. Commercial Street, Manchester, New Hampshire 03105-0330, beginning at 10:00 a.m. local time, on the third (3rd) Business Day following the date on which all of the conditions set forth in Article VI have either been satisfied or expressly waived by the Party for whose benefit such condition exists (other than conditions which, by their nature, are to be satisfied at Closing, but subject to the satisfaction or waiver of those conditions), or at such other time, date or place as the Parties may mutually agree. (a) Schedule 3.21(a) sets forth for each Facility its (i) Capacity Supply Obligations and Qualified Capacity with respect to the Facility as established by ISO-NE for each Capacity Commitment Period associated with any of Forward Capacity Auctions #8, #9, #10, and #11, in each case after accounting for any reconfiguration auctions, bilateral transactions, or other adjustments; (ii) all information with respect to any de-list bids submitted to ISO-NE with respect to the Facility in connection with any Forward Capacity Auctions for which Capacity Supply Obligations have not yet been awarded; and (iii) for each Capacity Commitment Period associated with any of Forward Capacity Auctions #7, #8, #9, #10, and #11 the summer and winter Seasonal Claimed Capabilities and Capacity Network Resource Capabilities of the Facility as formally recognized or determined by ISO-NE and the instrument used to identify Capacity Network Resource Capability. For purposes of this Section 3.21(a), capitalized terms used in this subsection but not defined in this Agreement have the meaning given them in the ISO-NE Tariff.

(b) Except as set forth on Schedule 3.21(b), the capacity allocated to any Capacity Supply Obligations and any revenues expected from ISO-NE therefrom have not been pledged, encumbered or committed by Seller, except for any pledge, encumbrance or commitment that will be released at or prior to Closing.

(c) Except as set forth on Schedule 3.21(c), Seller has not received written notice or, to Seller's Knowledge, other notice, from ISO-NE of a Qualified Capacity Reduction.

(d) Schedule 3.21(d) sets forth for each Facility the obligations undertaken with respect to ISO-NE's 2017-18 Winter Reliability Program and the anticipated revenue from such undertaking, as reflected by any notifications, awards or orders from ISO-NE or FERC regarding the nature of such obligations or any anticipated revenue therefrom. Seller has received no written notice or, to Seller's Knowledge, other notice, from ISO-NE determining that any revenue set forth on Schedule 3.21(d) will be reduced, except as according to the rules of Appendix K of Section III of the ISO New England Transmission, Markets and Services Tariff, including its Performance Adjustment.

Section 3.22 Exclusive Representations and Warranties. It is the explicit intent of each Party hereto that Seller is not making any representation or warranty whatsoever, express or implied, respecting the Business, the Acquired Assets, the Assumed Liabilities or the transactions contemplated by this Agreement and the Related Agreements, except those representations and warranties expressly set forth in this Article III, the Related Agreements or under any certificates delivered by Seller in connection with the Closing.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer represents and warrants to Seller that the statements contained in this Article IV are true and correct as of the Effective Date.

Section 4.1 Organization and Existence. Buyer is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Delaware. Buyer is duly qualified or authorized to do business in each other jurisdiction where the actions to be performed hereunder make such qualification or authorization necessary.

Section 4.2 Authority and Enforceability. Buyer has the limited liability company power and authority to execute and deliver this Agreement and the Related Agreements to which it is a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. All limited liability company actions or proceedings to be taken by or on the part of Buyer to authorize and permit the due execution and valid delivery by Buyer of this Agreement and the Related Agreements to which it is a party, the performance by Buyer of its obligations hereunder and thereunder, and the consummation by Buyer of the transactions contemplated hereby and thereby have been duly and properly taken. This Agreement has been duly executed and delivered by Buyer and, assuming the due authorization, execution and delivery by Seller, constitutes the valid and legally binding obligation of Buyer, enforceable against Buyer in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar Laws relating to creditors' rights generally and general principles of equity, whether such enforceability is considered in a proceeding in equity or at law. When each Related Agreement to which Buyer is a party has been duly executed and delivered by Buyer, assuming the due authorization, execution and delivery by each other party thereto, such Related Agreement will constitute the valid and legally binding obligation of Buyer, enforceable against Buyer in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar Laws relating to creditors'

rights generally and general principles of equity, whether such enforceability is considered in a proceeding in equity or at law.

Section 4.3 Noncontravention. The execution and delivery by Buyer of this Agreement and the Related Agreements to which it is or will be a party do not and will not, the performance by Buyer of its obligations hereunder and thereunder will not, and the consummation of the transactions contemplated hereby and thereby will not:

(a) Conflict with or result in a violation or breach of any of the terms, conditions or provisions of the Organizational Documents of Buyer;

(b) Conflict with, result in a breach of, constitute a default under, result in the acceleration of, or create in any Person the right to accelerate, terminate, modify, revoke, suspend or cancel (with or without giving of notice, the lapse of time or both), any Contract to which Buyer is bound or to which any of its assets is subject, except as would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on Buyer's ability to perform its obligations hereunder; or

(c) Assuming all of the Consents of the Governmental Authorities set forth on Schedule 4.3(c) (the "**Buyer Required Consents**") have been obtained in form and substance reasonably satisfactory to Buyer, (i) conflict with or result in a violation or breach of any Law, Order or Permit to which Buyer or any of its assets is subject, or (ii) require the Consent of any Governmental Authority under any applicable Law; except, in the case of each of clauses (i) and (ii), as would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on Buyer's ability to perform its obligations hereunder.

Section 4.4 Legal Proceedings. Buyer has not been served with notice of any Claim and no Claim is pending or, to Buyer's knowledge, threatened, against Buyer (a) that seeks an Order restraining, enjoining or otherwise prohibiting or making illegal any of the transactions contemplated hereby or (b) that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on Buyer's ability to perform its obligations hereunder. Buyer is not bound by any Order that prohibits the consummation of the transactions contemplated by this Agreement or that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on Buyer's ability to perform its obligations hereunder.

Section 4.5 Compliance with Laws. Buyer is not in violation of any Law applicable to Buyer or its assets the effect of which, individually or in the aggregate, would reasonably be expected to have a material adverse effect on Buyer's ability to perform its obligations hereunder.

Section 4.6 Brokers. Except for the fees and expenses of Guggenheim Securities, LLC, for which Buyer is solely responsible, neither Buyer nor any of its Affiliates has any Liability to pay fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement for which Seller or its Affiliates could become liable or obligated.

Section 4.7 Availability of Funds. Buyer has, and at the Closing will have, (a) cash on hand or other sources of immediately available funds in amounts sufficient to pay the full amount of the Purchase Price as well as any related fees, costs and expenses incurred by Buyer in connection with the transactions contemplated hereby, and (b) the resources and capabilities

(financial or otherwise) to perform its obligations (including the Assumed Liabilities) under this Agreement and any Related Agreements. Buyer acknowledges and agrees that, notwithstanding anything to the contrary contained herein, its obligation to consummate the transactions contemplated hereby is not subject to Buyer or any of its Affiliates obtaining any financing, or to any other contingency or condition respecting financing or availability of funds.

Section 4.8 Qualified Buyer. Buyer is qualified to obtain any Permits necessary for Buyer to own and operate the Acquired Assets as of the Closing, to the extent such operation is either required by any Related Agreement or this Agreement, or is contemplated by Buyer.

Section 4.9 Governmental Approvals. As of the Effective Date, neither Buyer nor any of its Affiliates is a party to any Contract respecting the construction, development, acquisition, ownership or operation of any power facility or related asset that would reasonably be expected to cause a delay in any Governmental Authority's granting of a Buyer Required Consent or Seller Required Consent, and neither Buyer nor any of its Affiliates has any plans or has engaged in any discussions to enter into any such Contract prior to the Closing Date.

Section 4.10 WARN Act. Buyer does not intend, with respect to the Acquired Assets or Transferred Employees, to engage in a "plant closing" or "mass layoff," as such terms are defined in the WARN Act, within sixty (60) days after the Closing Date.

Section 4.11 Independent Investigation. Buyer is a sophisticated Person, knowledgeable about the industry in which Seller operates, experienced in investments in such businesses, and able to bear the economic risks associated with the transactions contemplated by this Agreement and the Related Agreements. Buyer has such knowledge and experience as to be aware of the risks and uncertainties inherent in the acquisition of the Acquired Assets, the assumption of the Assumed Liabilities, and the rights and obligations of the type contemplated in this Agreement. Buyer has conducted to its satisfaction, independently and without reliance on Seller or its Representatives (except to the extent that Buyer has relied on the representations and warranties of Seller set forth in Article III hereof), its own investigation, review and analysis of the Facilities, the Acquired Assets and the Assumed Liabilities, and based on such investigation, review and analysis, has formed an independent judgment concerning the assets, Liabilities, condition, operations and prospects of the Acquired Assets and the ownership and operation thereof. In making its decision to execute this Agreement and the Related Agreements and to enter into the transactions contemplated hereby and thereby, Buyer has relied and will rely solely upon the results of such independent investigation, review and analysis and the terms and conditions of this Agreement and the Related Agreements. Buyer acknowledges that it has had reasonable and sufficient access to the Facilities, the Acquired Assets and documents and other information and materials in connection therewith, that all documents and other information and materials requested by Buyer have been provided to Buyer to its satisfaction, and that it and its Representatives have had the opportunity to meet with the personnel and Representatives of Seller to discuss and ask questions concerning the foregoing.

Section 4.12 Disclaimer Regarding Projections. Buyer may be in possession of certain plans, projections and other forecasts regarding the Acquired Assets and the Assumed Liabilities, including estimates, budgets of future revenues, expenses or expenditures, projections of future results of operations (or any component thereof), future cash flows (or any component thereof)

or future financial condition (or any component thereof). Buyer acknowledges that there are substantial uncertainties inherent in attempting to make such plans, projections and other forecasts, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own independent evaluation of the adequacy and accuracy of all plans, projections and other forecasts so furnished to it, and that Buyer shall have no claim against Seller, its Affiliates or their respective Representatives with respect thereto. Accordingly, Buyer acknowledges that without limiting the generality of this Section 4.12, neither Seller nor any of its Affiliates has made any representation or warranty with respect to such plans, projections or other forecasts.

ARTICLE V COVENANTS

Section 5.1 Closing Conditions. From the Effective Date until the Closing (the “**Interim Period**”), subject to the terms and conditions of this Agreement, each Party shall use its commercially reasonable efforts to take such actions as are necessary, proper or advisable in order to expeditiously consummate and make effective the transactions contemplated by this Agreement and the Related Agreements (including satisfaction, but not waiver, of those closing conditions set forth in Article VI).

Section 5.2 Notices, Consents; Approvals and Related Agreements. During the Interim Period:

(a) Subject to Section 5.2(c), during the Interim Period, each Party will and will cause its respective applicable Affiliates to, in order to consummate the transactions contemplated by this Agreement and the Related Agreements, provide reasonable cooperation to the other Party, and proceed diligently and in good faith and use all commercially reasonable efforts, as promptly as practicable, to (i) obtain the Buyer Required Consents and the Seller Required Consents, (ii) make all required filings with, and give all required notices to, the applicable Governmental Authorities or other Persons required to consummate the transactions contemplated by this Agreement and the Related Agreements, and (iii) cooperate in good faith with the applicable Governmental Authorities or other Persons and promptly provide such other information and communications to such Governmental Authorities or other Persons as such Governmental Authorities or other Persons may reasonably request in connection with the foregoing. The Parties will provide prompt notification to each other when any such Consent referred to in this Section 5.2(a) is obtained, taken, made, given or denied, as applicable, and will, subject to Section 5.2(b), promptly advise each other of any material communications (in oral or written form) with any Governmental Authority or other Person regarding any of the transactions contemplated under this Agreement or the Related Agreements. Each Party will pay any fees and expenses associated with obtaining any Consent from a Governmental Authority as may be imposed by applicable Law, provided that if applicable Law does not impose the fees or expenses on a Party, the Parties shall equally share the cost of such fees or expenses.

(b) In furtherance of the covenants set forth in Section 5.2(a):

(i) As soon as practicable following the Effective Date, Buyer and Seller shall prepare all necessary filings in connection with the transactions contemplated

by this Agreement and the Related Agreements that may be required to be filed by such Party with applicable Governmental Authorities or under any applicable Laws. Such filings shall be submitted as soon as practicable following the Effective Date, but in no event later than thirty (30) days thereafter (subject to extension by mutual written agreement). The Parties shall (A) request expedited treatment of any such filings (where applicable), (B) subject to applicable Law and the instructions of any Governmental Authority, keep each other apprised of the status of matters relating to such filings, including by promptly furnishing each other with copies of any notices, correspondence or other written communication from the relevant Governmental Authority, (C) promptly make any appropriate or necessary subsequent or supplemental filings, submissions or responses to any Governmental Authority, and (D) cooperate in the preparation of such filings, submissions or responses as is reasonably necessary and appropriate, including by making available to the other Party such information as the other Party may reasonably request in order to complete such filings or respond to information requests by any Governmental Authority. Prior to making any material filing, submission, response or other communication to any Governmental Authority (or members of their respective staffs) in oral or written form, each Party will permit the other Party (or its counsel) a reasonable opportunity to review and provide comments on such proposed filing, submission, response or other communication, and will consult with and consider in good faith the views of the other Party in connection therewith. Each Party will consult with the other Party in advance of any material meeting or conference (in person or by telephone) with any such Governmental Authority, and to the extent not prohibited by Law or such Governmental Authority, give the other Party the opportunity to attend and to participate in such meetings and conferences. Notwithstanding the foregoing, neither Buyer nor Seller shall be obligated to share any information, filing, submission or response with the other Party if a Governmental Authority objects to the sharing of such information, filing, submission or response or if prohibited by applicable Law.

(ii) The Parties shall not, and shall cause their respective Affiliates not to, take any action that would reasonably be expected to materially adversely affect or delay the Consent of any Governmental Authority with respect to any of the filings referred to in Section 5.2(a) or with respect to the divestiture of the Hydro Business.

(iii) Except as set forth in Section 9.1 or as otherwise set forth in this Section 5.2, each Party shall bear its own fees, costs and all other expenses (including filing fees, transfer fees, legal fees and other filing preparation costs) associated with any Consents or other actions contemplated by this Section 5.2 in connection with or otherwise related to the transactions contemplated by this Agreement and the Related Agreements.

(c) In addition to the covenants set forth in Section 5.2(a) and Section 5.2(b), Buyer shall undertake promptly any and all actions required to complete lawfully the transactions contemplated by this Agreement and the Related Agreements prior to the Outside Date, including by (i) responding to and complying with, as promptly as reasonably practicable, any request for information or documentary material regarding such transactions from any relevant Governmental Authority (including responding to any “second request” for additional information or documentary material under the HSR Act as promptly as reasonably practicable),

(ii) causing the prompt expiration or termination (including requesting early termination and/or approvals thereof) of any applicable waiting period and clearance or approval by any relevant Governmental Authority, including defense against, and the resolution of, any objections or challenges, in court or otherwise, by any relevant Governmental Authority or other Person preventing consummation of such transactions, and (iii) making any necessary post-Closing filing or proffering and consenting to an Order providing for the sale or other disposition, or the holding separate, of particular assets, categories of assets or lines of business, including the Acquired Assets or any other assets or lines of business of Buyer or any of its Affiliates, in order to mitigate or otherwise remedy any requirements of, or concerns of, any Governmental Authority, or proffering and consenting to any other restriction, prohibition or limitation on any of the Acquired Assets, or on Buyer or any of Buyer's Affiliates or any of their respective assets, in order to mitigate or remedy such requirements or concerns. The entry by any Governmental Authority in any legal proceeding of an Order permitting the consummation of the transactions contemplated by this Agreement and/or any of the Related Agreements but which is subject to certain conditions or requires Buyer or any of its Affiliates to take any action, including any restructuring of the Acquired Assets or lines of business of Buyer or any of its Affiliates or any changes to the existing business of Buyer or any of its Affiliates, shall not be deemed a failure to satisfy the conditions specified in Article VI. For the avoidance of doubt, Buyer shall not take any action with respect to its obligations under this Section 5.2(c) which would bind Seller or any of its Affiliates irrespective of whether the transactions contemplated hereby occur. Notwithstanding anything to the contrary in this Agreement, neither Buyer nor any of its Affiliates will have any obligation to (x) accept any material condition or requirement of any Consent that is not already imposed on Seller, (y) divest itself of any assets, whether tangible or intangible, or any portion of any of its or its Affiliates businesses in order to obtain any Consent required in connection with the transactions contemplated by this Agreement or any Related Agreement, or (z) take or refrain from taking any action that could result in a Material Adverse Effect.

(d) Buyer further agrees that neither it nor any of its Affiliates shall, prior to Closing, enter into any other Contract to acquire or market or control the output of, nor acquire or market or control the output of, electric generating facilities or uncommitted generation capacity in the ISO-NE market if the proposed acquisition or ability to market or control output of such additional electric generating facilities or uncommitted generation capacity in such market could reasonably be expected to increase the market power attributable to Buyer and its Affiliates in such market in a manner materially adverse to approval of the transactions contemplated by this Agreement and the Related Agreements or that would reasonably be expected to prevent or otherwise materially interfere with, or materially delay the consummation of the transactions contemplated hereby and thereby.

(e) During the Interim Period, Buyer and Seller shall cooperate and use their commercially reasonable efforts to secure the transfer or reissuance of the Transferable Permits to Buyer (including obtaining any necessary Consents thereto), or the substitution of Buyer for Seller where appropriate on pending applications for such Transferable Permits or renewals thereof, effective as of the Closing Date. If the Parties are unable to secure the transfer, reissuance or substitution respecting one or more Transferable Permits effective as of the Closing Date, Seller shall continue to reasonably cooperate with Buyer's efforts to secure such transfer, reissuance or substitution following the Closing Date. Each Party agrees that it will accept the

terms of all Transferable Permits as existing on the Effective Date relating to the operation of the Acquired Assets, and that it will not seek to amend any of such terms in connection with filings with Governmental Authorities relating to the transactions contemplated by this Agreement and the Related Agreements, other than as necessary to effect the transfer or reissuance thereof to Buyer. In addition, with respect to any Transferable Permits for which the date for renewal will have passed by the Closing Date, Seller and Buyer shall cooperate to file by the Closing Date all applications with Governmental Authorities necessary to renew such Transferable Permits in a timely fashion without any material modifications to the terms thereof, except by agreement of the Parties, as may be required by applicable Law or to effect the renewal of such Permit in the name of Buyer. Nothing in this Section 5.2(e), however, shall prohibit Buyer or Seller from appealing the terms of any Permit that is issued or renewed following the Effective Date, with respect to which the Parties shall cooperate in good faith.

(f) Promptly after the Effective Date and during the Interim Period, Buyer and Seller will in good faith negotiate the terms and conditions of the Related Agreements to implement the transactions contemplated by this Agreement with the intention that the forms are each in final form on or before the sixtieth (60th) day after the Effective Date; *provided, however*, that the final Easement and Easement Plan for the White Lake Site shall be finalized as soon as reasonably practicable in light of the subdivision of the White Lake Site currently in progress, but in all events prior to the Closing Date; and *provided further*, the Interconnection Agreements and related arrangements will satisfy all reasonable requirements of Buyer for purposes of supplying energy, capacity and ancillary services to the ISO-NE market without incurring any local network service charges for transmission, except as set forth in Schedule 3.7(b-1), and without the need for modifications to the transmission system unless, in each case, expressly approved in writing by Buyer.

Section 5.3 Assigned Contracts; Other Interim Covenants.

(a) During the Interim Period, Buyer and Seller shall use commercially reasonable efforts to obtain all required Consents to the assignment to Buyer of the Assigned Contracts from the applicable counterparties thereto (each, a “**Counterparty**”), effective as of the Closing Date, in accordance with the following:

(i) Seller shall have primary responsibility for obtaining all necessary Consents to the assignment of Material Contracts, *provided* that Buyer shall cooperate with Seller’s efforts in this regard and shall use commercially reasonable efforts to assist Seller when so requested by Seller. Seller shall have primary responsibility for obtaining all necessary Consents to the assignment of Other Assigned Contracts, and in furtherance thereof, to the maximum extent permitted by Law and each applicable Other Assigned Contract, Seller appoints Buyer as Seller’s agent to obtain all required Consents of any Counterparty to each of the Other Assigned Contracts for the assignment thereof to Buyer effective as of the Closing Date, which Seller shall pursue, using commercially reasonable efforts, in accordance with a mutually agreed protocol and form letters to be sent to such Counterparties.

(ii) To the extent that any Assigned Contract relates to assets or services that are both used in the operations of one or more Facilities and used by Seller in

EXECUTION VERSION

its other operations, the Parties shall cooperate and use commercially reasonable efforts to obtain the required Consent for any partial assignment, apportionment or other arrangement as may be necessary or practicable to permit Buyer to obtain such portion of assets or services necessary for the continued operation of such Facilities on and after the Closing Date, and to permit Seller to retain such other rights or portion of the assets or services to continue its operations on and after the Closing Date, it being understood that the portion of each such Assigned Contract relating to Buyer's continued operation of such Facilities on and after the Closing Date must be assigned to Buyer as of the Closing.

(iii) Seller shall reasonably cooperate with Buyer in providing any notices to Counterparties as may be required by the terms of any Assigned Contract or as Buyer (acting reasonably) may deem necessary or advisable, including notices providing Counterparties with updated notice information and updated bank account information to which any applicable payments should be made by such Counterparties. Buyer shall, where necessary, enter into a master agreement or similar enabling agreement with any Counterparty, on substantially the same terms as those in place on the Effective Date in a master or enabling agreement between Seller and such Counterparty, in connection with the assignment to Buyer of one or more purchase orders or similar Contracts subject to such master agreement or enabling agreement with Seller.

(iv) For the avoidance of doubt, it is specifically acknowledged and agreed by the Parties that neither Party shall be obligated to incur, pay, reimburse or provide or cause any of their respective Affiliates to incur, pay, reimburse or provide, any liability, compensation, consideration or charge to obtain the Consent of any Counterparty to the assignment of any Assigned Contract, unless any such liability, compensation, consideration or charge is expressly contemplated by any such Assigned Contract, in which case Seller shall incur the liability or make any such payment or charge.

(v) To the extent that Seller's rights under any Contract included as an Acquired Asset may not be assigned without the Consent of another Person, and such Consent has not been obtained by the Closing, this Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof or be unlawful or ineffective (or would otherwise impair Buyer's rights and obligations thereunder), and such Contract shall not be so assigned at the Closing (such non-assigned Contracts, the "**Non-Assigned Contracts**"). Seller and Buyer shall continue to comply with their obligations under this Section 5.3(a) to the extent and for so long as the applicable Non-Assigned Contract shall not have been assigned to Buyer (and Seller, to the maximum extent permitted by Law and such Non-Assigned Contract, shall appoint Buyer to be Seller's agent with respect to such Non-Assigned Contract for the purpose of obtaining an assignment thereof to Buyer); *provided* that neither Seller nor Buyer shall have any obligation to offer or pay any consideration in order to obtain any such Consent to assignment; *provided, further*, that Buyer and Seller shall use their commercially reasonable efforts, to the maximum extent permitted by Law and such Non-Assigned Contract, to enter into one or more back-to-back Contracts, or such other reasonable arrangements, that would place Buyer in the same or a substantially similar position and provide Buyer the same or substantially similar rights, privileges, liabilities, benefits and

obligations, in each case, as if such Non-Assigned Contract had been assigned to Buyer as of the Closing.

(b) During the Interim Period, Buyer and Seller shall use commercially reasonable efforts to obtain all required Consents to the assignment to Buyer of any warranty described in Section 2.1(c), effective as of the Closing Date. To the extent that Seller's rights under any such warranty may not be assigned without the Consent of another Person, and such Consent has not been obtained by the Closing, this Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof or be unlawful or ineffective (or would otherwise impair Buyer's rights and obligations thereunder), and such warranty shall not be so assigned at the Closing. Seller and Buyer shall continue to comply with their obligations under this Section 5.3(b) to the extent and for so long as the applicable warranty shall not have been assigned to Buyer, and Seller, to the maximum extent permitted by Law and such warranty, shall from and after the Closing, appoint Buyer to be Seller's agent for the purpose of enforcing such warranty so as to the maximum extent possible to provide Buyer with the rights and obligations of such warranty. Notwithstanding the foregoing, Seller shall not be obligated to bring or file suit against any Third Party; *provided* that if Seller shall determine not to bring or file suit after being requested by Buyer to do so, Seller shall, to the maximum extent permitted by Law or any applicable Contract, enter into such reasonable arrangements with Buyer so that Buyer may bring or file such suit with respect to the rights of Seller.

(c) In connection with Seller's assignment to Buyer of the Trust Agreement, dated as of April 7, 2017, between Seller and The Bank of New York Mellon, as trustee, respecting the coal ash landfill located at Merrimack Station (the "**Merrimack Landfill Trust**"), Buyer shall, in conjunction with Seller's written notice of assignment to be provided to such trustee in accordance therewith, promptly satisfy the information and documentation requirements set forth in Section 15 of the letter agreement between Seller and such trustee, also dated April 7, 2017, executed in connection with such Trust Agreement.

(d) The Parties will cooperate in good faith from and after the Closing if any Acquired Asset requires Buyer to provide credit support in any form for the benefit of a Third Party, and to further release Seller from any credit support provided in connection with any Acquired Asset.

(e) To the extent that Seller's rights under any Contract included as an Acquired Asset may not be assigned without the Consent of another Person, and such Consent has not been obtained by the Closing, this Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof or be unlawful or ineffective (or would otherwise impair Buyer's rights and obligations thereunder), and such Contract shall not be so assigned at the Closing. To the extent Buyer elects to proceed to Closing without obtaining Consent regarding any Non-Assigned Contracts, Buyer will not be deemed to have waived any such requirement for Consent and Seller will take all commercially reasonable actions requested by Buyer to obtain such Consent after the Closing or to otherwise transfer to Buyer the benefit of such Non-Assigned Contract. If any such Consent shall not be obtained or if any attempted assignment would be ineffective or would impair Buyer's rights under the Non-Assigned Contract in question so that Buyer would not in effect acquire the benefit of all such rights, Seller, to the maximum extent permitted by Law and the Non-Assigned

Contract, shall act after the Closing as Buyer's agent in order to obtain for it the benefits thereunder and shall cooperate, to the maximum extent permitted by Law and the Non-Assigned Contract, with Buyer in any other reasonable arrangement designed to provide such benefits to Buyer. In addition to the foregoing, to the extent any Material Contract that is currently used in both the Hydro Business and the Business is not assigned to Buyer at the Closing and is assigned to any purchaser of all or any portion of the Hydro Business, Seller will obtain such benefits with the same counterparty for Buyer at the same costs as set forth in any such Contract.

Section 5.4 Access of Buyer and Seller.

(a) During the Interim Period, Seller will provide Buyer and its Representatives with reasonable access, upon reasonable prior notice and during normal business hours, to the Facilities, the Scheduled Employees and all information related to the Acquired Assets, the Scheduled Employees and the Assumed Liabilities in possession of Seller and its Affiliates (including, subject to the receipt of any required Consents and in accordance with applicable Law, such information and records respecting the Scheduled Employees as Buyer reasonably deems necessary to comply with its obligations under this Agreement), and to the Representatives of Seller who have significant responsibility with respect thereto, in each case, as reasonably requested by Buyer in connection with the consummation of the transactions contemplated by this Agreement, but only to the extent that such access does not unreasonably interfere with the operation of the Facilities or the other business or operations of Seller or its Affiliates, and subject to compliance with applicable Laws and Permits; *provided*, that Seller shall have the right to have its Representatives present for any communication with the Scheduled Employees, or any other employees or officers of Seller or its Affiliates, and to impose reasonable restrictions and requirements for safety purposes. In connection with and subject to the limitations set forth in the foregoing, during the Interim Period, (i) Seller shall permit Buyer and its Representatives to make such reasonable inspections of the Sites as Buyer may reasonably request (and Buyer shall be entitled, at its expense, to have the Sites surveyed and to conduct non-invasive physical inspections thereof), and (ii) Buyer shall be entitled to perform Phase I environmental studies or environmental site assessments of the Acquired Assets at Buyer's cost and upon notice to and in cooperation with Seller, utilizing an environmental firm reasonably acceptable to Buyer and Seller to update any or all of the existing Phase I environmental assessments posted to the Data Site, with Buyer and Seller as the identified users of the updated Phase I environmental assessments, and Buyer shall promptly furnish Seller with a copy of any such updates; *provided, however*, that during the Interim Period Buyer shall not be entitled to perform any Phase II environmental site assessments or invasive environmental studies. Seller shall furnish Buyer with a copy of each material report, schedule or other document filed or received by Seller or its Affiliates with or from a Governmental Authority with respect to the Acquired Assets during the Interim Period. During the Interim Period and following Closing, with respect to Environmental Liabilities that constitute Excluded Environmental Liabilities, Seller agrees to provide to Buyer draft copies of all plans, studies and reports prepared after the Effective Date in connection with any site investigation or Remediation related to the Acquired Assets (including with regard to its obligations under Section 2.4(i)(A) and Section 2.4(i)(B)) and, during the Interim Period, Seller further agrees to provide to Buyer draft copies of any Environmental Permit renewal or modification applications related to the Acquired Assets, in each case prior to their submission to the Governmental Authority with jurisdiction under Environmental Laws. Further, Buyer shall have the right,

without the obligation, to attend all meetings between Seller, its Representatives, and such Governmental Authorities with respect to matters that constitute Excluded Environmental Liabilities or are related to Environmental Permit renewals or modifications. Notwithstanding the foregoing, and without limiting the generality of the confidentiality provisions set forth in this Agreement, the Confidentiality Agreements or any Related Agreement, Seller shall not be required to provide any information or access to any Facilities (A) which Seller reasonably believes it is prohibited from providing to Buyer by reason of any applicable Law or Permit, (B) which, if provided to Buyer, could constitute a waiver by Seller of the attorney-client privilege in respect of such information, (C) which Seller is required to keep confidential or prevent access to by reason of a Contract with a Third Party, or (D) relating to any potential sale of the Acquired Assets, or any other generating facilities of Seller, to any other Person; *provided, however*, that the Parties will, to the extent legally permissible, reasonably necessary and practicable, use commercially reasonable efforts to make appropriate substitute disclosure arrangements, or seek appropriate waivers or consents, under circumstances in which the foregoing restrictions of this sentence apply.

(b) During the Interim Period, upon reasonable prior request of Buyer and at Buyer's sole cost and expense, Seller will permit designated employees or Representatives of Buyer ("**Buyer's Observers**") to observe all operations of Seller related to the Facilities, with such observation permitted on a cooperative basis in the presence of personnel of Seller during normal daytime business hours of Seller; *provided, however*, that Buyer's Observers shall not unreasonably interfere with the operation of the Facilities by Seller or the other business or operations of Seller or its Affiliates.

(c) Buyer shall not be permitted during the Interim Period to contact any of Seller's vendors, customers or suppliers, or any Governmental Authorities (except, in accordance with Section 5.2 or Section 5.3, in connection with Consents to be obtained in connection with this Agreement or any Related Agreement), regarding the operations or regulatory status of Seller or with respect to the transactions contemplated under this Agreement or the Related Agreements without receiving prior written authorization from Seller (not to be unreasonably withheld, conditioned or delayed); *provided*, that nothing in this Section 5.4(c) shall be construed to restrict Buyer or its Affiliates from contacting any Person to the extent the subject of such communications is not related to this Agreement or any Related Agreement, or the transactions contemplated hereby or thereby.

(d) Buyer agrees to indemnify and hold harmless Seller, its Affiliates and their Representatives for any and all Losses incurred by Seller, its Affiliates or their Representatives arising out of any exercise of the access rights under this Section 5.4, including any Claims by any of Buyer's Representatives for any injuries or property damage while present at the Facilities, except in cases of Seller's or its Representatives' willful misconduct.

(e) On or as soon as reasonably practicable after the Closing Date (but in no event more than twenty (20) days thereafter), Seller shall deliver to Buyer all the Transferred Books and Records (to the extent not already located at the Facilities or otherwise Made Available to Buyer on or prior to the Closing), except as prohibited by applicable Law.

(f) Following the Closing, Seller shall be entitled to retain copies (at Seller's sole cost and expense) of all books and records relating to its ownership or operation of the Acquired Assets and the Assumed Liabilities.

(g) After the Closing, Buyer will, and will cause its Representatives to, provide Seller and its Affiliates, including their respective Representatives, reasonable access to or copies of all books, records, files and documents to the extent they are related to the Acquired Assets or the Assumed Liabilities, and to periods ending prior to the Closing Date in order to permit Seller and its Affiliates and their respective Representatives to prepare and file their Tax Returns and to prepare for and participate in any investigation with respect thereto, to prepare for and participate in any other investigation and defend any Claims relating to or involving Seller or its Affiliates, to discharge its obligations under this Agreement, to comply with financial reporting requirements, and for other reasonable purposes, and will afford Seller and its Affiliates reasonable assistance in connection therewith at no cost to Seller. Buyer will cause such records to be maintained for not less than seven (7) years from the Closing Date and will not dispose of such records without first offering in writing to deliver them to Seller; *provided, however*, that in the event that Buyer transfers all or a portion of the Acquired Assets or the Assumed Liabilities to any Third Person during such period, Buyer may transfer to such Third Person all or a portion of the books, records, files and documents related thereto, *provided* such transferee expressly assumes in writing the obligations of Buyer under this Section 5.4(g).

(h) On and after the Closing Date, (i) at the request of either Party, the other Party shall make available to such requesting Party, its Affiliates and their respective Representatives, those employees of the non-requesting Party or its Affiliates requested by such requesting Party in connection with any Claim, including to provide testimony, to be deposed, to act as witnesses and to assist counsel, and (ii) at the reasonable request of Seller, Seller shall have reasonable access to the Transferred Employees for a period of seven (7) years following the Closing Date, for purposes of consultation or otherwise, to the extent that such access may reasonably be required by Seller in connection with matters relating to or affected by the operations of Seller prior to the Closing; *provided, however*, that, in each case, (x) such access to such employees shall not unreasonably interfere with the normal conduct of the operations of the non-requesting Party, (y) the requesting Party shall pay and reimburse the non-requesting Party for the out-of-pocket costs reasonably incurred by the non-requesting Party in making such employees available, and (z) such assistance shall be provided insofar as the same may be provided without violating any Law or Permit, or waiving any attorney-client privilege, as determined in the reasonable opinion of counsel to the non-requesting Party.

Section 5.5 Conduct of Business Pending the Closing. During the Interim Period, Seller will operate and maintain the Acquired Assets in the ordinary course of business consistent with Good Utility Practice, unless otherwise expressly contemplated by this Agreement or with the prior written consent of Buyer (which consent shall not be unreasonably withheld or delayed). Good Utility Practice during the Interim Period shall include, but not be limited to, the following: to the extent Seller experiences a GADS Event, Seller will cure in accordance with Good Utility Practice the cause of such GADS Event for each Facility such that it reports in GADS as available an amount of capacity equal to or greater than each Facility's applicable Capacity Supply Obligation as of the Closing Date. Without limiting the generality of the foregoing, except as otherwise expressly contemplated by this Agreement or as set forth in

Schedule 5.5, Seller shall not, without the prior written consent of the Buyer (which consent shall not be unreasonably withheld or delayed), during the Interim Period, with respect to the Acquired Assets or Assumed Liabilities:

(a) Except for Acquired Assets used at or consumed by the Facilities in the ordinary course of business consistent with Good Utility Practice, and except for sales or dispositions of obsolete or surplus assets in connection with the normal repair or replacement of assets or properties, (i) sell, lease (as lessor), license (as licensor), transfer or otherwise dispose of any of the Acquired Assets, or (ii) encumber, pledge, mortgage or suffer to be imposed on any of the Acquired Assets any Lien other than Permitted Liens;

(b) Make any material change in the levels of Inventories customarily maintained by the Seller with respect to the Acquired Assets, except for such changes that are consistent with Good Utility Practice, nor transfer, sell or otherwise acquire or dispose of any assets described in Section 2.1(c) except in the ordinary course of business consistent with past practices; *provided, however*, that Seller shall consult with Buyer with respect to the purchase of any fuel Inventory during the Interim Period, the terms of which purchase shall be subject to Buyer's prior written approval, not to be unreasonably withheld, conditioned or delayed; *provided, further*, that Seller shall consult with Buyer with respect to the purchase of any non-fuel Inventory during the Interim Period in excess of Five Hundred Thousand Dollars (\$500,000) in the aggregate, the terms of which purchase shall be subject to Buyer's prior written approval, not to be unreasonably withheld, conditioned or delayed;

(c) (i) Terminate, make any waiver under, extend, materially amend, or renew or replace any Material Contract, Assigned Lease or Transferable Permit, except in connection with transferring Seller's rights or obligations thereunder to the Buyer pursuant to this Agreement; or (ii) enter into or commit to enter into any Contract that would be a Material Contract, in each case without the prior written consent of Buyer (which consent shall not be unreasonably withheld or delayed). Except with the prior written consent of Buyer (which consent may be granted or withheld by Buyer in its sole discretion), Seller shall not enter into any Contract relating to the ownership or operation of the Acquired Assets or the operation of the Business, except for any Contract (w) entered into in the ordinary course of business that will be terminated or fully performed prior to the Closing (without assignment to, or any continuing Liability of, Buyer on or after the Closing), (x) that can be freely assigned to Buyer at the Closing and terminated by Buyer at its option at any time on or after the Closing without penalty or cancellation charge, (y) that can be freely assigned to Buyer at the Closing and that does not increase an Assumed Liability or which increases an Assumed Liability by an amount of Two Hundred Fifty Thousand Dollars (\$250,000) or less individually or One Million Dollars (\$1,000,000) or less in the aggregate with other such Contracts, or (z) as may be required or permitted pursuant to Section 5.3 or to implement another provision of this Section 5.5, so long as such Contract can be freely assigned to Buyer at the Closing; *provided that*, during the Interim Period, Schedule 2.1(e), be amended to account for any Contract permitted under this Section 5.5(c);

(d) Enter into, amend, or otherwise modify any real or personal property Tax agreement, treaty or settlement that would reasonably be expected to affect the Tax Liabilities of

Buyer or any of its Affiliates in a material manner for any taxable year or period ending after the Closing Date;

(e) Make, or enter into any commitment to make, any capital expenditures relating to the Acquired Assets, Facilities or Sites, except for those capital expenditures or commitments necessitated by Good Utility Practice and which will be paid in full prior to the Closing, *provided that* if not paid in full prior to the Closing, not more than Two Hundred Fifty Thousand Dollars (\$250,000), in the aggregate, will be payable at any time from and after the Closing;

(f) Increase the level of wages, compensation or other benefits of any Scheduled Employee, except as required pursuant to the Generation CBA or applicable Law or in accordance with Seller's ordinary course of business consistent with past practices; *provided, however,* that such increase shall not in the aggregate, together with any increases resulting from Seller's or its Affiliates' actions set forth in Section 5.5(g) below, exceed the greater of a three percent (3%) of the Scheduled Employees' wages or Two Hundred Fifty Thousand Dollars (\$250,000) annually;

(g) Terminate the employment of any Scheduled Employee except for cause, or hire any employee who would be a Scheduled Employee (other than to replace or fill vacancies), in each case, other than as consistent with past practices, without first consulting with Buyer; *provided, however,* that any such hiring shall not, in the aggregate and, together with any increases resulting from Seller's or its Affiliates' actions set forth in Section 5.5(f) above, exceed Two Hundred Fifty Thousand Dollars (\$250,000) annually; *provided further,* that, during the Interim Period, Schedule 3.12(a) shall be amended to reflect any changes in the Scheduled Employees listed thereon that are permitted under this Section 5.5(g); or

(h) Except as required by Law, agree to any amendment to or waiver of any term of the Generation CBA, or enter into any new collective bargaining agreement with respect to any Scheduled Employees.

Notwithstanding anything to the contrary herein, Seller may take commercially reasonable actions with respect to emergency situations or as required by Law as reasonably determined by Seller and without Buyer's prior written consent, so long as Seller shall promptly inform Buyer upon taking any such action.

Section 5.6 Termination of Certain Services and Contracts; Transition Matters.

(a) Notwithstanding anything in this Agreement to the contrary, at or prior to the Closing, Seller, subject to consultation with Buyer and Buyer's right to request modifications to the Schedules as set forth in Section 5.15(a), shall (i) terminate, effective upon the Closing, any services provided to any of the Facilities or with respect to the Acquired Assets by Seller, or by any Affiliate thereof under an Intercompany Arrangement, including the termination or severance of insurance policies with respect to coverage for any of the Facilities, Tax services, legal services and banking services (to include the severance of any centralized clearance accounts), other than any such services provided pursuant to the Transition Services Agreement and other than with respect to those Assigned Contracts set forth on Schedule 2.2(j) and (ii)

terminate each Contract designated by Buyer on Schedule 5.6(a), which Schedule will be finalized by the Parties acting in good faith within sixty (60) days and which does not result in a termination fee to Seller (such services or Contracts collectively, the “**Terminated Contracts**”). Within thirty (30) days of the Effective Date, Seller will provide Buyer a full and complete copy of each Contract used in connection with the operation of the Business that is not a Material Contract and is available for assumption at Closing by Buyer. Buyer will, acting reasonably and in good faith, determine which of such Contracts Buyer will assume at Closing. For avoidance of doubt, Buyer acknowledges and agrees that all insurance coverage with respect to the Acquired Assets, including those policies referred to in Section 3.9, shall be terminated as of the Closing, and that Buyer shall be solely responsible for providing insurance in respect of the Acquired Assets and for any claims made in connection with such insurance policies after the Closing but only for those claims relating to events or occurrences first occurring on and after the Closing Date.

(b) At the request of Buyer, at the Closing, Seller shall, and shall cause Eversource Services to, enter into an agreement with Buyer to provide, following Closing, those transition services respecting the Acquired Assets as, and for such periods of time, set forth on Schedule 5.6(b) (which schedule may be amended by mutual agreement of Buyer and Seller prior to Closing) at a price equal to the applicable Transition Service Cost Percentage of cost (as allocated in accordance with the same methodologies used for such allocations by Seller and its Affiliates in accordance with past practice); *provided, however*, the escalation provisions in the Transition Service Cost Percentage will be subject to negotiation and potential expansion of time periods during the Interim Period with respect to information technology services in accordance with the other terms and conditions set forth therein (the “**Transition Services Agreement**”). The Parties will agree upon any remaining terms and conditions of the Transition Services Agreement in a commercially reasonable manner as soon as practicable after the date hereof and in any event within sixty (60) days of the date hereof.

(c) Within thirty (30) days after the date hereof, Buyer shall deliver to Seller a list of its proposed representatives to a joint transition team. Seller will add its representatives to such team within ten (10) Business Days after receipt of Buyer’s list. Such team will be responsible for preparing as soon as reasonably practicable after the date hereof, and using commercially reasonable efforts to timely implement, a transition plan which will identify and describe substantially all of the various transition activities that the Parties will cause to occur before and after the Closing and any other transfer of control matters that any Party reasonably believes should be addressed in such transition plan. Buyer and Seller shall use commercially reasonable efforts to cause their representatives on such transition team to cooperate in good faith and take reasonable steps necessary to develop a mutually acceptable transition plan no later than sixty (60) days after the date of this Agreement.

Section 5.7 Seller Marks. Buyer acknowledges and agrees that as a result of the consummation of the transactions contemplated by this Agreement, it will not obtain any right, title, interest, license or other right hereunder to use any of the Seller Marks. Prior to the Closing, Seller may remove any of the Seller Marks as it determines in its sole discretion. As soon as reasonably practicable but in no event more than one hundred eighty (180) days after the Closing Date, Buyer shall remove, cover or conceal from the Facilities or the Acquired Assets all of the Seller Marks, including signage at the Facilities, and shall dispose of any unused products,

signage, materials, stationery and literature bearing the Seller Marks remaining at the Facilities following the Closing; *provided* that Buyer shall, within ten (10) Business Days after the Closing Date, remove, cover or conceal the Seller Marks appearing on signage at the primary entrances of the Facilities. Thereafter, Buyer shall not use any Seller Mark or any name or term confusingly similar to any Seller Mark in connection with the sale of any products or services, in the corporate or doing business name of any of its Affiliates or otherwise in the conduct of its or any of its Affiliates' businesses or operations. In the event that Buyer breaches this Section 5.7, Seller shall be entitled to specific performance of this Section 5.7 and to injunctive relief against further violations, as well as any other remedies at law or in equity available to Seller.

Section 5.8 Employee Matters.

(a) Settlement Agreement. The Parties acknowledge and agree that under New Hampshire Law (New Hampshire RSA 369-B:3-b) and the Settlement Agreement, Affected Employees are entitled to certain employee protections that apply in connection with the transactions contemplated hereby, including provisions requiring that Buyer undertake certain employee-related obligations as a condition to the consummation of the transactions contemplated hereby. The Parties acknowledge and agree that the covenants and agreements set forth in this Section 5.8 are intended to implement the applicable employee protection provisions and requirements set forth under New Hampshire Law and in the Settlement Agreement and shall be interpreted consistently therewith.

(b) Represented Transferred Employees.

(i) Schedule 5.8(b)(i) sets forth the total number of Represented Scheduled Employees (including all such Represented Scheduled Employees who are on inactive status due to any short-term disability, long-term disability or other approved leave) employed in each job classification at each Facility as of the Effective Date. Within twenty (20) days following the Effective Date, Buyer shall provide notice to Seller of the number of Represented Scheduled Employees by classification and Facility whom Buyer desires to hire. The Parties shall cooperate in good faith with the Union to identify, within fifteen (15) days after receipt of Buyer's notice pursuant to Section 5.8(k), in accordance with the applicable provisions of the Generation CBA and the Settlement Agreement, the particular Represented Scheduled Employees to whom Buyer shall offer employment pursuant to the terms of this Section 5.8 (the "**Selected Represented Employees**"). Within sixty (60) days following the date the Selected Represented Employees are identified, Buyer shall offer employment, commencing as of 12:01 a.m. Eastern time on the Closing Date, to all such Selected Represented Employees. Effective immediately before the commencement of employment by Buyer, Seller will terminate the employment of all such Selected Represented Employees who have accepted employment with the Buyer.

(ii) All such offers of employment shall be (A) contingent upon the employee's satisfactory completion of background and drug tests to the extent permitted under the Generation CBA and applicable Law, (B) made in accordance with applicable Laws, the Generation CBA and the Settlement Agreement, and (C) otherwise on terms consistent with the provisions of this Section 5.8. Those employees who accept such offer

of employment are referred to herein as the “**Represented Transferred Employees.**” Buyer shall, as soon as reasonably practicable and in no event more than twenty (20) days following the Effective Date, provide notice to the Union (x) that Buyer intends to recognize the Union, as of the Closing, as the collective bargaining representative for all Represented Transferred Employees, (y) that, subject to Section 5.8(e), Buyer agrees to become party to and bound by the terms of the Generation CBA as of the Closing with respect to the Represented Transferred Employees, and (z) that describes Buyer’s plans regarding staffing by classification and operations of the Facilities.

(iii) On and after the Closing, Buyer shall, subject to Section 5.8(e), comply with all applicable obligations under the Generation CBA with respect to the Represented Transferred Employees covered thereby.

(c) Non-Represented Transferred Employees.

(i) Buyer may interview some or all Non-Represented Scheduled Employees listed in Schedule 3.12(a) to determine whether to make offers of employment. As of the Effective Date, Seller will provide Buyer reasonable access to the Facilities and shall make Non-Represented Scheduled Employees available to Buyer for purposes of conducting employment interviews. Within sixty (60) days following the Effective Date, Buyer shall offer employment to those Non-Represented Scheduled Employees listed in Schedule 3.12(a) whom Buyer desires to employ commencing as of 12:01 a.m. Eastern time on the Closing Date (the “**Selected Non-Represented Employees**”). All such offers of employment shall be contingent upon the employee’s satisfactory completion of background and drug tests to the extent permitted under applicable Law, made in accordance with applicable Laws and otherwise on terms consistent with the provisions of this Section 5.8. Those Selected Non-Represented Employees who accept such offer of employment are referred to herein as the “**Non-Represented Transferred Employees.**” Buyer will provide Seller a list of the Non-Represented Transferred Employees prior to the Closing. Effective immediately before Closing, Seller will terminate the employment of all Non-Represented Transferred Employees.

(ii) The Parties acknowledge and agree that, pursuant to the Settlement Agreement and New Hampshire RSA 369-B:3-b, the Non-Represented Transferred Employees are entitled to employee protections no less than those set forth in the Generation CBA with respect to the Represented Transferred Employees. As required by the Settlement Agreement, Buyer shall, from and after Closing, assume and comply with those employee protection obligations with respect to the Non-Represented Transferred Employees as required by New Hampshire RSA 369-B:3-b as set forth in Section 5.8(c)(iii), Section 5.8(d), Section 5.8(e) and Section 5.8(g) herein.

(iii) Continuing from Closing through no sooner than the end of the CBA Term, Buyer shall maintain an overall benefit package for the Non-Represented Transferred Employees that has an aggregate value at least as favorable as the overall benefit package provided to each such Non-Represented Transferred Employee immediately prior to the Closing and shall provide to each Non-Represented Transferred Employee vacation, holiday and sick leave benefits that are as favorable as such benefits

provided to them immediately prior to Closing. Seller shall cooperate and consult in good faith with Buyer in structuring its proposed benefits during the Interim Period.

(d) Service Credit. With respect to benefits accruing during the CBA Term, Buyer shall recognize and apply each Transferred Employee's prior service with Seller toward any eligibility and vesting under the Employee Benefits Plans and other compensation arrangements of Buyer and, in the case of Represented Transferred Employees, any other plans established to provide benefits described in the Generation CBA and in the case of Non-Represented Transferred Employees in Seller's policies or plans, if any, that may become applicable to Non-Represented Transferred Employees. Buyer shall vest each Transferred Employee under the Employee Benefits Plans of Buyer to the extent such employee is vested under the Employee Benefits Plans of Seller (or its applicable Affiliates) immediately prior to the Closing, provided that all vacation, personal and sick days accrued by each Transferred Employee under the plans, policies, programs and arrangements of Seller (or its applicable Affiliates) immediately prior to the Closing shall not be a cost to Buyer, but shall be paid as provided in Section 5.8(f). Buyer shall waive all limitations with respect to preexisting conditions, exclusions based on health status and waiting periods with respect to participation and coverage requirements under Buyer's health and welfare plans. Except as provided in this Section 5.8(d), Seller shall be solely responsible for all Liabilities including any applicable termination pay, severance pay, accrued wages or salary, accrued bonus and/or incentive pay (whether or not such bonus or incentive compensation is subject to any continued service requirement), accrued vacation and sick time, as well as any other benefits, created or owing as a consequence of the employment on or before the Closing Date of any Transferred Employee, or the cessation of any Scheduled Employee's employment on or before the Closing Date, including (i) all Liabilities under any Employee Benefit Plan maintained by Seller and any Liabilities resulting from any deficiency in the administration or funding of any such plan, (ii) all claims for health care and other welfare benefits, including any workers' compensation claims, (iii) COBRA continuation coverage requirements, (iv) any and all Liabilities with respect to any employees who are not Transferred Employees, and (v) any and all Liabilities accruing from the CBA MOA.

(e) Pension and Retirement Benefits.

(i) Employees Participating in Seller's Defined Benefit Pension Plan.

(A) As soon as practicable after the Effective Date, Buyer shall take all necessary and appropriate action to establish and maintain a tax qualified retirement plan ("**Buyer's Retirement Plan**") for Transferred Employees who currently participate in Seller's defined benefit pension plan in accordance with this Section 5.8(e). Seller shall cooperate and consult in good faith with Buyer in structuring Buyer's Retirement Plan during the Interim Period, and Seller shall further take commercially reasonable actions as are reasonably requested by Buyer to ensure compliance of the Buyer's Retirement Plan with the Settlement Agreement and the Generation CBA.

(B) For purposes of this Section 5.8(e)(i), the term "**Combined Minimum Pension Benefit**" means, for any such Transferred Employee, the

EXECUTION VERSION

Transferred Employee's total pension benefit as calculated as of the earlier of (i) such Transferred Employee's retirement date and (ii) the end of the CBA Term, using (A) the pension benefit formula under the Eversource Pension Plan ("**Seller's Pension Plan**") applicable to such Transferred Employee as of the Closing Date, as adjusted to incorporate the provisions of the CBA MOA, (B) such Transferred Employee's final average earnings (as specified in Seller's Pension Plan) as of the earlier of (i) such Transferred Employee's retirement date and (ii) the end of the CBA Term,, taking into account compensation earned from both Seller and Buyer, (C) such Transferred Employee's total years of service with both Seller (or its applicable Affiliates and predecessors) and Buyer as of the earlier of (i) such Transferred Employee's retirement date and (ii) the end of the CBA Term, and (D) covered compensation as of the earlier of (i) such Transferred Employee's retirement date and (ii) the end of the CBA Term.

(C) For purposes of this Section 5.8(e)(i), the term "**Accrued Pension Benefit**" means, for any such Transferred Employee, the pension benefit payable to such Transferred Employee under Seller's Pension Plan at such Transferred Employee's retirement, which shall be calculated based upon (A) the pension benefit formula under the Seller's Pension Plan applicable to such Transferred Employee as of the Closing Date, as adjusted to incorporate the provisions of the CBA MOA, (B) such Transferred Employee's years of credited service with Seller (or its applicable Affiliates) as of the Closing Date, (C) such Transferred Employee's final average earnings (as specified in the Seller's Pension Plan) as of the Closing Date, and (D) such Transferred Employee's covered compensation as of the Closing Date.

(D) Upon such Transferred Employee's retirement date, Seller (or its Affiliates) shall provide each such Transferred Employee with a vested and non-forfeitable right to a pension benefit equal to such Transferred Employee's Accrued Pension Benefit.

(E) On and after Closing, and continuing through no sooner than the end of the CBA Term, Buyer shall provide each such Transferred Employee with a retirement benefit (or contributions) under Buyer's Retirement Plan with a value that is at least equal to the actuarial equivalent of the difference between such Transferred Employee's Combined Minimum Pension Benefit and such Transferred Employee's Accrued Pension Benefit (the "**Buyer's Retirement Benefit**"). For the avoidance of any doubt, such retirement benefit may be provided through Buyer's Contributory Plan or another defined contribution plan. Such Buyer's Retirement Benefit must be guaranteed to each Transferred Employee and protected from forfeiture to no less extent than an ERISA plan benefit. If any such Transferred Employee's Buyer's Retirement Benefit should be subject to Social Security and Medicare Taxes that do not apply to ERISA pension benefits, Buyer shall "gross up" such Buyer's Retirement Benefit to offset such additional Tax liability to the applicable Transferred Employee.

(F) On and after Closing, and continuing through no sooner than the end of the CBA Term, in the event that any such Transferred Employee (A) is involuntarily separated from employment as a result of layoff from Buyer (or any of its Affiliates) and (B) at the time of Closing (x) is age 50-54 and (y) whose age plus credited service equal or exceed 65 years, then Buyer shall provide to such Transferred Employee those pension and other retirement benefits described in Schedule 5.8(e)(i)(F).

(ii) Employees Participating in Seller's Contributory Retirement Plan.

(A) As soon as practicable after the Effective Date, Buyer shall take all necessary and appropriate action to establish and maintain a tax qualified contributory retirement plan ("**Buyer's Contributory Plan**") for the Transferred Employees who participate in Seller's "K-Vantage" contributory retirement plan in accordance with the provisions of this Section 5.8(e)(ii).

(B) On and after Closing and through the end of the CBA Term, Buyer (or its Affiliates) shall provide each Transferred Employee with contributions to Buyer's Contributory Plan in an amount no less than the amount such Transferred Employee would have received under Seller's "K-Vantage" contributory retirement plan, as set forth in Schedule 5.8(e)(ii)(B).

(f) Transition Matters. Effective as of the Closing, the Transferred Employees shall cease active participation in all Employee Benefit Plans of Seller (or its applicable Affiliates). Seller (or its applicable Affiliates) shall pay, in accordance with Seller's customary practice, to all Transferred Employees all accrued salary or wages, including overtime, vacation pay, all bonus or incentive pay due in connection with the 2017 and other applicable performance year(s), or other benefits to which they are entitled under the Employee Benefit Plans of Seller (or its applicable Affiliates) as of immediately prior to the Closing. For the avoidance of any doubt, Seller shall pay to Transferred Employees all bonus or incentive compensation, if any, calculated in accordance with Seller's customary practice with respect to the period prior to the Closing Date, whether or not such incentive compensation is subject to any continued service requirement. Buyer and Seller intend that the transactions contemplated by this Agreement should not constitute a separation, termination or severance of employment of any Transferred Employee for purposes of any Employee Benefit Plan that provides for separation, termination or severance benefits, and that each such Transferred Employee will have continuous employment immediately before and immediately after the Closing. All Liability and Claims relating to the employment and compensation of any Transferred Employee on and after the Closing shall be the sole responsibility of Buyer, and Buyer agrees to indemnify and hold harmless Seller, its Affiliates and their Representatives for any and all Losses incurred by Seller, its Affiliates or their Representatives arising out of or related to Buyer's (or its Affiliate's) employment of any Transferred Employee following the Closing.

(g) Severance Benefits. Any Transferred Employee who is terminated as a result of a reduction in force or change in operational practices prior to the end of the CBA Term will be entitled to the benefits set forth in Schedule 5.8(g).

EXECUTION VERSION

(h) WARN Act; Restructuring Activities. Seller will notify Buyer of any separations or layoffs in the 90 day period prior to the Closing Date, and agrees to timely perform and discharge all requirements under the WARN Act and under applicable similar state and local Laws for the notification of its and its Affiliates' employees arising from any "plant closing," "mass layoff," relocation, employment losses, group termination or similar event, including those arising from Buyer's election not to offer employment to Scheduled Employees or the sale of the Acquired Assets to Buyer up to and including the Closing. Buyer shall be responsible for performing and discharging all requirements under the WARN Act and under applicable similar state and local Laws for the notification of its employees, whether Transferred Employees or otherwise, arising from any "plant closing," "mass layoff," relocation, employment losses, group termination or similar event undertaken by Buyer after the Closing Date. Seller undertakes to indemnify and shall keep indemnified the Buyer and its Affiliates against all liabilities and all related costs and expenses arising from or relating to any claim brought as a result of any action of Seller or its Affiliates, including the sale of the Acquired Assets, that would cause any termination of employment or employment loss of any employees of Seller or its Affiliates that occurs prior to or as of the Closing, to (i) constitute a "plant closing," "mass layoff," relocation, employment loss, or group termination or similar event under the WARN Act or any similar state or local Law, or (ii) result in any other liability or penalty to the Buyer or its Affiliates under applicable law. Buyer will indemnify Seller for any liability under the WARN Act or any similar federal, state or local Law for any actions of Buyer or its Affiliates that would cause any termination of employment of any Transferred Employees by Buyer or its Affiliates that occurs after the Closing to (i) constitute a "plant closing," "mass layoff" or group termination or similar event under the WARN Act or any similar state or local Law, or (ii) result in any other liability or penalty to the Seller or its Affiliates under applicable law after the Closing. All severance and other costs associated with workforce restructuring activities associated with the Acquired Assets and/or the Transferred Employees subsequent to the Closing Date shall be borne solely by Buyer.

(i) Successors and Assigns. Notwithstanding anything herein to the contrary, the agreements and obligations of Buyer set forth in this Section 5.8 shall be binding upon and enforceable against any successor or assign or any other entity acquirer of Buyer, whether by sale, transfer, merger, acquisition or otherwise. Buyer shall make it a condition of any such sale, transfer, merger, acquisition or other transaction or event that any such successor or assign or other entity acquirer shall be bound by the terms of this Section 5.8.

(j) Non-solicitation. For a period of twelve (12) months following the Closing, neither Seller nor any its Affiliates shall directly or indirectly hire or solicit for hire any person who is employed by Buyer or any of its Affiliates. The foregoing, however, shall not preclude Seller or its Affiliates from making good faith generalized solicitations of employment, so long as such solicitations are not targeted to or focused on the officers or employees of Buyer or any of its Affiliates or from hiring any former employee of Buyer or any of its Affiliates who has not been employed with Buyer or its Affiliate in preceding 6 months.

(k) Hiring Commitment. Buyer will make offers of employment to at least eighty percent (80%) of the Scheduled Employees.

Section 5.9 ISO-NE and NEPOOL Matters.

(a) At the Closing, Buyer shall be a member in good standing in NEPOOL or otherwise have sufficient authority to sell the Facilities' electrical output into the wholesale market. Except as required to preserve system reliability and in compliance with the requirements of the ISO-NE or NEPOOL, and as may be otherwise provided in any Related Agreement, following Closing, Seller shall not interfere with Buyer's efforts to expand or modify generation capacity at any of the Sites.

(b) Not less than five (5) Business Days prior to the Closing Date, Buyer shall initiate, and Seller shall confirm, with ISO-NE Buyer's acquisition of the Facilities from Seller, to be effective as of the Closing Date, pursuant to the CAMS User Guide for Company and Affiliate Maintenance, Version 1.4, Section 2.3.15, Asset Ownership Share Transfers. In the event that ISO-NE (or NEPOOL) does not recognize until after the Closing Buyer's acquisition of the Facilities as of the Closing Date (or recognizes such acquisition effective as of any date other than the Closing Date), the Parties agree that (i) any proceeds received by Seller or its Affiliates from ISO-NE (or NEPOOL) after Closing relating to Buyer's ownership of the Facilities on and after the Closing Date shall be promptly paid over to Buyer, and (ii) any proceeds received by Buyer or its Affiliates from ISO-NE (or NEPOOL) after Closing relating to Seller's ownership of the Facilities prior to the Closing Date shall be promptly paid over to Seller. The Parties further agree that (x) any amounts received by Buyer or its Affiliates from ISO-NE after the Closing respecting the Facilities, to the extent attributable to any period prior to the Closing, including (A) ISO-NE Winter Reliability Program revenues attributable to any period prior to the Closing, and (B) ISO-NE Forward Capacity Market capacity payments attributable to any period prior to the Closing, shall be promptly paid over to Seller; and (y) any amounts received by Seller or its Affiliates from ISO-NE after Closing respecting the Facilities, to the extent attributable to any period on and after the Closing, including (A) ISO-NE Winter Reliability Program revenues attributable to any period on and after the Closing and (B) ISO-NE Forward Capacity Market capacity payments attributable to any period on and after the Closing, shall be promptly paid over to Buyer. Any payment required to be made by a Party pursuant to this Section 5.9(b) shall be made to the other Party by wire transfer of immediately available funds to the account designated in writing by such other Party.

(c) The Parties shall cooperate and provide reasonable assistance in connection with any Potential Qualified Capacity Reduction or Potential Qualified Capacity Increase dispute or correction related thereto, whether prior to or following the Closing; *provided, however*, Buyer shall not be required to incur any cost or expense outside of the ordinary course in connection with such cooperation or assistance.

(d) Seller agrees that it shall promptly notify Buyer in writing of the receipt of notice from ISO-NE determining a Qualified Capacity Reduction for any Facility.

(e) If the Closing has not occurred prior to January 1, 2018, Seller and Buyer will cooperate to bid the Facilities into the ISO-NE forward capacity market to the extent such cooperation is allowed by FERC and ISO-NE.

Section 5.10 Post-Closing Operations. As required by the Settlement Agreement, Buyer hereby covenants and agrees that Buyer shall (and shall cause any successor or assign of Buyer to) cause the Facilities to remain in service for a minimum of eighteen (18) months following the Closing Date.

Section 5.11 Post-Closing Environmental Matters.

(a) On and after the Closing Date, with respect to Environmental Liabilities which constitute Excluded Environmental Liabilities, Buyer will (i) use commercially reasonable efforts not to prejudice or impair Seller's rights under the Environmental Laws or interfere with Seller's ability to contest in appropriate administrative, judicial or other proceedings its Liability, if any, for Environmental Claims or Remediation, and (ii) provide reasonable access to Seller to any Facility for purposes of (x) assisting in Seller's ability to contest its Liability, if any, for Environmental Claims or Remediation or (y) undertaking Remediation; *provided, however*, such access may not unreasonably interfere with ordinary business operations of any Facility. Until such time as Seller's obligations for Excluded Environmental Liabilities are extinguished and only to the extent relevant to those Environmental Liabilities which constitute Excluded Environmental Liabilities, (A) Buyer further agrees to provide to Seller draft copies of all plans and studies prepared in connection with any Site investigation or Remediation related to the Acquired Assets prior to their submission to the Governmental Authority with jurisdiction under Environmental Laws, (B) Seller shall have the right, without the obligation, to attend all meetings between Buyer, its Representatives, and such Governmental Authorities, and (C) Buyer shall promptly provide to Seller copies of all written information, plans, documents and material correspondence submitted to or received from such Governmental Authorities relating to Buyer's discharge of any Environmental Liabilities assumed pursuant to this Agreement.

(b) Buyer shall provide Seller with reasonable advance written notice before commencing any Dig Activities prior to the Excluded Environmental Liability Termination Date.

Section 5.12 Transfer Taxes; Expenses. Notwithstanding any other provision of this Agreement to the contrary, in accordance with New Hampshire Law and custom, Buyer and Seller shall in good faith determine the amount and at Closing each pay fifty percent (50%) of all Transfer Taxes that may be imposed upon, or payable, collectible or incurred in connection with the transfer of the Acquired Assets to Buyer or otherwise in connection with the transactions contemplated by this Agreement and the Related Agreements. Except as provided in Section 2.10(m). Buyer shall, at its own expense, prepare and timely file all Tax Returns relating to any such Transfer Tax (and Seller shall cooperate with respect thereto as reasonably necessary, including by preparing, executing and providing its Tax Return to Buyer, or by joining in the execution of any such Tax Returns if required by applicable Law), shall notify Seller when such filings have been made and shall provide Seller with copies of all Forms CD-57-S.

Section 5.13 Tax Matters. Except as provided in Section 5.12 relating to Transfer Taxes:

(a) With respect to Taxes to be prorated in accordance with Section 2.7 of this Agreement, Buyer shall prepare and timely file all Tax Returns required to be filed after the Closing with respect to the Acquired Assets, if any, and Buyer shall duly and timely pay all such Taxes shown to be due on such Tax Returns (or shall reimburse Seller for any such Taxes paid

by Seller). Buyer's preparation of any such Tax Returns shall be subject to Seller's review and comment, and Buyer shall consider in good faith any comments received from Seller. No later than twenty (20) Business Days prior to the due date of any such Tax Return, Buyer shall make such Tax Return available for Seller's review and comment. Buyer shall respond no later than five (5) Business Days prior to the due date for filing such Tax Return. Without the prior written consent of Seller, Buyer will not (i) file or amend any Tax Return relating to any taxable period ending on or prior to the Closing Date, or to any taxable period beginning before the Closing Date and ending after the Closing Date, or any portion thereof or (ii) extend or waive, or cause to be extended or waived, any statute of limitations or other period for the assessment of any Tax or deficiency related to any such taxable period (or portion thereof), in each case for Tax Returns related to the Acquired Assets.

(b) Whenever any Taxing Authority asserts a claim, makes an assessment, or otherwise disputes the amount of Taxes relating to any taxable period ending on or prior to the Closing Date, or to any taxable period beginning before the Closing Date and ending after the Closing Date, or any portion thereof, Buyer shall, upon receipt of such assertion, promptly, but no later than thirty (30) days thereafter, inform Seller in writing of such assertion. With respect to proceedings that relate solely to Taxes that represent Excluded Liabilities and to any proceedings described on Schedule 3.10, Seller shall have the sole right to control any such proceedings and to determine whether and when to settle any such claim, assessment or dispute; *provided, however*, that Seller shall not settle any Tax controversies in a manner that would reasonably be expected to affect the Tax Liabilities of Buyer or any of its Affiliates in a material manner for any taxable year or period ending after the Closing Date without the prior written consent of Buyer. With respect to proceedings that relate to Taxes that represent Assumed Liabilities, Buyer shall have the sole right to control any such proceedings and determine whether and when to settle any such claim, assessment or dispute; *provided, however*, that Buyer shall not settle any Tax controversies in a manner that would reasonably be expected to affect the Tax Liabilities of Seller or any of its Affiliates in a material manner for any taxable year or period without the prior written consent of Seller. Each of Buyer and Seller shall provide the other with such assistance and cooperation as may reasonably be requested by the other Party in connection with the preparation of any Tax Return, any audit or other examination by any Taxing Authority, or any judicial or administrative proceedings relating to Liability for Taxes. Such assistance and cooperation shall include the retention and (upon the other Party's request) the provision of records and information that are reasonably relevant to any such audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder, and each will retain and provide the requesting Party with any records or information until the expiration of the statute of limitations (and, to the extent notified by the other Party, any extensions thereof) of the respective taxable periods which may be relevant to such Tax Return, audit or examination, proceedings or determination.

Section 5.14 Further Assurances. At any time and from time to time after the Closing, at the reasonable request of a Party and without further consideration, the other Party will or will cause its Affiliates to execute and deliver such instruments of sale, transfer, conveyance, assignment, assumption and confirmation and take such actions as the Parties may reasonably agree are necessary to transfer, convey and assign to Buyer, and to confirm Buyer's title to or interest in the Acquired Assets and assumption of and obligation with respect to the Assumed Liabilities, to

put Buyer in actual possession and operating control of the Acquired Assets, and otherwise to consummate and give effect to the transactions contemplated by this Agreement. For avoidance of doubt, in the event that any asset that is an Acquired Asset shall not have been conveyed to Buyer at the Closing, Seller shall, subject to Section 5.3, use its commercially reasonable efforts to convey such asset to Buyer as promptly as is practicable after the Closing.

Section 5.15 Schedule Modifications During the Interim Period and Updates.

(a) Schedule Modifications. The Parties acknowledge and agree that Schedule 1.1-PL (solely with respect to matters that are or may be disclosed in any Title Commitment or any additional title insurance commitments obtained by Seller or Buyer pursuant to this Agreement, provided that any such disclosed matter will not be deemed to be a “Permitted Lien” under this Agreement without the Buyer’s consent, not to be unreasonably withheld), Schedule 2.1(a), Schedule 2.1(c), Schedule 2.1(e), Schedule 2.1(g), Schedule 2.2(a), Schedule 2.2(b), Schedule 3.3, Schedule 3.6 (and upon such agreed upon modification based on updated title commitments, such updated title commitments shall become the “Title Commitments”), Schedule 3.7(b-1) and Schedule 3.7(b-2) are not final and in each case are subject to review and reasonable modifications requested in good faith by the Parties during the Interim Period. The Parties will cooperate in good faith during the Interim Period in connection with any requested modifications to such Schedules and to finalize Schedule 2.1(a) to effect the transactions contemplated by this Agreement, including the Related Agreements. For the avoidance of doubt, any modifications to the Schedules pursuant to this Section 5.15(a) are not intended to and shall not be made in order to cure any Party’s breach as of the Effective Date or the Closing Date of a representation or warranty, but such modifications may be made to allow the Parties to finalize the Related Agreements and Schedule 2.1(a) in good faith and in accordance with the terms and conditions of this Agreement, and to confirm that the Acquired Assets constitute all of the assets intended to be transferred to Buyer in accordance with this Agreement.

(b) Schedule Updates. During the Interim Period, Seller shall supplement or amend the Schedules hereto with respect to any matter (regardless of whether such matter arose prior to, on or after the date hereof) if necessary to remedy any inaccuracy of any representation or warranty of Seller (each, a “**Schedule Update**”); *provided* that, except as specifically provided in this Section 5.15(b), no Schedule Update shall be deemed to be incorporated into or to supplement, amend or modify the Schedules. If Seller notifies Buyer that such event, development or occurrence which is the subject of the Schedule Update arose after the Effective Date and was not the result of a breach of this Agreement by Seller and constitutes a Material Adverse Effect, then Buyer shall have the right to terminate this Agreement without any penalty whatsoever. If Buyer has the right to, but does not elect to terminate this Agreement and the Closing occurs, then (i) Buyer shall be deemed to have irrevocably waived any right to terminate this Agreement with respect to the matters specifically set forth in such Schedule Update that constituted or otherwise had a Material Adverse Effect, (ii) such Schedule Update shall be deemed to be incorporated into and to supplement, amend and modify the Schedules, and (iii) Buyer shall have irrevocably waived its rights to indemnification under Section 7.2 solely with respect to the matters specifically set forth in such Schedule Update. For purpose of clarity, Buyer and the Seller acknowledge and agree that any Schedule Update that reflects an event, development or occurrence that either (A) occurred prior to the Effective Date and should have been set forth on the Schedules as of the execution of this Agreement or (B) that does not give

Buyer the right to terminate this Agreement for failure to satisfy the closing condition set forth in Section 6.1(a) or otherwise pursuant to this Agreement shall be deemed to have been provided for information purposes only, shall not be deemed to cure any breach of this Agreement or affect the conditions to Closing or Buyer's indemnification rights set forth in this Agreement. In the event Buyer determines in good faith that any such Schedule Update, or prior Schedule Updates in the aggregate, could reasonably be expected to result in the incurrence by Buyer of Losses in excess of one percent (1.00%) of the Base Purchase Price, Buyer shall notify Seller of such determination within twenty (20) days of receipt of such Schedule Update from Seller, and the Parties shall negotiate in good faith an equitable adjustment to the Base Purchase Price to account for such Losses. Buyer will have the right to terminate this Agreement without any liability whatsoever if the aggregate of all such Losses equal or exceeds ten percent (10%) of the Base Purchase Price. In the event Buyer fails to deliver such determination to Seller within such twenty (20) day period, the Parties agree that no such equitable adjustment shall be made in respect of such Schedule Update.

Section 5.16 Casualty. If any material Acquired Asset is damaged or destroyed by a casualty loss during the Interim Period (a "**Casualty Loss**"), Seller shall promptly give Buyer written notice thereof, including reasonable details regarding the Casualty Loss, the amounts recoverable from insurance, any deductible for which Seller or any of its Affiliates would be required to pay out-of-pocket and any other information related to the costs and sources of repayment to restore such Casualty Loss. Upon receipt of such notice, Buyer will have the right, in its sole discretion, to (a) require Seller to restore such damaged or destroyed Acquired Asset to a condition reasonably comparable to its condition prior to such Casualty Loss (such costs with respect to any Acquired Asset, the "**Restoration Cost**") prior to the Closing; (b) proceed to Closing without Seller restoring such damaged or destroyed Acquired Asset, in which case Buyer will be entitled to a reduction in the Purchase Price equal to the difference between the Restoration Cost less any proceeds delivered to Buyer by Seller at the Closing related to the Casualty Loss; or (c) terminate this Agreement with no penalty whatsoever if the cost to repair exceeds ten percent (10%) of the Base Purchase Price (as determined by a qualified firm mutually selected by Buyer and Seller as promptly as practicable after the date of the event of casualty). Buyer will give notice to Seller of its election within sixty (60) days after receipt from Seller of all information reasonably required by Buyer and in Seller's possession or control related to the Casualty Loss. If Buyer requires Seller to restore the Casualty Loss, Buyer and Seller will negotiate in good faith if Seller believes that an extension of the Outside Date is required.

Section 5.17 Condemnation. If from time to time any portion of any Acquired Asset is taken by condemnation during the Interim Period (a "**Taking**"), Seller shall promptly give Buyer written notice thereof, including reasonable details regarding the Taking and the Acquired Assets affected thereby, the amounts being paid to Seller in connection with such Taking and any other information related to the costs and sources of repayment related to the Acquired Assets affected by such Taking. If the value of the Acquired Assets affected by the Taking is less than or equal to ten percent (10%) of the Base Purchase Price and no material portion of any Facility is affected, the proceeds of the Taking will be credited against the Base Purchase Price. If the value of the Acquired Assets affected by the Taking is greater than ten percent (10%) or if a material portion of any Facility is affected (regardless of the amount at issue), Buyer will have the right, in its sole discretion, to (a) proceed to Closing, in which case Buyer will be entitled to a reduction in the Purchase Price equal to the proceeds of the Taking, or (b) terminate this

EXECUTION VERSION

Agreement with no penalty whatsoever if the cost to restore exceeds ten percent (10%) of the Base Purchase Price (as determined by a qualified firm mutually selected by Buyer and Seller as promptly as practicable after the date of the event of condemnation). Buyer will give notice to Seller of its election within sixty (60) days after receipt from Seller of all information reasonably required by Buyer and in Seller's possession or control related to the Taking.

Section 5.18 Confidentiality. Buyer acknowledges and agrees that the Confidentiality Agreements remain in full force and effect and, in addition, covenants and agrees to keep confidential, in accordance with the provisions of the Confidentiality Agreements, information provided to Buyer pursuant to this Agreement (including this Agreement and the Exhibits and Schedules hereto); *provided*, that from and after Closing, Buyer shall not have any obligation to maintain the confidentiality of information with respect to the Business or the Acquired Assets, but Buyer's confidentiality obligations under the Confidentiality Agreements (with respect to information concerning Seller and its Affiliates) shall otherwise continue. If this Agreement is, for any reason, terminated prior to the Closing, the Confidentiality Agreements and the provisions of this Section 5.18 shall nonetheless continue in full force and effect.

Section 5.19 Public Announcements. Except as otherwise expressly provided herein, each Party shall, and shall cause its Affiliates (as applicable) to, consult with the other Party regarding the timing and content of any public announcements regarding this Agreement, the Closing and the other transactions contemplated by this Agreement to the news media, financial community, any Governmental Authority, customers, suppliers or the general public. Except as otherwise provided herein, no Party or its Affiliates shall make any such public announcement without the prior written consent of the other Party, unless any such disclosure is otherwise required by Law or by the rules of a national securities exchange (in which case such Party will provide to the other Party reasonable advance notice of and an opportunity to review any such disclosure).

Section 5.20 Mercury Removal Contract. Seller shall be responsible for completing the scope of work set forth in the "Scope of Work for the Abatement, Demolition and Disposal of the Mercury Vapor Power Units at Schiller Station – Rev 12.15.16" attached to and part of the Removal Contract as Exhibit E. If the Closing occurs before the Schiller Boiler Removal Completion Date, Buyer shall provide Seller, its Representatives, Removal Contractor and its subcontractors under the Removal Contract with reasonable access to Schiller Station to permit all such persons to complete such removal, but only to the extent that such access does not unreasonably interfere with the operation of Schiller Station, and subject to compliance with applicable Laws. Seller shall furnish Buyer with such information or other data related to the completion of such removal as Buyer may reasonably request, and Buyer shall cooperate with Seller and the Removal Contractor (at Seller's expense) in connection with the completion of such removal.

**ARTICLE VI
CONDITIONS TO CLOSING**

Section 6.1 Buyer's Conditions to Closing. The obligation of Buyer to consummate the transactions contemplated by this Agreement is subject to the fulfillment, at or prior to Closing, of each of the following conditions (except to the extent waived in writing by Buyer):

EXECUTION VERSION

(a) Representations and Warranties. (i) The representations and warranties (other than the Seller Fundamental Warranties, which are addressed in clause (ii) below) made by Seller in Article III hereof (without giving effect to any materiality or Material Adverse Effect qualifiers contained therein) shall be true and correct on the Closing Date as though made on and as of the Closing Date, except (x) for changes expressly permitted or contemplated hereby, (y) representations and warranties that address matters only as of a specified date, which shall be true and correct as of such specified date, subject to the immediately following clause (z), or (z) where the failure to be so true and correct would not individually or in the aggregate have or would not reasonably be expected to have a Material Adverse Effect, or would not have a material adverse effect on Seller's ability to consummate the transactions contemplated by this Agreement or the Related Agreements. (ii) The Seller Fundamental Warranties shall be true and correct in all material respects on the Closing Date as though made on and as of the Closing Date, except for changes expressly permitted Section 5.15(a) with respect to Section 3.6. (iii) Notwithstanding anything contained herein to the contrary, to the extent any inaccuracy in any representation or warranty of Seller that, individually or in the aggregate with any other such inaccuracy, results in or creates or could reasonably be expected to result in or create a Loss or Claim in excess of ten percent (10%) of the Base Purchase Price, the conditions of this Section 6.1(a) shall be deemed to be not fulfilled.

(b) Title Commitments. Receipt of title commitments for each Facility, each in form and substance reasonably satisfactory to Buyer, and such that the only condition to the issuance of Title Policies from such title commitments is the payment of the title insurance premiums.

(d) Officer's Certificate. Seller shall have delivered to Buyer at the Closing a certificate of an authorized officer of Seller, dated as of the Closing Date, stating that the conditions set forth in Section 6.1(a) and Section 6.1(c) have been satisfied.

(f) No Injunctions. On the Closing Date, there shall be no Laws in effect that operate to restrain, enjoin or otherwise prevent or make illegal the consummation of the transactions contemplated by this Agreement.

(g) Deliveries. Seller shall have delivered or shall stand ready to deliver all of the certificates, instruments, agreements, documents and other items specified to be delivered by it hereunder, including pursuant to Section 2.10.

Section 6.2 Seller's Conditions to Closing. The obligation of Seller to consummate the transactions contemplated by this Agreement is subject to the fulfillment, at or prior to Closing, of each of the following conditions (except to the extent waived in writing by Seller):

(a) Representations and Warranties. (i) The representations and warranties (other than the Buyer Fundamental Warranties, which are addressed in clause (ii) below) of Buyer set forth in Article IV hereof (without giving effect to any materiality qualifiers contained therein) shall be true and correct in all respects on the Closing Date as though made on and as of the Closing Date except (x) for changes expressly permitted or contemplated hereby, (y) in the case of representations and warranties that address matters only as of a specified date, on and as of such specified date, subject to the immediately following clause (z), or (z) where the failure to be so true and correct would not reasonably be expected to have a material adverse effect on the ability of Buyer to consummate the transactions contemplated by this Agreement and the Related Agreements. (ii) The Buyer Fundamental Warranties shall be true and correct in all material respects on the Closing Date as though made on and as of the Closing Date.

(b) Performance. Buyer shall have performed and complied, in all material respects, with all agreements, covenants and obligations required by this Agreement to be performed or complied with by Buyer at or before the Closing.

(c) Officer's Certificate. Buyer shall have delivered to Seller at the Closing a certificate of an authorized officer of Buyer, dated as of the Closing Date, stating that the conditions set forth in Section 6.2(a) and Section 6.2(b) have been satisfied.

(d) Consents. The Seller Required Consents and the Buyer Required Consents marked with an asterisk on Schedule 3.3 and Schedule 4.3 shall have been duly obtained, made or given and shall be in full force and effect, and all terminations or expirations of waiting periods imposed by any Governmental Authority with respect thereto (including under the HSR Act) shall have occurred.

(e) No Injunctions. On the Closing Date, there shall be no Laws in effect that operate to restrain, enjoin, prohibit or otherwise prevent or make illegal the consummation of the transactions contemplated by this Agreement.

(f) Deliveries. Buyer shall have delivered or shall stand ready to deliver all of the certificates, instruments, agreements, documents and other items specified to be delivered by it hereunder, including pursuant to Section 2.11.

(g) Closing Purchase Price. Buyer shall have delivered the Closing Purchase Price in accordance with Section 2.5.

ARTICLE VII INDEMNIFICATION; LIMITATIONS OF LIABILITY AND WAIVERS

Section 7.1 Survival. Subject to the limitations and other provisions of this Agreement, including Section 7.4, (a) the Seller Fundamental Warranties and the Buyer Fundamental Warranties shall survive the Closing and remain in full force and effect indefinitely; (b) each of the Tax and HR Warranties shall survive until the expiration of all applicable statutes of limitation with respect to claims for breach of any such Tax and HR Warranty; (c) the representation and warranty in Section 3.7(a) shall survive the Closing and shall remain in full force and effect for a period of five (5) years following the Closing Date; and (d) all other representations and warranties of Seller set forth in Article III and all other representations and warranties of Buyer set forth in Article IV shall survive the Closing and shall remain in full force and effect for a period of twelve (12) months following the Closing Date. The covenants and agreements of the Parties contained in this Agreement to be performed on or prior to the Closing shall expire at the Closing and have no further force or effect, and the covenants and agreements of the Parties contained in this Agreement that by their terms survive the Closing or contemplate performance after the Closing shall survive for the period set forth therein or otherwise until fully performed. The indemnification obligations of any Party pursuant to this Article VII with respect to any breach of a representation or warranty hereunder shall terminate upon the expiration of such representation or warranty as set forth in this Section 7.1.

Section 7.2 Indemnification by Seller. Subject to the other provisions of this Article VII, from and after the Closing, Seller shall indemnify, defend and hold harmless Buyer, its Affiliates and their respective Representatives (collectively, the “**Buyer Indemnified Parties**”) from and against all Losses suffered or incurred by a Buyer Indemnified Party resulting or arising from:

- (a) Any breach of any representation or warranty of Seller contained in this Agreement that survives the Closing as specified in Section 7.1;
- (b) Any breach of any covenant or agreement of Seller contained in this Agreement that survives the Closing as specified in Section 7.1; or
- (c) Any Excluded Liability, excluding from this indemnity obligation (i) any Excluded Environmental Liability that has become an Assumed Liability pursuant to Section 2.4(i) and (ii) any Environmental Liability resulting from Buyer’s Dig Activities.

Section 7.3 Indemnification by Buyer. Subject to the other provisions of this Article VII, from and after the Closing, Buyer shall indemnify, defend and hold harmless Seller, its Affiliates and their respective Representatives (collectively, the “**Seller Indemnified Parties**”) from and against all Losses suffered or incurred by a Seller Indemnified Party resulting or arising from:

- (a) Any breach of any representation or warranty of Buyer contained in this Agreement that survives the Closing as specified in Section 7.1;
- (b) Any breach of any covenant or agreement of Buyer contained in this Agreement that survives the Closing as specified in Section 7.1;

(c) Any Assumed Liability, including within this indemnity obligation (i) any Excluded Environmental Liability that has become an Assumed Liability pursuant to Section 2.4(i) and (ii) any Environmental Liability resulting from Buyer's Dig Activities.

Section 7.4 Certain Limitations and Provisions. The Buyer Indemnified Party or Seller Indemnified Party, as applicable, making a claim for indemnification under this Article VII is referred to herein as the "**Indemnified Party**" and the Party against whom such claims are asserted under this Article VII is referred to as the "**Indemnifying Party**." The indemnification provided for in this Article VII shall be subject to the following limitations and other provisions:

(a) Seller shall have no liability for indemnification of any Losses under Section 7.2(a) (other than arising out of any breach of the Seller Fundamental Warranties, the Tax and HR Warranties and instances of Seller's criminal conduct or common law or statutory fraud for which, in each case, the Threshold Amount shall be zero) until the aggregate amount of all such Losses equals or exceeds one-half percent (0.5%) of the Base Purchase Price (the "**Threshold Amount**"), in which event Seller shall only be liable for Losses in excess of the Threshold Amount. Notwithstanding anything herein to the contrary, the aggregate amount of all Losses for which Seller shall be liable shall be limited as follows:

(i) Indemnification for Losses pursuant to Section 7.2(a) (excluding such Losses set forth in Section 7.4(a)(ii) and Section 7.4(a)(iii) below) shall not exceed an amount equal to ten percent (10%) of the Base Purchase Price;

(ii) Indemnification for Losses pursuant to Section 2.4(i)(A), Section 2.4(i)(B)(I) and Section 7.2(a) (to the extent relating to Seller's breach of Section 3.11(b) or Section 3.11(d)) shall not exceed Twenty-Five Million Dollars (\$25,000,000); and

(iii) Indemnification for breach of any Seller Fundamental Warranty or Tax and HR Warranty shall not exceed an amount equal to the Base Purchase Price.

Notwithstanding anything herein to the contrary, Seller shall have no liability for indemnification under Section 7.2(a) or Section 7.2(b) for Losses with respect to any individual item or set of items arising out of substantially similar facts and circumstances unless the amount of Losses with respect to such item equals or exceeds Fifty Thousand Dollars (\$50,000), and if such amount is not equaled or exceeded, none of the Losses with respect to such items will be counted toward the Threshold Amount.

(b) Buyer shall have no liability for indemnification of any Losses under Section 7.3(a) (other than arising out of any breach of the Buyer Fundamental Warranties and instances of Buyer's criminal conduct or common law or statutory fraud for which, in each case, the Threshold Amount shall be zero) until the aggregate amount of all such Losses equals or exceeds the Threshold Amount, in which event Buyer shall only be liable for Losses in excess of the Threshold Amount. Notwithstanding anything herein to the contrary, the aggregate amount of all Losses for which Buyer shall be liable pursuant to Section 7.3(a) shall not exceed an amount equal to ten percent (10%) of the Base Purchase Price, except with respect to any breach of any Buyer Fundamental Warranty, in which case Buyer's liability shall not exceed an amount equal to the Base Purchase Price. Notwithstanding anything herein to the contrary, Buyer shall

have no liability for indemnification under Section 7.3(a) or Section 7.3(b) for Losses with respect to any individual item or set of items arising out of substantially similar facts and circumstances unless the amount of Losses with respect to such item equals or exceeds Fifty Thousand Dollars (\$50,000), and if such amount is not equaled or exceeded, none of the Losses with respect to such items will be counted toward the Threshold Amount, *provided, further* that Buyer shall have no liability for indemnification of any Losses incurred by Seller related to court costs, fees of attorneys, accountants, consultants and other experts, and document production in defense of Claims arising under Section 7.3(c)(i); *provided, however*, if Buyer fails to assume (and had the obligation to assume) the obligation to indemnify Seller under Section 7.3(c) for an Excluded Environmental Liability that has become an Assumed Liability, then Buyer shall reimburse Seller for those enumerated Losses.

(c) Any Indemnified Party that becomes aware of a Loss for which it seeks indemnification under this Article VII shall be required to use commercially reasonable efforts to mitigate the Loss.

(d) Losses of any Indemnified Party hereunder shall be calculated after deducting the amount of any insurance proceeds and any indemnity, contribution or other similar Third Party recoveries actually received or reasonably expected to be received by such Indemnified Party in respect of such Loss at or prior to the time of such calculation (net of the reasonable out of pocket costs and expenses associated with such recoveries and any associated increases in insurance premiums). The Indemnified Party shall use its commercially reasonable efforts to recover under insurance policies or indemnity, contribution or similar agreements for any Losses prior to seeking indemnification under this Agreement.

(e) All Losses shall be determined without duplication of recovery under any other provisions of this Agreement or any Related Agreement. Without limiting the generality of the foregoing, (i) if any fact, circumstance, condition, agreement or event forming a basis for a claim for indemnification under this Article VII shall overlap with any fact, circumstance, condition, agreement or event forming the basis of any other claim for indemnification under this Article VII, there shall be no duplication in the calculation of the amount of Losses, and (ii) neither Seller nor Buyer shall have any liability under this Article VII for Losses relating to matters to the extent included in the calculation of the Purchase Price Adjustment in accordance with Section 2.6 or the prorations made in accordance with Section 2.7 (other than the failure to pay or credit any amounts so included).

(f) Solely for purposes of calculating Losses arising from a breach of any representation, warranty or covenant hereunder (and not for purposes of determining the existence of a breach of any representation, warranty or covenant), any materiality or Material Adverse Effect qualifications in such representation or warranty shall be disregarded.

(g) Notwithstanding anything to the contrary contained in this Agreement, the limitations on any liability or Loss set forth in this Agreement shall not apply in instances of Seller's or Buyer's, as applicable, willful misconduct, criminal conduct or common law or statutory fraud.

Section 7.5 Indemnification Procedures.

(a) Third Party Claims. If any Indemnified Party receives notice of the assertion or commencement of any Claim made or brought by any Third Party (a “**Third Party Claim**”) against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party prompt written notice thereof. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party, to assume the defense of any Third Party Claim at the Indemnifying Party’s expense and by the Indemnifying Party’s own counsel, and the Indemnified Party shall cooperate in good faith in such defense. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to Section 7.5(b), it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party. The Indemnified Party shall have the right, at its own cost and expense, to participate in the defense of any Third Party Claim with counsel selected by it, subject to the Indemnifying Party’s right to control the defense thereof. If the Indemnifying Party elects not to compromise or defend such Third Party Claim or fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, the Indemnified Party may, subject to Section 7.5(b), pay, compromise or defend such Third Party Claim and, subject to the limitations set forth in this Article VII, seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim. Seller and Buyer shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available (subject to the provisions of Section 5.18) information reasonably available to such Party relating to such Third Party Claim.

(b) Settlement of Third Party Claims. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not enter into settlement of any Third Party Claim without the prior written consent of the Indemnified Party (which consent shall not be unreasonably withheld or delayed), except as provided in this Section 7.5(b). If a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnified Party and provides, in customary form, for the unconditional release of each Indemnified Party from all liabilities and obligations in connection with such Third Party Claim and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to that effect to the Indemnified Party. If the Indemnified Party fails to consent to such firm offer within ten (10) days after its receipt of such notice, the Indemnified Party may continue to contest or defend such Third Party Claim and in such event, the maximum liability of the Indemnifying Party as to such Third Party Claim shall not exceed the amount of such settlement offer. If the Indemnified Party fails to consent to such firm offer and also fails to assume defense of such Third Party Claim, the Indemnifying Party may settle the Third Party Claim upon the terms set forth in such firm offer to settle such Third Party Claim. If the Indemnified Party has assumed the defense pursuant to Section 7.5(a),

it shall not agree to any settlement without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

(c) **Direct Claims.** Any Claim by an Indemnified Party for indemnification on account of a Loss which does not result from a Third Party Claim (a “**Direct Claim**”) shall be asserted by the Indemnified Party giving the Indemnifying Party prompt written notice thereof, and in any event within thirty (30) days after the discovery by the Indemnified Party of the circumstances giving rise to such Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have thirty (30) days after its receipt of such notice to respond in writing to such Direct Claim. During such thirty (30) day period, the Indemnified Party shall allow the Indemnifying Party and its Representatives to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim, and the Indemnified Party shall assist the Indemnifying Party’s investigation by giving such reasonable information and assistance (including access to the Indemnified Party’s premises and personnel and the right to examine and copy any accounts, documents or records) as the Indemnifying Party or any of its professional advisors may reasonably request (subject to the provisions of Section 5.18). If the Indemnifying Party does not so respond within such thirty (30) day period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

Section 7.6 Tax Treatment of Indemnification Payments. Unless otherwise required by applicable Law, all indemnification payments made pursuant to this Agreement will be treated as an adjustment to the Purchase Price for all Tax purposes

Section 7.7 Waiver of Other Representations; No Reliance; “As Is” Sale.

(a) NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY AND EXCEPT FOR THOSE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN ARTICLE III, IT IS THE EXPLICIT INTENT OF EACH PARTY, AND THE PARTIES HEREBY AGREE, THAT NONE OF SELLER, ITS AFFILIATES OR THEIR RESPECTIVE REPRESENTATIVES HAS MADE OR IS MAKING ANY REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, AT COMMON LAW, STATUTORY OR OTHERWISE, WRITTEN OR ORAL, WITH RESPECT TO, (I) THE ACQUIRED ASSETS, THE ASSUMED LIABILITIES, OR ANY PART THEREOF OR (II) THE ACCURACY OR COMPLETENESS OF THE INFORMATION, RECORDS, AND DATA NOW, HERETOFORE, OR HEREAFTER MADE AVAILABLE TO BUYER IN CONNECTION WITH THIS AGREEMENT AND ANY SUCH OTHER REPRESENTATIONS OR WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED. BUYER HAS NOT EXECUTED OR AUTHORIZED THE EXECUTION OF THIS

AGREEMENT IN RELIANCE UPON ANY SUCH PROMISE, REPRESENTATION OR WARRANTY NOT EXPRESSLY SET FORTH HEREIN.

(b) WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, EXCEPT FOR THOSE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN ARTICLE III, THE ACQUIRED ASSETS ARE SOLD “AS IS, WHERE IS,” “WITH ALL FAULTS,” AND NONE OF SELLER OR ITS AFFILIATES, NOR ANY OF THEIR RESPECTIVE REPRESENTATIVES, MAKE OR HAVE MADE, AND BUYER IS NOT RELYING ON, ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, AT COMMON LAW, STATUTORY OR OTHERWISE, WRITTEN OR ORAL, AS TO LIABILITIES, OPERATIONS OF THE FACILITIES, TITLE, CONDITION, VALUE OR QUALITY OF THE ACQUIRED ASSETS OR THE PROSPECTS (FINANCIAL AND OTHERWISE), RISKS OR ANY OTHER MATTERS RESPECTING THE ACQUIRED ASSETS OR ASSUMED LIABILITIES, INCLUDING, WITHOUT LIMITATION, WITH RESPECT TO (I) THE ACTUAL OR RATED GENERATING CAPABILITY OF ANY OF THE FACILITIES OR THE ABILITY OF BUYER TO SELL FROM ANY OF THE FACILITIES ELECTRIC ENERGY, CAPACITY OR OTHER PRODUCTS RECOGNIZED BY ISO-NE FROM TIME TO TIME, (II) MERCHANTABILITY, USAGE, OR SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE WITH RESPECT TO THE ACQUIRED ASSETS, OR ANY PART THEREOF, (III) THE WORKMANSHIP OF THE ACQUIRED ASSETS, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT, (IV) COMPLIANCE WITH ENVIRONMENTAL REQUIREMENTS RESPECTING THE ACQUIRED ASSETS, (V) WHETHER SELLER POSSESSES SUFFICIENT REAL PROPERTY OR PERSONAL PROPERTY TO OPERATE THE ACQUIRED ASSETS, OR (VI) THE PROBABLE SUCCESS OR PROFITABILITY OF OPERATING THE ACQUIRED ASSETS AFTER THE CLOSING, ALL OF WHICH ARE EXPRESSLY DISCLAIMED BY SELLER. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, SELLER FURTHER SPECIFICALLY DISCLAIMS ANY REPRESENTATION OR WARRANTY REGARDING THE ABSENCE OF HAZARDOUS SUBSTANCES OR LIABILITY OR POTENTIAL LIABILITY ARISING UNDER ENVIRONMENTAL LAWS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, EXCEPT AS EXPRESSLY PROVIDED HEREIN, SELLER EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY OF ANY KIND REGARDING THE CONDITION OF THE ACQUIRED ASSETS OR THE SUITABILITY THEREOF FOR OPERATION AS POWER GENERATION FACILITIES OR AS SITES FOR THE DEVELOPMENT OF ADDITIONAL OR REPLACEMENT GENERATION CAPACITY. NO MATERIAL OR INFORMATION MADE AVAILABLE BY OR COMMUNICATIONS MADE BY SELLER, ITS AFFILIATES AND THEIR RESPECTIVE REPRESENTATIVES, THE NHPUC, OR ANY BROKER OR INVESTMENT BANKER IN EXPECTATION OF OR IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED HEREBY, INCLUDING WITHOUT LIMITATION ANY INFORMATION OR MATERIAL CONTAINED IN THE CONFIDENTIAL INFORMATION MEMORANDUM DATED AS OF MARCH 2017, ANY OTHER EVALUATION OR DUE DILIGENCE MATERIAL, THE DATA SITE, MANAGEMENT PRESENTATIONS, FUNCTIONAL “BREAK-OUT” DISCUSSIONS, OR ANY ORAL, WRITTEN OR ELECTRONIC RESPONSE TO ANY INFORMATION REQUEST MADE AVAILABLE TO BUYER, WILL CAUSE OR CREATE ANY WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, CONDITION, VALUE

OR QUALITY OF THE ACQUIRED ASSETS OTHER THAN THOSE REPRESENTATIONS AND WARRANTIES OF SELLER EXPRESSLY SET FORTH IN ARTICLE III, AND EXCEPT AS EXPRESSLY PROVIDED HEREIN, SELLER SHALL NOT HAVE OR BE SUBJECT TO ANY LIABILITY TO BUYER RESULTING THEREFROM.

Section 7.8 Exclusive Remedies; Certain Waivers, Releases and Limitations.

(a) Notwithstanding anything to the contrary set forth herein, subject to Section 8.3, from and after the Closing, the rights and remedies of the Parties under this Article VII, in Section 5.4(d) and in Section 5.8(f) shall be the exclusive rights and remedies available to any Party hereto with respect to any breach of any representation, warranty, covenant or agreement set forth in this Agreement, except in each case with respect to Losses arising from common law or statutory fraud, criminal activity or willful misconduct. Nothing in this Section 7.8(a) shall limit any Party's rights to seek and obtain any equitable relief to which such Party is entitled pursuant to Article VIII.

(b) Without limiting the provisions of Section 7.8(a), Buyer, for itself and its Affiliates, effective as of the Closing, hereby irrevocably releases, and forever discharges Seller, its Representatives and its Affiliates from any and all claims, demands, Losses, Liabilities, damages, complaints, causes of action, investigations, hearings, actions, suits or other Claims or proceedings of any kind or character whether known or unknown, hidden or concealed, arising out of or related to any Environmental Liability, except for those Excluded Environmental Liabilities but only to the extent and for so long as the same are retained by Seller pursuant to Section 2.4(h) and Section 2.4(i). In furtherance of the foregoing, effective as of the Closing, Buyer, for itself and its Affiliates, hereby irrevocably waives, with respect to any matter it is releasing pursuant to the preceding sentence, any and all rights and benefits that it now has or in the future may have conferred upon it by virtue of any Law or common law principle which provides that a general release does not extend to claims which a party does not know or suspect to exist in its favor at the time of executing such release, if knowledge of such claims would have materially affected such party's settlement with the obligor. Buyer hereby acknowledges that it is aware that factual matters now unknown to it may have given or hereafter may give rise to claims, demands, Losses, Liabilities, damages, complaints, causes of action, investigations, hearings, actions, suits or other Claims or proceedings that are unknown, unanticipated and unsuspected as of the Effective Date and will not be known, anticipated or suspected prior to the Closing Date, and Buyer further agrees that this Section 7.8(b) has been negotiated and agreed upon in light of that awareness, and Buyer, for itself and on behalf of its Affiliates, nevertheless hereby intends to irrevocably release, forever discharge Seller and its Affiliates as set forth in the first sentence of this Section 7.8(b).

(c) To the extent the transfer, conveyance, assignment and delivery of the Acquired Assets to Buyer as contemplated in this Agreement is accomplished by deeds, assignments, easements, leases, licenses, bills of sale or other instruments of transfer and conveyance, whether executed at the Closing or thereafter, these instruments are made without representation or warranty by, or recourse against, Seller, except as expressly provided in this Agreement or in any such instrument.

(d) No Representative or Affiliate of Seller shall have any personal liability to Buyer or any other Person as a result of the breach of any representation, warranty, covenant, agreement or obligation of Seller in this Agreement, and no Representative or Affiliate of Buyer shall have any personal liability to Seller or any other Person as a result of the breach of any representation, warranty, covenant, agreement or obligation of Buyer in this Agreement.

(e) NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, NO PARTY SHALL BE LIABLE FOR SPECIAL, PUNITIVE, EXEMPLARY, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES, OR LOST OPPORTUNITY, OR ANY DAMAGES BASED ON ANY TYPE OF MULTIPLE, WHETHER BASED ON CONTRACT, TORT, STRICT LIABILITY, OTHER LAW OR OTHERWISE AND WHETHER OR NOT ARISING FROM THE OTHER PARTY'S SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT ("**NON-REIMBURSABLE DAMAGES**"), PROVIDED, THAT ANY AMOUNTS PAYABLE TO THIRD PARTIES PURSUANT TO A THIRD PARTY CLAIM SHALL NOT BE DEEMED TO CONSTITUTE NON-REIMBURSABLE DAMAGES.

ARTICLE VIII TERMINATION

Section 8.1 Termination. This Agreement may be terminated at any time before the Closing as follows:

(a) By either Buyer or Seller, by written notice to the other, if the Closing shall not have occurred within twelve (12) months after the Effective Date, as may be extended pursuant to Section 5.16 (the "**Outside Date**"); *provided*, that (i) if the sole reason Closing has not occurred prior to the Outside Date is that one or more Consents of a Governmental Authority required to consummate the Closing pursuant to Article VI have not yet been obtained or made, and such Consents are being diligently pursued by the appropriate Party, then such Outside Date may be extended by either Party by written notice to the other Party delivered at any time before termination of this Agreement, for an additional ninety (90) days, and (ii) Buyer cannot terminate this Agreement under this provision if the failure of the Closing to occur is the result of the failure on the part of Buyer to perform any of its obligations hereunder and Seller cannot terminate this Agreement under this provision if the failure of the Closing to occur is the result of the failure on the part of Seller to perform any of its obligations hereunder;

(b) By Seller, by written notice to Buyer if Seller is not then in material default of any of its obligations under this Agreement and Buyer has breached in any material respect any of its representations, warranties, covenants, agreements or obligations in this Agreement and such breach has not been cured within thirty (30) days following written notification thereof (*provided*, that if, at the end of such thirty (30) day period, Buyer is endeavoring in good faith, and proceeding diligently, to cure such breach, Buyer shall have an additional thirty (30) days in which to effect such cure), and such breach, if not cured, would have a material adverse effect on Buyer's ability to perform its obligations hereunder;

(c) By Buyer, by written notice to Seller if Buyer is not then in material default of any of its obligations under this Agreement and Seller has breached in any material

respect any of its representations, warranties, covenants, agreements or obligations in this Agreement and (i) such breach has not been cured within thirty (30) days following written notification thereof; *provided, however*, that if, at the end of such thirty (30) day period, Seller is endeavoring in good faith, and proceeding diligently, to cure such breach, Seller shall have an additional thirty (30) days in which to effect such cure and (ii) such breach (to the extent not cured) would have a material and adverse effect on the operation of the Business, including the Acquired Assets, or would have a material and adverse effect on Seller's ability to perform its obligations hereunder;

(d) By either Buyer or Seller, by written notice to the other, if there shall be in effect any Law or final, non-appealable Order restraining, enjoining or otherwise prohibiting or making illegal the consummation of the transactions contemplated by this Agreement;

(e) By Buyer in accordance with Section 5.16 or Section 5.17;

(f) By Buyer pursuant to Section 2.6(a)(iii)(A)(2) or Section 5.15(b); or

(g) By mutual written agreement of Buyer and Seller.

Section 8.2 Effect of Termination; Termination Fee.

(a) If this Agreement is validly terminated pursuant to Section 8.1, there will be no liability or obligation on the part of Seller or Buyer (or any of their respective Representatives or Affiliates), except as provided in this Section 8.2.

(b) Regardless of the reason for termination, Section 5.4(d), Section 5.18, Section 5.19, Section 7.7, Section 8.2, Section 8.2(d), Section 8.3 and Article IX (and, in each case the applicable definitions and rules of interpretation set forth in Article I) will survive any termination of this Agreement.

(c) Upon termination of this Agreement by either Party for any reason, each Party shall return or destroy, in accordance with the terms of the Confidentiality Agreements and Section 5.18, all documents and other materials provided by the other Party relating to the Acquired Assets, the Assumed Liabilities, the Facilities or to this Agreement, the Related Agreements or the transactions contemplated hereby or thereby, including any information relating to the Parties to this Agreement, whether obtained before or after the execution of this Agreement, and all information received by Buyer with respect to Seller, the Acquired Assets, the Assumed Liabilities, the Facilities, this Agreement, the Related Agreements or otherwise respecting the transactions contemplated hereby shall remain subject to the terms of the Confidentiality Agreements and Section 5.18.

(d) If this Agreement is terminated by Buyer pursuant to Section 8.1(a) (arising out of a failure of Seller to comply in all material respects with its obligations under this Agreement) or Section 8.1(c), and such failure to comply is through no fault of Buyer, and provided that Buyer has complied in all material respects with its obligations under this Agreement, Buyer shall be entitled to recover from Seller all costs incurred by Buyer in connection with the preparation, negotiation and execution of this Agreement or recovery of damages from Seller, including attorneys' fees and expenses of financial and other advisors. In

addition to the foregoing damages (and not in lieu thereof), if such termination by Buyer occurs after January 1, 2018, Buyer is entitled to its loss of bargain, cost of funding or, at the election of Buyer but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them) of Buyer relating to any of the Facilities.

(e) If this Agreement is terminated by Seller pursuant to Section 8.1(a) (arising out of a failure by Buyer to pay the Purchase Price and make its other Closing deliverables under this Agreement after all of Buyer's conditions precedents to proceed to Closing have been satisfied) or Section 8.1(b), and such failure to comply is through no fault of Seller, and provided that Seller has complied in all material respects with its obligations under this Agreement, then, and in lieu of any other rights or remedies Seller may have at law or in equity, (i) Buyer hereby agrees to immediately pay to Seller, as liquidated damages (and not a penalty), an amount equal to Twenty-Six Million Two Hundred Fifty Dollars (\$26,250,000) in immediately available funds and (ii) Seller shall have the right to immediately seek such relief from the guarantors under the Guaranty to satisfy such payment obligation. The Parties acknowledge and agree that the provisions for payment of liquidated damages in this Section 8.2(d) have been included because, in the event of termination of this Agreement pursuant to Section 8.1(a) or Section 8.1(b), the actual damages to be incurred by Seller are reasonably expected to approximate the amount of liquidated damages set forth in this Section 8.2(d) and because the actual amount of such damages would be difficult if not impossible to measure and prove precisely. The Parties therefore expressly intend to liquidate damages in advance in accordance with this Section 8.2(d), and, without limiting the generality of the foregoing, acknowledge and agree that the amount of liquidated damages set forth in this Section 8.2(d) is reasonable and is not greatly disproportionate to the presumable loss or injury of Seller in the event of termination of this Agreement pursuant to Section 8.1(a) or Section 8.1(b). Buyer acknowledges that the agreements contained in this Section 8.2(d) are an integral part of the transactions contemplated by this Agreement and that, without these agreements, Seller would not enter into this Agreement. The Parties acknowledge and agree that (A) Seller shall be entitled to pursue either payment of liquidated damages in accordance with this Section 8.2(d) or to pursue specific performance pursuant to Section 8.3 and (B) Seller may, in its sole discretion, elect to receive either an award of liquidated damages in accordance with this Section 8.2(d) or seek judgment awarding specific performance pursuant to Section 8.3; *provided*, that the Parties acknowledge and agree that under no circumstance shall Seller be entitled to receive both payment of liquidated damages in accordance with this Section 8.2(d) and specific performance pursuant to Section 8.3.

Section 8.3 Specific Performance and Other Remedies. Each Party hereby acknowledges and agrees that the rights of each Party to consummate the transactions contemplated hereby are special, unique and of extraordinary character, and that, if any of the provisions of this Agreement were not performed by a Party in accordance with their specific terms or were otherwise breached by a Party, the non-breaching Party would suffer irreparable damage and would be without an adequate remedy at law. Notwithstanding anything to the contrary herein, if any Party violates or fails or refuses to perform any covenant or agreement made by such Party herein, without limiting or waiving in any respect any rights or remedies of a Party under this Agreement now or hereafter existing at law, in equity or by statute, the non-breaching Party shall, in addition to any other remedy to which a Party is entitled at law or in equity, be entitled

to specific performance of such covenant or agreement, injunctions to prevent or restrain breaches of this Agreement, and any other equitable relief, in each case without the proof of actual damages. Each Party agrees to waive any requirement for the security or posting of any bond in connection with any such equitable remedy, and agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that (a) the other Party has an adequate remedy at law, or (b) an award of specific performance is not an appropriate remedy for any reason at law or equity.

ARTICLE IX MISCELLANEOUS

Section 9.1 Expenses. Except as otherwise expressly provided in this Agreement, including in Section 8.2, whether or not the Closing shall have occurred, each Party will pay its own costs and expenses (including, without limitation, fees and disbursements of counsel, financial advisors and accountants) incurred in anticipation of, relating to and in connection with the negotiation and execution of this Agreement and the transactions contemplated hereby. Notwithstanding the foregoing, (a) each Party will pay all filing fees for Consents of Governmental Authorities required in connection with this Agreement, the Related Agreements and the transactions contemplated hereby and thereby, including filing fees in connection with filings under the HSR Act or in connection with obtaining required Consents from FERC as set forth in this Agreement, (b) Buyer will pay all document recordation costs (including all New Hampshire County Registry of Deeds recording fees and New Hampshire Land and Community Heritage Investment Program surcharges for all deeds, mortgage indenture releases, easements, plans and other recorded documents), and (c) Seller will pay all fees, including filing and recording fees, related to the discharge and release of all Liens encumbering the Acquired Assets, excluding the Permitted Liens.

Section 9.3 Entire Agreement. This Agreement (including the Exhibits and Schedules hereto), the Related Agreements and the Confidentiality Agreements constitute, as a complete and final integration thereof, the sole and entire agreement of the Parties with respect to the subject matter hereof, and supersede all prior and contemporaneous agreements (other than the Confidentiality Agreements), understandings or representations, both written and oral, between the Parties with respect to such subject matter. Except as otherwise set forth herein, all conflicts or inconsistencies between the terms hereof and the terms of any of the Related Agreements, if any, shall be resolved in favor of this Agreement.

Section 9.4 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be valid, binding and enforceable under applicable Law. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, and if the rights and obligations of any Party will not be materially and adversely affected thereby, (a) such provision will be fully severable, (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms of such illegal, invalid or unenforceable provision as may be possible.

Section 9.5 Schedules and Exhibits. Except as otherwise provided in this Agreement, all Schedules and Exhibits referred to herein, as the same may be amended, modified or supplemented from time to time in accordance with this Agreement, are intended to be and hereby are made a part of this Agreement. Any matter set forth in any Schedule under this Agreement corresponding to or qualifying a specific numbered paragraph of this Agreement shall be deemed to correspond to and qualify any other numbered paragraph of this Agreement to which the relevance or applicability of such matter is reasonably apparent on its face, whether or

not there is an explicit cross-reference thereto. Certain information set forth in the Schedules is included solely for informational and other disclosure purposes, is not an admission of liability with respect to the matters covered by the information, and may not be required to be disclosed pursuant to this Agreement. The specification of any dollar amount in any provision of this Agreement or the inclusion of any specific item in the Schedules is not intended to imply, and shall not be deemed to be an acknowledgement or admission, that such amounts (or higher or lower amounts) or items are or are not material, and shall not otherwise be deemed to establish any standard of materiality or to define further or otherwise interpret the meaning of “material,” “Material Adverse Effect,” or any similar terms for purposes of the Agreement. In no event shall the inclusion of any matter in these Schedules be deemed or interpreted to broaden or otherwise amplify the representations, warranties, covenants or agreements contained in this Agreement. Capitalized terms used and not otherwise defined in the Schedules shall have the meanings given to them in this Agreement.

Section 9.6 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors and permitted assigns. No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of the other Party. Notwithstanding the foregoing, either Party may assign its rights under this Agreement without the consent of the other Party for purposes of providing collateral security in connection with any financing. No assignment shall relieve the assigning Party of any of its obligations hereunder or thereunder. Notwithstanding the foregoing, Buyer will have the right by written notice to Seller not less than fifteen (15) days prior to the Closing to direct the transfer of Acquired Assets (but without duplication) to one or more wholly-owned subsidiaries of Buyer (each, a “**Buyer Subsidiary**”) and agrees that each Buyer Subsidiary will assume in writing (a copy of which shall be provided to Seller) any Assumed Liability related to such Acquired Assets assigned to it and be liable to Seller for Buyer’s obligations under this Agreement related to such Assumed Liabilities and Acquired Assets, provided that Buyer will remain liable for all obligations related to such any Assumed Liability assumed by a Buyer Subsidiary.

Section 9.7 No Third Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of the Parties hereto, their respective successors and permitted assigns, and any Person benefitting from the indemnities, releases or limitations of liability provided herein, and nothing herein, express or implied, is intended to or shall confer upon any other Person (including any employee, any beneficiary or dependents thereof, or any collective bargaining representative thereof) any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 9.8 No Joint Venture or Agency. Nothing in this Agreement creates or is intended to create an association, trust, partnership, joint venture or other entity or similar legal relationship between the Parties, or impose a trust, partnership or fiduciary duty, obligation or liability on or with respect to either Party. Except as expressly provided herein, neither Party is or shall act as or be the agent or representative of the other Party.

Section 9.9 Amendments and Waivers. Except to the extent expressly set forth herein with respect to Schedule Updates during the Interim Period, this Agreement may not be amended, modified or supplemented except by an agreement in writing signed by each Party hereto. No

waiver by any Party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the Party so waiving. No waiver by any Party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after such written waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

Section 9.10 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the state of New Hampshire without giving effect to any choice or conflict of law provision or rule (whether of the state of New Hampshire or any other jurisdiction) that would cause the application of Laws of any jurisdiction other than those of the state of New Hampshire, except to the extent that certain matters are pre-empted by federal Law or are governed by the Law of the jurisdiction of organization of any Party or other Person referred to herein.

Section 9.11 Dispute Resolution. Prior to instituting any litigation or dispute resolution mechanism, each of the Parties will attempt in good faith to resolve any dispute or claim promptly by referring any such matter to their respective senior executives for resolution. Either Party may give the other Party written notice of any dispute or claim. Within ten (10) days after delivery of said notice, the executives will meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary to exchange information and to attempt to resolve the dispute or claim within thirty (30) days.

Section 9.12 Submission to Jurisdiction. ANY ACTION, SUIT OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE RELATED AGREEMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY SHALL BE INSTITUTED IN THE FEDERAL OR STATE COURTS LOCATED IN THE STATE OF NEW HAMPSHIRE IN ACCORDANCE WITH THE PROVISIONS OF THIS SECTION 9.12. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY CONSENTS AND DOES HEREBY SUBMIT TO THE EXCLUSIVE JURISDICTION OF THE BUSINESS AND COMMERCIAL DISPUTE DOCKET (BCDD) OF THE SUPERIOR COURT OF THE STATE OF NEW HAMPSHIRE PURSUANT TO N.H. SUPERIOR COURT CIVIL RULE 207 OR THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEW HAMPSHIRE FOR ANY SUCH ACTION, SUIT OR PROCEEDING, AND HEREBY FURTHER IRREVOCABLY AND UNCONDITIONALLY WAIVES AND AGREES NOT TO PLEAD IN ANY SUCH COURT THAT ANY SUCH ACTION, SUIT, OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 9.13 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT OR THE RELATED AGREEMENTS IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS

AGREEMENT, THE RELATED AGREEMENTS OR THE TRANSACTIONS
CONTEMPLATED HEREBY OR THEREBY.

Section 9.14 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail, PDF or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

SCHEDULES TO PURCHASE AND SALE AGREEMENT

These Schedules are attached to and a part of the Purchase and Sale Agreement (the “**Agreement**”), dated as of October 11, 2017, by and between Public Service Company of New Hampshire, a New Hampshire corporation (“**Seller**”) and Granite Shore Power LLC, a Delaware limited liability company (“**Buyer**”). Unless the context otherwise requires, capitalized terms used but not defined in the Schedules have the meanings given to them in the Agreement.

The matters set forth in these Schedules relate to any and all of the representations, warranties, covenants and agreements made in the Agreement and to matters of disclosure generally. Any matter set forth in any Schedule corresponding to or qualifying a specific numbered paragraph of the Agreement shall be deemed to correspond to and qualify any other numbered paragraph of the Agreement to which the relevance or applicability of such matter is reasonably apparent on its face, whether or not there is an explicit cross-reference thereto. In no event shall the inclusion of any matter in these Schedules be deemed or interpreted to broaden or otherwise amplify the representations, warranties, covenants or agreements contained in the Agreement. No disclosure in the Schedules relating to any possible breach or violation of any Contract or Law shall be construed as an admission or indication to any Person that is not a Party to the Agreement that any such breach or violation exists or has actually occurred.

Solely for convenience of reference, certain Schedules are organized using a general heading, followed by headings corresponding to the names of specific Facilities. In any such Schedule, those items listed under the general heading are generally applicable with respect to all Facilities and Acquired Assets, and those items listed under a specific Facility heading are additional items relating to such specified Facility. Working Capital Adjustment Calculation

The Working Capital Adjustment shall be calculated as \$136,094,648 (the “Target”) minus the net working capital as of Closing calculated in the same manner as the Target in the example calculation below and in accordance with the notes below. If the Working Capital Adjustment is a positive number, it shall be deducted from Base Purchase Price and if the Working Capital Adjustment is a negative number, the absolute value of such number shall be added to Base Purchase Price.

- For all fuel oil and kerosene/jet fuel, Buyer and Seller shall engage a third-party (to be mutually agreed-upon prior to Closing) to conduct as of Closing, a measurement of the volume of each fuel, net of free water and bottom solids, measured according to the American Petroleum Institute Manual of Petroleum Measurement Standards.
- For coal held in storage, Buyer and Seller shall engage CDI L.R. Kimball to conduct as of Closing, an aerial inventory survey on the same basis as used in measuring the inventory as of June 12, 2017 in Data Site file 1.4.20.2.
- Materials and supplies Inventory as of Closing shall be deemed to equal \$26,935,000 unless the value of materials and supplies Inventory has increased or declined by more than 10%, in which case the value as of Closing shall be calculated in the same manner as was used in the financial information on Schedule 3.15.
- The following unit values shall be used to calculate the values of each of the categories of Inventory as of Closing, provided that if Seller purchases additional Inventory in consultation with Buyer in accordance with Section 5.5(b), such additional Inventory shall be valued at 100% of Seller’s delivered cost.

Inventory type	Unit of measure	\$ / unit
Fuel oil #6	barrel	55.75
Fuel oil #2 (Merrimack, Newington, Schiller)	gallon	2.01
Fuel oil #2 (Lost Nation, White Lake)	gallon	2.10

The following table sets forth the calculation of the Target which set the basis for how the net working capital as of Closing shall be calculated. The table also contains an example calculation which is intended to be illustrative only, and shows example assets and liabilities as of Closing

which would result in a \$5,030,636 Working Capital Adjustment as a reduction to Base Purchase Price.

SCHEDULE 2.6(a)(iv)

Delayed Closing Adjustment Calculation

The delayed closing adjustment to be subtracted from the Base Purchase Price shall be calculated as the sum of the Capacity Payment Adjustment and the Energy Margin Adjustment (each as calculated below).

Capacity Payment Adjustment:

For the purposes of this Schedule 2.6(a)(iv), the number of days elapsed between two dates shall be calculated on the basis of a 360-day year and include the ending date.

If the number of days elapsed between January 1, 2018 and the Closing Date (the “**Closing Delay**”), is less than or equal to 150 days, the Capacity Payment Adjustment shall be an amount equal to 1,059,000, multiplied by the Closing Delay, divided by 30, multiplied by the greater of (a) 7.025 minus the Rest-of-Pool Payment Rate for Existing Generators in Forward Capacity Auction #12 as defined in the ISO-NE Tariff (the “**FCA12 Price**”) and (b) zero.

If the Closing Delay exceeds 150 days, the Capacity Payment Adjustment shall be an amount equal to the sum of:

(x) 5,295,000, multiplied by the greater of (a) 7.025 minus the FCA12 Price and (b) zero, and

(y) 1,059,000, multiplied by the number of days elapsed between June 1, 2018 and the Closing Date, divided by 30, multiplied by the greater of (a) 9.551 minus the FCA12 Price and (b) zero.

By way of example only, and not intending to be binding, the below table contains examples of Capacity Payment Adjustment calculations at various closing dates, illustrative of a \$7.000 / kw-mo FCA 12 clearing price.

Closing date	Delay (days)	Delay days ≤ 150	Delay days > 150	Capacity (kW)	FCA8 / 9 (\$/kw-mo)	FCA 12 (\$/kw-mo)	Capacity payment adjustment (\$'s per month)	Total capacity payment adjustment (\$'s)

Energy Margin Adjustment:

For the period beginning on January 1, 2018 and ending on the Closing Date:

All revenues earned by the Business, including but not limited to energy, ancillary services, ISO-NE Forward Reserve Market and Real-Time Reserve revenues and Winter Reliability Program revenues, excluding revenues from sale of the ISO-NE Forward Capacity Market product (each as defined the ISO-NE Tariff) contemplated in the Capacity Payment Adjustment and any penalties imposed by ISO-NE, less variable operations and maintenance (“VOM”) costs, Regional Greenhouse Gas Initiative (“RGGI”) costs, Fuel Costs, and Non Fuel Startup Costs associated with delivery of the products to the ISO-NE wholesale energy market.

VOM costs

VOM costs are to be calculated by unit per the table below as VOM costs per megawatt-hour, multiplied by megawatt-hours of electricity sold.

RGGI costs

For the period starting January 1, 2018 and ending on the date of RGGI CO₂ Allowance Auction 39 (“RGGI Period 1”), the RGGI costs shall be calculated as the RGGI CO₂ Allowance Auction 38 Clearing Price multiplied by the tons of CO₂ produced by the Facilities during RGGI Period 1.

For each successive period starting on the date of a RGGI CO₂ Allowance Auction and ending on the date of the following RGGI CO₂ Allowance Auction, the RGGI costs shall be calculated as the Clearing Price of the RGGI CO₂ Allowance Auction occurring on the first day of such period, multiplied by the tons of CO₂ produced by the Facilities during such period.

Fuel Costs

Fuel Costs are to be calculated as quantity of Fuel by type multiplied by such Fuel’s Fuel Price detailed in Schedule 2.6(a)(i) Working Capital Adjustment Calculation.

Non Fuel Startup Costs

Non Fuel Startup Costs are to be calculated by unit per the table below as Non Fuel Startup Costs per start, multiplied by number of starts.

SCHEDULE 3.11(b)

Certain Environmental Matters

1. Merrimack Station NPDES Permit

Merrimack Station’s current National Pollutant Discharge Elimination System (“NPDES”) Permit No. NH0001465 was issued by EPA on June 25, 1992. The permit was administratively continued in 1997 as a result of Seller’s timely application for permit renewal. EPA issued a new draft of the permit on September 30, 2011, and a revised draft of a portion of the permit on April 18, 2014. The proposed draft discontinues the Station’s Clean Water Act (“CWA”) § 316(a) thermal variance, establishes more stringent thermal limits based on closed cycle cooling (“CCC”) technology (i.e., cooling towers), and requires seasonal operation of CCC technology under § 316(b) to reduce impingement and entrainment of fish and aquatic species by the Station’s cooling water intake structures (“CWISs”). The draft also includes a zero discharge limit for the Station’s flue gas desulphurization (“FGD”) waste water effluent, based on a determination that the Station’s current treatment system is capable of meeting a zero liquid discharge.

Following issuance of the 2011 draft permit and 2014 revised draft permit, Seller submitted extensive comments, information, and data to EPA and, more recently, requested EPA to issue a new draft permit that addresses these comments and data, as well as legal developments since the 2011 and 2014 drafts, including, among other things, changes in the nationally applicable rules governing § 316(b) and FGD discharges. On March 23, 2016, Seller notified EPA of Seller’s decision to opt into the Voluntary Incentives Program (“VIP”) established under the Effluent Limitations Guidelines and Standards for the Steam Electric Power Generating Point Source Category (“ELGs”) which provides that Seller may take until December 31, 2023, to achieve the evaporative based effluent limitations for the treatment of FGD waste water.

On July 26, 2017, EPA provided notice that, effective August 4, 2017, EPA is reopening the public comment period to allow additional comment to address certain data, information, and arguments that pertain to the 2011 draft permit and 2014 revised draft permit. The public comment period currently extends through December 4, 2017. Seller intends to submit additional comments, information, and data in response to the public notice.

Should EPA fail to modify its 2011 and 2014 draft permit determinations in its final permit, the final permit may be appealed to the Environmental Appeals Board and then to the United States Court of Appeals for the First Circuit, if necessary. Until a final permit is issued and all appeals are exhausted, the Station’s existing permit remains in full force and effect.

The 2011 draft permit, 2014 revised draft permit, comments of stakeholders, submissions of Seller, and information concerning the reopening of the public comment period and how to submit comments are available at EPA Region 1’s website dedicated to the Merrimack NPDES permit renewal proceeding, found at:

<https://www3.epa.gov/region1/npdes/merrimackstation/>

2. **Schiller Station NPDES Permit**

Schiller Station's current NPDES Permit No. NH0001473 was issued by EPA on September 11, 1990. The permit was administratively continued following Seller's timely application for renewal. EPA issued a new draft permit on September 30, 2015. The currently proposed draft continues Schiller Station's CWA § 316(a) thermal variance. The draft requires that fine-mesh cylindrical wedgewire ("CWW") screens be installed on the CWISs to comply with CWA § 316(b) and requires the Station to hold its annual outage during the month of June as opposed to April when the Station ordinarily has its outage. The permit also establishes new iron and copper limits for nonchemical metal cleaning wastes. Seller submitted extensive comments on the draft permit on January 27, 2016. Should EPA fail to modify its 2015 draft permit determinations in the final permit, the final permit may be appealed to the Environmental Appeals Board and then to the United States Court of Appeals for the First Circuit, if necessary. Until a final permit is issued and all appeals are exhausted, the Station's existing permit remains in full force and effect. The draft permit, comments of stakeholders, and submissions of Seller are available at EPA Region 1's website dedicated to the Schiller NPDES permit renewal proceeding, found at:

<https://www3.epa.gov/region1/npdes/schillerstation/index.html>

3. **Schiller Station Title V Permit**

The New Hampshire Department of Environmental Services ("NHDES") issued a final renewed Clean Air Act ("CAA") Title V Operating Permit to Schiller Station on June 6, 2014. On July 24, 2014, Sierra Club petitioned EPA to object to the permit. The petition was granted, in part, by EPA on July 28, 2015 with respect to Sierra Club's claim that the SO₂ limits in the Permit are insufficient to prevent Schiller Station from interfering with maintenance of the 2010 1-hour sulfur dioxide (SO₂) National Ambient Air Quality Standard ("NAAQS") in Maine. EPA ordered NHDES to provide additional explanation concerning the Permit's SO₂ emission limitations and determine whether different limitations are necessary under New Hampshire's State Implementation Plan.

On November 9, 2016, in response to EPA's order, NHDES issued a revised draft Title V Permit for Schiller Station proposing, among other revisions, a new SO₂ permit limit of 0.77 lb/MMBtu (boiler operating day average) (compared to the previous SO₂ permit limit of 2.4 lb/MMBtu). Seller and Sierra Club submitted comments opposing the proposed Permit revisions. Seller argued for a higher emissions limit of 0.92 lb/MMBtu and Sierra Club requested a lower limit of 0.49 lb/MMBtu.

On February 28, 2017, NHDES issued an updated draft Permit that includes a revised SO₂ emissions limit of 0.83 lb/MMBtu. Seller and Sierra Club submitted comments on the updated draft Permit.

On June 13, 2017, EPA wrote to NHDES advising EPA had completed its review of the proposed revised permit and did not object to its issuance.

On June 15, 2017, NHDES reissued the final, revised Title V permit for Schiller Station. The reissued Title V permit became effective upon issuance and expires on June 30, 2019.

Commenters in the Title V permit proceedings have until August 25, 2017, to petition EPA to object to the Title V permit.

4. **CAA Section 126 Petition by Town of Eliot, Maine**

On August 22, 2013, the Town of Eliot, Maine filed a petition to EPA under Section 126 of the CAA, 42 U.S.C. § 7426. The petition, which was drafted for the Town of Eliot by Sierra Club, requests EPA determine air emissions generated by Seller's Schiller Station are causing and significantly contributing to nonattainment of the 1-hour SO₂ primary NAAQS in the Town of Eliot, as well as York County, Maine. The petition seeks an order from EPA directing Schiller Station to reduce SO₂ emissions as expeditiously as practicable but no later than three years "such that the Plant is no longer causing or significantly contributing to nonattainment of the NAAQS in the town of Eliot, Maine."

On November 8, 2013, EPA extended its deadline for ruling on the petition to May 8, 2014. On February 4, 2014, Seller provided EPA with preliminary comments to the petition stating Seller's intent to vigorously contest any unfavorable EPA action on the petition on numerous grounds. Subsequently, EPA and NHDES, in partnership with the Town of Eliot and the Maine Department of Environmental Protection, conducted a two-year air quality monitoring study from 2014 to 2016. EPA Region 1 issued a study report in September 2016, finding no exceedances of the 1-hour SO₂ NAAQS threshold of 75 ppb during the monitoring period.

To date, EPA has not ruled on the Section 126 petition; although, as discussed with respect to Seller's Title V Operating permit, NHDES has established a new, revised SO₂ emissions limit of 0.83 lb/MMBtu in the final re-issued permit. Seller and other third-parties will have the opportunity to provide notice and comment concerning any ruling on the Section 126 petition. Seller may directly challenge any final rulemaking in the United States Court of Appeals for the First Circuit, if necessary.

SCHEDULE 3.11(e)

Removal Contract

On June 12, 2017, an employee of the Removal Contractor voiced concern regarding potential mercury exposure. The Removal Contractor stopped all cutting, burning and handling of steel to re-evaluate their safety and work procedures. On August 31, 2017, the Removal Contractor resumed work.

Additionally, in July 2017 Seller met with the New Hampshire Department of Environmental Services (“**NHDES**”) and NHPUC to discuss the project’s air compliance plan. Although NHDES advised that air emissions during demolition are in compliance, they asked that Seller explore additional measures to reduce total project air emissions. Seller followed up on this request with proposed work process and pollution control equipment modifications that were supported by both NHDES and the NHPUC.

Seller is currently negotiating an amendment to the Removal Contract to revise the schedule for work due to the foregoing. These efforts will reduce overall air emissions and provide a safer work environment. Seller expects the work under the Removal Contract, as amended, will be completed in mid-2018.

Contributory Retirement Plan

The following is an excerpt from the “Eversource 401k Plan – Summary Plan Description” document that describes the key components of the Seller’s Contributory Retirement Plan. Please refer to the plan documents in the Data Site for additional details, including definitions of terms referenced in the description below.

Seller-Matching Contributions

Employees are always full vested in their contributions to the Plan and in Seller-matching contributions.

The Seller-matching contribution is equal to 100% up to the first three percent of Eligible Compensation the Employee contributes to his or her Pre-Tax and/or Roth-401(k) accounts for any Plan year.

K-Vantage

K-Vantage is an account within the Plan that was added when participation in the Eversource Pension Plan, a defined benefit pension plan, was discontinued for newly hired, non-represented Employees in 2006 and represented employees as subsequently negotiated. Employees hired prior to January 1, 2006 may not actively participate in K-Vantage and in the Eversource Pension Plan unless they “opted in” to K-Vantage through the former “CHOICE” program—in which case they will continue to have a frozen benefit in the Eversource Pension Plan. All non-represented employees hired after December 31, 2005, and represented Employees subsequently hired on dates as negotiated, are eligible to receive K-Vantage contributions from the Company—effective on their first date of employment. K-Vantage contributions are automatically provided regardless of whether or not a K-Vantage employee actively participates in the Plan. Non-represented employees hired before January 1, 2006 (and represented Employees hired before a negotiated date) may also participate in K-Vantage if they “opted in” to K-Vantage during specified enrollment periods.

Employee’s account each pay period and are calculated based on the sum of the eligible Employee’s years and months of age and K-Vantage Service, rounded down to a whole year as of January 1 of each Plan Year as follows:

<u>Age Plus K-Vantage Service</u>	<u>% of K-Vantage Pay</u>
Less than 40	2.5
40 or more but less than 60	4.5
60 or more	6.5

The applicable K-Vantage percentage is multiplied by the Employee’s K-Vantage Pay to arrive at the K-Vantage contributions for the pay period.

SCHEDULE 5.8(g)
