Southwest Colorado Bass Club

Welcome to Southwest Colorado Bassmasters. We are very fortunate to live in one of the most beautiful places on earth where outdoor adventures are plenty. SWBC is a grassroots fishing organization affiliated with the Bass Anglers Sportsmen's Society (B.A.S.S.) dedicated to conservation, youth and the freedom to fish. Our mission is to educate on conservation and fishing techniques at Four Corner's area lakes and to add a competitive edge while doing so.

Our meetings are the first Tuesday of every month, 7:00PM at:
Christina's Bar and Grill
21382 US Hwy 160 West
Durango, CO

Club website: www.southwestcoloradobassmasters.com

Club Officers/Contacts:

President: Robert Crask

Vice-President: Allen McCaw

Tournament Director: Josh Tschafer

Faber and Gardner Win Spring 2012 Bullfrog Open Ty
Faber and John Gardner fished the STQT

at Lake Powell and both made the State Team. But that was not the final cast of the trip for this pair.

At the 2012 STQT at Lake Powell, Ty Faber finished in 12th Place and John Gardner in 7th. But that just wasn't good enough! The two anglers from the Southwest Colorado Bassmasters had planned on fishing the Bullfrog Open held on the Saturday and Sunday right after the STQT. It's a good thing they did; they went out and won the tournament!

John Beranek Wins 2012 STQT!

Coming off the big come-from-behind win, Southwest Colorado Bassmaster John Beranek takes a moment to review what worked at the State Team Qualifying Tournament.
