Henry,

Can you please clarify the deadline to submit public comments for the Draft PSD Permit for Ocotillo? The top of the public notice says the public comment period ends April 3, but then in the text of the document it says you will accept written comments as long as they are received by April 10 at 5 pm. Which is it?

Second question: May I email written comments to you, or must they be hard-copy mailed?

Thanks for your help.

Hello Henry,

I noticed that the Ocotillo draft permit was posted March 4. Can you please provide Appendix A to the TSD (? It does not appear to be included on the web posting.

Thank you.
