Samir:

In reviewing the interim admin record index you provided us, we noticed several "memo to file" documents in the "OTHER" category. Specifically, we are interested in documents 22 through 27 authored by David Pincumbe and Susan Murphy, as we have never seen these documents before. Can you please provide us a copy of these memos as soon as possible?

Thank you.
Phil

John, I have attached an interim version of our administrative record index. As you will see, the list is still in draft and the indexing is not yet complete but I am sending it along to you per your request.

Samir

Has EPA compiled the list of documents that represent the administrative record for the Taunton permit? If so, I would appreciate receiving a copy.

Thanks

John
