Hi Henry,
Can you please provide me with the final permit and technical support document for Ocotillo?
Thanks
Travis

Hello Travis,

You're correct, we are doing the renewal before the modernization project. It looks like we will be ready to go with the modernization project late November at the earliest and most likely sometime mid-December.

Let me know if you have any other questions.

Thanks,

The Air Quality Department strives to provide excellent customer service to residents of Maricopa County.

How are we doing? [Send us your feedback.](#)

Subject: Status re Ocotillo Power Plant

Hello Henry,

Do you have any updates on the timing of APS's Application for the Ocotillo Modernization Project? I noticed online that a public notice has issued for the Ocotillo Power Plant Title V renewal. This looks like a renewal of the permit for the existing facility and not the proposed modernization, correct? Please let me know if I am misinterpreting. Also, if you have any insight on when the draft permit for the modernization project might issue, that would be helpful.

Thank you.

Travis
