**ORDER CLARIFYING FEBRUARY 12, 2021, ORDER GRANTING MOTION FOR  
 EXTENSION OF TIME TO FILE RESPONSE**

On February 12, 2021, the Environmental Appeals Board (“Board”) issued an order granting an extension motion filed by the EPA Offices that developed the Plantwide Applicability Limit permit at issue in these appeals. The order provided that “the EPA Offices’ response to each petition for review (and other responsive filings required by 40 C.F.R. § 124.19(b)) must be filed with the Board on or before **March 26, 2021.**” Order Granting Motion for Extension of Time to File Response (EAB Feb. 12, 2021).

This order makes clear that the same deadline—**March 26, 2021**—applies to Permittees Limetree Bay Terminals, L.L.C. and Limetree Bay Refining, L.L.C. should they choose to file a response to the petition in CAA Appeal No. 20-02. 40 C.F.R. § 124.19(b)(3).

So ordered.
