CAA Appeal No. 17-02

**ORDER CONTINUING STAY OF PROCEEDINGS
AND
DIRECTING STATUS REPORT**

On February 22, 2018, the Environmental Appeals Board (“Board”) issued an order continuing the stay of proceedings in this case until March 22, 2018, to provide EPA with time to determine whether to withdraw or withhold its consent to the parties’ contingent settlement agreement. The Board’s order directed the parties to file a status report by March 12, 2018, advising the Board “whether EPA anticipate[d] being able to make a decision regarding the settlement agreement, and if appropriate, file motion seeking voluntary remand and dismissal of this Petition by the date the stay expires.”

On March 12, 2018, the parties filed a joint status report in which EPA represents that it expects to make a decision on whether to withdraw or withhold its consent to the contingent settlement agreement on or before March 22, 2018.

Based on the parties’ representations, the Board concludes that this case should continue to be stayed until **March 22, 2018**. The parties shall file a status report by **March 22, 2018**,

informing the Board of the progress EPA has made, and of any further proceedings that may be necessary, beyond March 22nd, to address this Petition.

So ordered.
