NPDES Appeal Nos. 07-14 & 07-15

**THIRD ORDER GRANTING EXTENSION OF TIME**

By motion filed on September 27, 2007, the County of Sonoma and the Sonoma County Water Agency ("County"), petitioners in the above-captioned matter, state that they are continuing efforts to reach a mediated resolution and request that the Board grant an extension of time, until October 29, 2007, for the Region and the Permittee to respond to the petitions for review. The Motion states that all parties concur in this request.

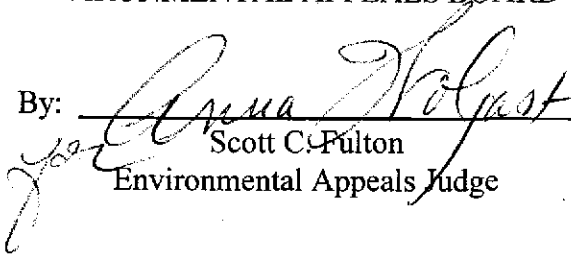

For good cause shown, the Motion is granted. Any responses to the petitions for review filed in the above-captioned matter must now be filed with the Board no later than October 29, 2007,<sup>1</sup> including any response to the petitions filed by the permittee, unless this matter is resolved before that date. In the event that the parties resolve this matter by October 29, 2007, they shall promptly advise the Board. Given that this is the third extension granted in this matter, the Board will give more scrutiny to any future extension requests.

So ordered.
