**ORDER SCHEDULING TELECONFERENCE HEARING**

For logistical reasons, the video-conference hearing scheduled for April 3, 2008, will proceed as a regular teleconference. The date and time, April 3 at 1:00 PM Eastern Daylight Time, are unaffected.

It is anticipated that the following persons will participate on the call: Rob Simpson (petitioner), Alexander Crockett (representing the Bay Area Air Quality Management District), Richard Ratliff (representing the California Energy Commission), and Jeffrey Harris (representing Russell City Energy Center). As discussed in the Board's order of March 20, 2008, the purpose of the hearing is for the Board to obtain and clarify facts about the notice process. Participants should be prepared to respond to questions from the Board. Neither formal statements nor oral argument are anticipated.

All participants should notify the Clerk of the Board of a contact phone number by the

end of today. The Clerk of the Board can be reached at (202) 233-0122. The Clerk of the Board will initiate the conference call.

So ordered.
