RCRA Appeal No. 07-01

**ORDER GRANTING SEVENTH REQUEST FOR EXTENSION OF TIME**

On July 16, 2008, the parties in the above-captioned matter, U.S. EPA Region 5 (the "Region") and PPG Industries Ohio, Inc. and PPG Industries, Inc. (collectively "PPG"), filed their seventh motion requesting to stay the proceedings in this case until September 2008. By order dated July 17, 2008, the Environmental Appeals Board ("Board") scheduled a teleconference to better understand the premise of the parties' request. The teleconference was held today, July 23, 2008, at 11:00 a.m. EST.

Upon the Region's representations in today's teleconference that the Region should be able to issue a draft modified permit available for public comment within "two weeks," the Board grants the parties' request for an extension of time. The proceedings before the Board are now stayed until September 24, 2008, to allow the 45-day public comment period to run, at which point the parties

shall submit a report regarding the status of the permit modification process and their expectations for resolution of these proceedings.

So ordered.
