EPA REGION 1 NOTICE ON ORAL ARGUMENT

In response to the Environmental Appeals Board’s April 13, 2017, Order Directing Parties to Provide Notice of Election To Participate in Oral Argument, the U.S. Environmental Protection Agency, Region 1 (“the Region”) notifies the Board that the Region will participate in oral argument for the five above-referenced actions.

The Region’s preference and intention are to appear in person for the oral argument. However, that intention and preference are subject to potential budgetary constraints at EPA.

To the extent that the Region becomes aware that budgetary restrictions would restrict the Region’s team from traveling, the Region will notify the Board immediately. In that event, the Region would request to appear by videoconference.

Respectfully submitted,

April 24, 2017

/s/ Timothy M. Conway
