The U.S. EPA Environmental Appeals Board ("Board") has issued a decision today in the matter of *Dominion Energy Brayton Point, L.L.C. (Formerly USGen New England, Inc.), Brayton Point Station, NPDES Permit No. MA0003654, NPDES Appeal No. 03-12*. We are not faxing the document due to its length. As a courtesy, however, the Board is hereby informing you by facsimile or e-mail that the decision has been issued, and that it is available on the Board's website at www.epa.gov/cab/. It may be found on the "published decisions" page and/or on the "recent decisions" page of that website. The decision is also being mailed to all participants by the usual means of service (i.e., either by first-class mail, pouch mail, or inter-office mail). If you have any problems locating the decision on the Board's website, you may call the Board at (202) 233-0122.
