Permit Number: DC0000221

Dear Ms. Durr:

On November 9, 2011, you issued a letter to the parties regarding participation in the Board's ADR program for the appeals referenced above. You requested that the parties notify you by November 23, 2011, whether or not they would agree to participate in the ADR program.

On November 17, 2011, the District Department of the Environment ("DDOE") filed a Motion for Leave to Intervene as a Party Respondent and Request to Respond to Petitions for Review in these matters. Should the Board grant the motion, DDOE would consent to participation in the Board's ADR program.

Should you need any additional information, please do not hesitate to contact me at (202) 481-3845 or Alan Barak at (202) 741-0843. Thank you.

Sincerely,

Amy E. McDonnell
