ENVIRONMENTAL APPEALS BOARD

Re: MGP Ingredients of Illinois, Inc.
Appeal Number: PSD 09-03

Dear Mr. Scott:

This is to advise you that the Environmental Appeals Board (the "Board") received on July 21, 2009, a petition filed by David C. Bender, Attorney, McGillivray Westerberg & Bender LLC, on behalf of the Sierra Club, asking the Board to review a PSD determination by your Department.

A copy of the petition and exhibits can be found on the Board's website at http://yosemite.epa.gov/oa/EAB_Web_Docket.nsf/f22b4b245fab46c6852570e6004df1bd/214738f790e9c9fb852575fa006c915c!OpenDocument. If you have any difficulty accessing this document, please let me know.

To assist the Board in deciding whether the matters raised by Petitioner should be reviewed, please have your staff prepare a response that addresses Petitioner's contentions and whether Petitioner has satisfied the requirements for obtaining review under 40 C.F.R. Section 124.19.

Response Seeking Summary Disposition. If you believe that the petition in its entirety may be appropriate for summary disposition, either because the Board does not have jurisdiction to consider the petition, the appeal is untimely, Petitioner lacks standing to file an appeal, or none of the issues raised in the petition were preserved for review, please file a response to that effect by no later than August 4, 2009. Please include relevant portions of the administrative record with your response.

File an original (signed in blue ink) and two copies of these materials with the Board (at the address shown below) by the date specified above, and send a copy to Petitioner, with a certificate of service showing the date and method of service. Petitioner shall have 10 days from the date of service of a response seeking summary disposition to file a reply with the Board, unless the Board determines otherwise.¹

¹The Environmental Appeals Board has an innovative system that allows parties to submit copies of documents, including exhibits, electronically in PDF. Instructions on registration and document submission, are available by using the "Electronic Submission" link

If the Board determines that summary disposition is appropriate, the Board will issue an order to that effect. If the Board determines that summary disposition is not appropriate, or that the issue of summary disposition should be reserved until after a response to the merits of the petition is filed, the Board will issue an order directing that a response to the merits of the petition be filed within 15 days of the Board's order.

Response not Seeking Summary Disposition. If you do not file a response seeking summary disposition, please file a response to the merits of the petition by not later than August 19, 2009. Please include with your response relevant portions of the administrative record, together with a certified index of the entire administrative record.

File an original (signed in blue ink) and two copies of these materials with the Board, and send a copy to petitioner, with a certificate of service showing the date and method of service.

All documents that are sent through the U.S. Postal Service, Express Mail, hand-delivered, via courier must include the name of the organization, address, facsimile number, telephone number, and an email address, if available².

on the Board's website. Please note that, at the present time, electronic submissions will not be considered a substitute for filing an original document with the Clerk of the Board. The Clerk of the Board still must actually receive the original document by the document's due date in order for it to be timely filed. However, Agency offices and private parties that use this system for submitting electronic copies will be excused from the requirement to submit multiple paper copies with their original filing.

²Mail sent to the Environmental Protection Agency via the U.S. Postal Service may be delayed by a random sterilization procedure applied to mail delivered to the federal government. Parties are encouraged to utilize the Board's e-filing system or non-U.S. Postal Service carriers and the Board's hand-delivery address when filing pleadings with the Board.
