Dear Mr. Broadbent:

This is to advise you that the Environmental Appeals Board (the "Board" or "EAB") received on March 22, 2010, seven petitions dated between March 18, 2010 and March 22, 2010, filed by Andy Wilson, Director-at-Large, on behalf of California Pilots Association (PSD 10-01); Jewell J. Hargleroad, Attorney, on behalf of Chabot-Las Positas Community College District (PSD 10-02); Helen H. Kang, Kelli Shields, Patrick Sullivan, Lucas Williams, Attorneys, on behalf of Citizens Against Pollution, Robert Sarvey (PSD 10-04); Michael E. Boyd, President, on behalf of Californians for Renewable Energy, Inc.(CARE) and Rob Simpson, (PSD 10-05); Juanita Gutierrez (PSD 10-06); and Karen D. Kramer (PSD 10-07), asking the Board to review a PSD determination by your District.

A copy of the petitions and exhibits can be found on the Board's website at http://yosemite.epa.gov/oa/EAB_Web_Docket.nsf/f22b4b245fab46c6852570e6004df1bd/df250cdc9ddc2bce852576ef00513d84!OpenDocument. If you have any difficulty accessing this document, please let me know.

To assist the Board in deciding whether the matters raised by Petitioners should be reviewed, please have your staff prepare a response that addresses Petitioners' contentions and whether Petitioners have satisfied the requirements for obtaining review under 40 C.F.R. section 124.19.

Response Seeking Summary Disposition. If you believe that the petitions in its entirety may be appropriate for summary disposition, either because the Board does not have jurisdiction to consider the petitions, the appeal is untimely, Petitioners lack standing to file an appeal, or none of the issues raised in the petitions were preserved for review, file a response to that effect

by no later than April 8, 2010. Include relevant portions of the administrative record with your response.

Filing may be accomplished electronically pursuant to the Board's Order of January 28, 2010.¹ Alternatively, filing may be accomplished by filing a paper original (signed in blue ink) with the Board (at the address shown below) by the date specified above. A copy must be sent to Petitioners, and a certificate of service showing the date and method of service should be included with the filing. Petitioners shall have 10 days from the date of service of a response seeking summary disposition to file a reply with the Board, unless the Board determines otherwise.

If the Board determines that summary disposition is appropriate, the Board will issue an order to that effect. If the Board determines that summary disposition is not appropriate, or that the issue of summary disposition should be reserved until after a response to the merits of the petitions is filed, the Board will issue an order directing that a response to the merits of the petitions be filed within 15 days of the Board's order.

Response not Seeking Summary Disposition. If you do not file a response seeking summary disposition, file a response to the merits of the petitions by not later than April 23, 2010. Include with your response relevant portions of the administrative record, together with a certified index of the entire administrative record.

Filing may be accomplished electronically pursuant to the Board's Order of January 28, 2010² or by filing an original (signed in blue ink) and two of these materials with the Board. In addition, a copy of the filing must be sent to petitioners, and a certificate of service showing the date and method of service should be included with the filing.

¹ The Board has issued an Order authorizing the electronic filing of documents in cases involving permit appeals. See Order Authorizing Electronic Filing in Proceedings Before the Environmental Appeals Board Not Governed by 40 C.F.R. Part 22 (Jan. 28, 2010), available at <http://www.epa.gov/eab> (click "Standing Orders" on sidebar). Instructions on registration and document filing are available by using the "Electronic Filing" link on the Board's website. Documents containing confidential business information should not be filed electronically as the Board considers business confidentiality claims waived when a document is electronically filed. *Id.* at 5-6. Please note that if a party, or its attorney or other representative, electronically files any document, such as a notice of appeal, brief, or motion, that exceeds fifty (50) pages in length, inclusive of the certificate of service, table of contents, and table of authorities, but exclusive of exhibits or attachments, it must also send one paper copy of that document to the Board by U.S. Mail, hand, courier, or commercial delivery service within one business day of the date of the electronic filing. See *id.* at 4-5. Such paper copy must be accompanied by a signed certification stating that it is identical to the electronically filed document. *Id.* at 5. If the combined page length of all of the exhibits or attachments submitted in support of a brief or motion exceeds fifty (50) pages, the requirement to submit a paper copy, and its timing, applies to the entire set of exhibits or attachments. *Id.* Anyone electronically filing exhibits or attachments in support of a brief, motion, or other document should submit them separately from the associated brief or motion. *Id.* at 3.
