**NOTICE OF APPEARANCE OF
BAY AREA AIR QUALITY MANAGEMENT DISTRICT**

Pursuant to 40 C.F.R. section 124.19(b)(4), the Bay Area Air Quality Management District (“Air District”), through its counsel Brian C. Bunger, Esq., and Alexander G. Crockett, Esq., hereby submits this Notice of Appearance in the above-captioned matter. The Air District is not the entity that Petitioners allege issued the “effectiv[e]” permit modification that is the subject of the Petition in this matter, but it is the state-law governmental entity with primary authority over stationary source air permitting in the area where the facility at issue is located, and it is therefore entitled to file a Response pursuant to section 124.19(b)(4). In addition, the Air District has also been requested to file a Response by the Environmental Appeals Board in the Board’s April 18, 2017, Order filed in this matter.
