Re: Town of Newmarket Wastewater Treatment Plant
Permit Number: NH0100196
Appeal Number: NPDES 12-05

Dear Ms. Durr,

The Coalition wants to bring the Board's attention to a correction to the letter filed on May 16, 2013, with regards to the Taunton Wastewater Treatment Plant. The quotation on the bottom of page 1 should read: "Eelgrass beds are present, macroalgae is generally *non-existent* but in some cases may be present, ..." (emphasis added).

Thank you for your consideration in this matter and we look forward to your response.

Respectfully submitted,

John C. Hall
