Mr. Bartlett,

Enclosed, and in anticipation of your request, I am providing you with a copy of the Administrative Record for the Peabody Black Mesa NPDES permit renewal. The proposed permit, fact sheet, and public notice are on our website as indicated in the EPA public notice, and I presume you have the materials related to the EAB appeal and I have therefore not copied this part of the Admin record to send to you.

As you are aware, EPA has announced that EPA will host public hearings at the following locations to receive comments from all interested parties

- Kayenta, Arizona, February 23, 2010. 6:00 pm to 9:00 pm, at the Kayenta Chapter House, Highway 163.
- Kykotsmovi, Arizona, February 24, 2010. 6:00 pm to 9:00 pm, at the Veterans Memorial Center.

The comment period will close on March 1.

Please confirm with me that you have received this communication. Due to size, I will be sending in several forthcoming emails.

Sincerely,

John
