**Re: In re Dominion Energy Brayton Point, L.L.C. (Formerly USGen New England, Inc.)
Brayton Point Station - NPDES Permit No. MA 0003654 – Appeal No. NPDES 07-01**

Dear Ms. Durr;

In connection with the above-referenced permit appeal, please find the following documents enclosed for docketing and review by the United States Environmental Protection Agency's ("EPA") Environmental Appeals Board ("Board"):

1. EPA Region 1 Response to Petition for Review;
2. Exhibit List for Appeal of Region 1's Determination on Remand;
3. List of New Exhibits for Remand Proceeding and previously filed Exhibit List;
4. Certification of Index to the Administrative Record and the Administrative Record Index for the Region's Determination on Remand;
5. Region 1 Assent to Petitioner's Motion to Strike Documents from the Administrative Record;
6. Region 1 Motion to Strike and Opposition to Petitioner's Motion to Supplement the Administrative Record;
7. Region 1 Opposition to Petitioner's Motion for Leave to Submit Brief in Connection with Petition for Review; and
8. Certificate of Service.

Region 1 is filing the additional copies of the above papers required by Board procedures using the Board's electronic filing system.

The Region also notes that in the enclosed Response to the Petition for Review and related papers, Region 1 cites to certain documents submitted to the EAB and interested parties as Exhibits in the prior proceedings before the Board related to the Brayton Point Station NPDES Permit. These

documents are cited by their existing Exhibit Numbers. To avoid unnecessarily voluminous filings, Region 1 is not now re-submitting copies of these previously submitted Exhibits. The Board and all interested parties should already have copies of them. If the Board or a party requires another copy of any of these Exhibits, Region 1 will provide them upon request. For new Exhibits, Region 1 is filing a "List of New Exhibits for Remand Proceeding." Exhibits on this list are numbered "R1, R2, etc."

Thank you for your attention to this matter.

Sincerely,
