UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C.**

In re:

City of Manchester, New Hampshire

Manchester Wastewater Treatment  
Facility

NPDES Permit No. NH0100447

NPDES Appeal No. 25-04

**NOTICE OF ERRATA**

Petitioner, Conservation Law Foundation, submits this Notice of Errata concerning its Petition for Review, filed December 3, 2025. The Certificate of Service submitted with the Petition for Review inadvertently contained the incorrect e-mail address for Robert Robinson, Chief Sanitary Engineer for Applicant, the City of Manchester. Notwithstanding the inadvertent error, Petitioner served a true and correct copy of the Petition for Review and Attachments by e-mail to Robert Robinson's correct e-mail address on December 3, 2025.

On December 8, 2025, Petitioner notified the Clerk of the Board regarding the inadvertent error. On December 11, 2025, the Clerk of the Board requested filing of a Notice of Errata and a corrected Certificate of Service to ensure the official record will have the correct information and e-mail addresses included in the record. This Notice of Errata corrects the record to reflect that the correct e-mail address for Robert Robinson is [rrobinson@manchesternh.gov](mailto:rrobinson@manchesternh.gov).

The corrected Certificate of Service is appended as Attachment 1.

Dated: December 12, 2025

Respectfully Submitted,

/s/ Thomas F. Irwin
