MOTION TO QUASH

TO THE HONORABLE BOARD MEMBERS:
COMES NOW, Leonardo Ramos-Hernandez, filing PRO
SE, respectfully ALLEGE, EXPOUND AND PRAY:

On April 10th 2014 the Board entered two orders Denying Extension of Time to File to Reconsider and Denying Intervention (collectively calles the April 10th orders) both failing to disclose the composition of the executing court beyond the signature of Hon Judge Stein.

The legal requirement to disclose composition of the trial as panel is as follows:

40 **C.F.R.** § 1.25(e)(1)

"The Board typically shall sit on matters before it in three-Member panels, and shall decide each matter by a majority vote. In the event that absence or recusal prevents a three-Member panel, the Board shall sit on a matter as a panel of two Members, and two Members shall constitute a quorum under such circumstances. "

The parties have a right to know the composition of the trial panel (see NGUYEN v. UNITED STATES 539 U.S. 69 (2003))

The board has argued that because it has discretion to decide in what manner it will disclose the composition of the trial panel (either by a footnote or actual signatures), it thus has discretion to make the disclosure or not at all. The board is mistaken as the Writ itself must expound proper authority as required by 40 **C.F.R.** § 1.25(e)(1).

The April 10th orders are defective on their face for failing to disclose proper authority compliant with 40 **C.F.R.** § 1.25(e)(1) within its four corners.

WHEREFORE I respectfully request the April 10th orders be Quashed.
