Appeal Number: UIC 07-01

Dear Mr. Gallo,

The Environmental Appeals Board (the "Board") is in receipt of your September 12, 2007 letter on behalf of Environmental Geo-Technologies ("EGT"). In this letter, you requested a stay of the following: (1) EPA's proposed termination of the two permits referenced above; (2) the Board's July 11, 2007 order denying review of EGT's informal appeal, made under 40 C.F.R. § 124.5; and (3) the Board's July 27, 2007 order denying motions for leave and reconsideration.

The above-captioned case is closed, and the matter is no longer pending before the Board. For this reason, the Board will not be taking any action on the aforementioned letter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Eurika Durr".

Eurika Durr
Clerk of the Board
