Dear Mr. Dierker:

Enclosed is a petition dated February 27, 2006 (received by the Environmental Appeals Board on March 1, 2006), filed by Samantha Woods, Executive Director, The North & South Rivers Watershed Association Inc., on behalf of North & South Rivers Watershed Association, asking the Environmental Appeals Board to review a permit determination issued jointly by the United States Environmental Protection Agency, Region 1, and the Massachusetts Department of Environmental Protection in this case.

Please file an original (signed in blue ink) and five copies of these materials no later than April 21, 2006, and send a copy of the response and the certified index to petitioner with a certificate of service showing the date and method of service.
