Frank, Jr., Attorney, on behalf Bristol County Broadcasting, Inc., asking the Board to review a PSD determination by the United States Environmental Protection Agency, Region 1.

To assist the Board in deciding whether the matters raised by Petitioner should be reviewed, please have your staff prepare a response that addresses Petitioner's contentions and whether Petitioner has satisfied the requirements for obtaining review under 40 C.F.R. Section 124.19.

Response Seeking Summary Disposition. If you believe that the petition in its entirety may be appropriate for summary disposition, either because the Board does not have jurisdiction to consider the petition, the appeal is untimely, ^{CONCURRENCES} Petitioner lacks standing to file an appeal, or none

¹ The Environmental Appeals Board has an innovative system that allows parties to submit copies of documents, including exhibits, electronically in PDF. Instructions on registration and document submission, are available by using the "Electronic Submission" link on the Board's website. Please note that, at the present time, electronic submissions will not be considered a substitute for filing an original document with the Clerk of the Board. The Clerk of the Board still must actually received the original document by the document's due date in order for it to be timely filed. However, Agency offices and private parties that use this system for submitting electronic copies will be excused from the requirement to submit multiple paper copies with their original filing.

²The Environmental Protection Agency may experience delays in delivery of mail from the U.S. Postal Service. These delays are due to a new sterilization procedure applied to all U.S. Postal Service mail delivered to the federal government. Parties are encouraged to utilize non-U.S. Postal Service carriers and the Board's hand-delivery address when filing time-sensitive pleadings with the Board. Additional information regarding mail delivery to the Board is available on the Environmental Appeals Board website (www.epa.gov/eab) at the Clerk of the Board or Frequently Asked Questions.
